**PROPHETIC WORDS GIVEN TO CALVARY  
AND ITS LEADERSHIP 1989 TO PRESENT**

Michael J. Bush, Pastor

The following pages are like a time capsule taking you back in time to the 1980's when Calvary Christian Center was beginning to experience manifestations of spiritual gifts within the church. The gift of prophecy was one of those gifts that began to operate frequently. For those of you who were part of Calvary at that time, you will certainly recall these prophetic words and have witnessed their impact upon this local church.

Some of the contents of these prophetic words helped launch Calvary into areas that we now consider to be part of our DNA. They will forever be a part of who we are at the core. There were also many promises given within these words. Some have come to pass, and others are yet to be seen. Along with these promises, many tasks were also given that are uniquely connected to these promises. After reviewing these prophetic words, we were challenged and inspired to see all that God had done. We were also reminded of things that we had forgotten. One thing we know for sure is that God has been leading us through these many years and He has used these prophetic words to guide us into His purposes and direction.

Calvary firmly believes that there is no substitute for the written Scriptures. They are our absolute standard and guide to faith and practice. No true prophecy can ever contradict the written Word of God. If it does, the Scriptures prove it to be wrong. However, God is absolutely committed to guiding us as we learn to hear his voice. When we learn to recognize that voice, submit it to the Scripture and align with what God has said, we can be confident that He will do what He says He will do.

As you look through these prophetic words, one thing you should do is begin to pray in alignment with what the Lord has said. When we speak and decree in alignment with God's plans and purposes, we can break through the barriers the enemy tries to raise against us and step into the will and plan of God. From this place, we can wage effective war against the enemy of our souls and cooperate with the divine plan of God seeing His kingdom come on earth as it is in heaven.

This book is one that will continue to evolve as time passes. New prophetic words will come and older ones will be discovered. As this happens, we will add them to this text. In the meantime, I hope that you enjoy Calvary's Prophetic Journey. Better yet, come join us and be a part of that continuing journey.

Blessings!

Pastor Michael Bush

## A PROPHETIC WORD TO CALVARY BAPTIST CHURCH

**Given by Prophet Joe Medina on 8/19/89**

For the Word of the Lord came unto me saying, "Hearken oh ye church, ye church of Hammond," saith the Lord. "For I have called you as a body of believers to bear witness of the Light." "Therefore, begin now saith the Lord, to put away from thee all darkness that is in thy life, all corruption, yea, put it far behind thee, and yea, begin to walk in the overcoming victory that I have given to thee through My Word." "For I say unto you, if you will not walk in My Holiness – ye shall be separated, saith the Lord, from those who will walk in it."

"Therefore, begin now to put away sin; do not allow it to function any longer in your life." "For I call you to record, there is still immorality among you," saith the Lord, "that I desire to deal with, and to take out of your life." "If you will yield it unto me, I will bring an end to all impurities in the sexual realms," saith the Lord, "and I will take away from you every perverted desire, and I will give you a heart to follow me," saith the Lord. "But, you must choose whom you will serve, for it is the Lord your God who calls you to this decision, even this day," saith the Lord.

"For it is mercy and grace that I'll extend unto you in this season," saith the Lord. "Mercy, mercy, mercy shall be given." "Therefore, come now to the throne of grace and receive the mercy that you have need of, for I will not let the judgement fall upon you." "Therefore, harken diligently unto what I tell you." "Hear intelligently," saith the Lord, "for judgement is at the door." "Let the grace work its work that you be not hindered." "Yea, I say unto you in the days to come, yea, I'll multiply your numbers saith the Lord, and I'll bring into this place the quality people that I desire to have here, saith the Lord, and they shall be people of great and high caliber." "There shall come into this place men of valor, men who cannot be bought for a price, and money will not mean anything to them, but they will be seeking me only," saith the Lord, "for they shall be men of valor." "Therefore, get ready for those that will come." "Get ready also to receive those that have been oppressed in mind and in spirit and in heart and in soul, for they shall come also, yea, be prepared to give your life for many," saith the Lord, "that they might have life and yea, pray often," saith the Lord, "for the work of this church. For I say unto you, you shall be the Light bearer, you shall bring forth the Light," saith the Lord, "and it shall shine unto many quarters of this city, and it shall even go beyond this city," saith the Lord, "therefore, prepare, oh church for My coming, for I will visit you in the days ahead, and I will speak comfortably unto you, and I will bring forth the Light that ye must have, for I say unto you, by my Spirit, and by My Word, I will purge iniquity and I will put true faith and true confidence in your heart, and you shall be Mine," saith the Lord God.

In case you may not know that's a word to this church, church of Hammond, you need to go back and take a look at that one. Hearken to it – hearken means to hear intelligently, to really know what God is saying.

## A PROPHETIC WORD GIVEN TO CALVARY CHRISTIAN CENTER

**By Prophet Joe Medina 6/17/90**

For surely saith the Lord, even as in the days of Jehoshaphat and the tribes of Israel, saith God, even as I did bring deliverance by their mighty praises, so also shall I bring deliverance in this hour unto those that seek me, who call upon My Name.

Yea, who lift up holy hands without doubt, without wrath and without doubting, and begin to praise and worship me. I solemnly swear to you saith the Lord, that in the midst of those praises I will surely, I will surely visit thee, and I will bring forth the power of My Spirit.

Yea and as you praise saith God, you'll see the sick healed, you'll see the demonized begin to be released saith God, for the Glory of the Lord shall sweep through your church and you will surely know that I am among you saith God. Therefore, begin to yield your knee, yea, bow your knee and bow your heart unto the King of Kings, yea, and let the Lord of Glory come and visit you, saith God. For with great power and great ability he will deliver and set free the captive, saith the Lord.

Yea, and unto those, those who have been wondering, can this be of God? Is it right to praise and worship? I have spoken, saith God, through My Own Word, therefore reconcile yourself unto me saith the Lord. Yea and turn your heart also toward heaven's gates and I will receive you as sons and daughters of the Living God.

For truly saith God, all of the earth shall be established in praise. For verily I've said in My Word,

If you will not praise Me, then the stones will cry out and they will give Me Glory. Therefore, hearken unto My words, saith God, and lift up thy heart and thy mouth unto heaven and I will fill your mouth saith the Lord and thou shall enter into Glory. Thou shall enter into union with Me saith God and yea by the praises of My people, I will surely visit you and establish you in much grace and much power, saith the Lord God. And yea unto those who are in the government of this church, saith the Lord, I do speak and I do bring unto your remembrance saith God that I am the covenant keeping God and that I will keep covenant with you. And yea as you have called upon my name and sought me for help saith the Lord, I say unto you I am willing to give you instruction and direction in the days ahead. For I shall surely light a fire in this place saith the Lord that cannot be quenched. And yea the flame of that fire shall spill over saith the Lord, unto many individuals and even unto other churches shall that flame go saith the Lord. Therefore, I call you to record this day that a greater responsibility is upon the shoulders of those who govern than ever before saith the Lord. For it's in your hands that I am placing the responsibility, in your hands I am putting the trust saith the Lord that you will cause my fire to be flamed saith the Lord, that it will burn brighter and brighter in your

midst, yea that those who come in this sanctuary will know that you are mine saith God, and that you walk in the ways of the Living God.

Therefore, I also speak unto my church and I do say behold I do prepare a bride without spot or wrinkle therefore repent saith God, of all thine iniquity, turn from the wicked way and I will receive you saith the Lord, and I will make of you a wondrous thing in the midst of the earth saith God. For I will have a people who are holy and prepared for my coming saith the Lord for behold the Spirit of the Living God does speak unto His people. I say unto thee I come quickly, saith the Lord. Truly my coming is not far off, saith the Lord God.

## **PROPHETIC WORD TO JACK PALMER**

**By Joe Medina 3/10/91 Church of Faith**

There's coming down out of heaven a new mantle coming, a new anointing, a fresh anointing. For you it shall be that the hard labor shall go out of the work, and a new easiness, and new tenderness, a new quickness shall come in its place. Now, in the Name of Jesus, I just release that into your life and I declare by the word of God that the Spirit of God invade your life tonight in a new way and overwhelms and empowers and anoints you.

In the Name of Jesus, I declare new power, new ability, new direction, new understanding. For you shall become as the bridge builder, saith God, thou shalt build bridges between men and between churches.

For it is power that's going to build the bridge saith God, and it's going to be obedience that fulfills the construction and you're going to be my main man saith the Lord, for I'm going to use you. For it's not only going to be churches to churches, but, it's going to be cities to cities, said God. For I'm going to build a network around about you and I'm going to establish your name in the state, saith God, as the bridge builder, as the man who made the path, as the one who laid his life down for the brethren's sake, saith God. For behold, cities shall be joined to city, church shall be joined to church, men shall be joined to men, denominational ties will fall like cinder blocks in the wind, saith God, for I'm going to raise up out of you a man who can build and establish people to people, saith God. For behold the old things of the denominational world are passing away, yea, even this night, saith God, I will jerk down and pull out and render asunder those things that separate my people. For it's the spirit of the living God in thee that is to be joined into those that are of like faith, said God, for I've called you for this purpose. I anointed you and said be my man in the place I put you, and as you fulfill that, saith God, it shall be an expansion and growth that shall take place, and thou shalt surely be my servant, yea, in this city, saith God, and unto other cities shall it be. For I shall spread thy name abroad and they shall say "Seek him out for he knows the word of God and knows the plan of God", for I will put it into thy heart and into thy mind, saith the Lord.

I'm about to open your eyes that you might see with a clearer vision saith God, for I declare unto you, it's new visions that also will come in this year and it shall be that you shall see a greater goal, a greater distance to run than ever before, and you will fulfill all of that according to my will and according to my way, for I'm going to bring many great men to your house, saith God. I'm going to bring the prophets of God round about you and you'll sit at a table and you'll discuss the things that have troubled you and they'll answer it one by one and you'll see that I have not forgotten you, that I've heard the cry of your heart and I have said unto you there is no problem too great that cannot be fulfilled, there is no mountain so high that you can't climb it, for I the Lord thy God shall

come to thy aid and rescue, God the power of the Holy Spirit shall be thy watchword in the day ahead and it shall be that all the labor shall go out of it, saith God, and thou shall rest in the green fields and thou shalt surely drink from the still waters and thou shalt be kept by my power and my power alone said the Lord God Almighty.

By Joe Medina 6/10/91

Behold what your hands hath brought, saith God. For even this night, yea, even as the message was spoken, I say unto thee in the domain of heaven, in its court, saith God, you have been credited, yea, given reward for that this night, saith God. Therefore, do not think it a small thing when you open your heart unto my servant, saith God. For when they stand in the pulpit and they speak My Word, it has great consequence to thine own life. Behold, I say unto thee, thou shalt be well rewarded for that which you have labored in, saith God, and behold, I say unto thee, this night I grant unto thee new favor that thou hast not known in times past, and it shall come to pass, saith the Lord, that I shall surely bring forth honor within thy life. For My Word says, if any man will serve me, him will My Father honor. Yea, new favor shall surely come upon thee in this year, saith the Lord. And thou shalt surely see that when you deal with people and when you speak with people, that favor of the Lord and the blessing of the Lord shall be upon it. For I declare unto you, you have labored well among My people, saith God, and you have not withheld any good thing from them, and I declare unto you, because of your faithfulness, yea, even through obedience, saith the Lord, because you have been steadfast and were willing to pay the price, I will greatly reward thee in this year, saith the Lord. For I will bring a greater anointing than ever before upon thee, and thou shalt shout and thou shalt leap, saith God, with the Joy of the Lord. For I am going to bring forth and undo even bondages within your own life that would inhibit you, saith God, that would hold you back and you are going to be like a free man, saith God, and men are going to look at you and they are going to see the anointing of the Lord God upon you, and they are going to know that it was my hand and my work that did it, and no man shall seem or think it to be strange, but you shall begin to walk in a new step, saith God, For it's a higher realm and a higher calling than ever before and it shall come to pass that men shall hearken to it and shall obey it, and there shall come an increase in the divine healing, saith God, for out of thy right hand shall proceed forth the power and the Fire of God and it shall begin to effect many men and many women, saith God, for you shall also see the demonic realm, yea, flee from thee, saith God, for it shall become easier and yea, and it shall be less labor, saith the Lord. Yea, and thou shalt stretch forth thine hand on the people, yea, to bless them and the power of God shall strike them, saith God, and thou shalt be seen and thou shalt be known as a man of power, for truly I say unto you, that power and a manifestation of it, shall shortly be seen within thy life in a greater measure than in times past, saith the Lord God of Israel, and truly, saith the Lord, I say unto thee, you are My life boat, saith God, for you are the man in the lifeboat. You are the lifeboat in many who are in the perilous perils of the sea, saith God, about to drown. You are going to rescue, for you shall surely build, yea, even the hospital for my saints, saith God, and yea, in that hospital many shall be healed, many shall be restored, and they shall be brought to a place of service, saith

God, and thou shalt be, yea, surrounded by those that you've rescued, saith the Lord, and the days shall come when it shall no longer just be a church, but it's going to be a family, saith God. For I'm going to bring forth and build in this place, yea, a divine and a holy love for one another, saith the Lord, that the world cannot take away, that the devil cannot destroy, and it shall come to pass, saith God, that you'll travel here and travel there away from this place, and there shall not be one shred of doubt as to what's happening. For you shall know all things are secure, all things are in their place, and it shall also be, saith God, that I am going to bring talented men, yea, even men of God, men who walk in my covenant who will come to assist you, yea, even to aid you, to give you the assistance you've needed, and you are going to see this place grow and grow and grow and abound, saith God, for My hand is upon it and I say unto thee, no longer look in the mirror and say, God, how can I do it, but say, My God is sufficient, and I will surely do it, saith God, for I intend to use you, yea, I say unto you, it is the response of your heart that has caused this to come to pass, it is not because you are more able, yea, or more sufficient than another, but, because your heart has responded to the Right and Living God, and there is coming also, saith God, even an inversion of wealth when the wealth of the sinner is laid up for it, saith God. For I am going to bring it unto your hands and it's going to come in abundance, yea, saith God, in the year of '92, you shall see, yea, the kingdom blossom and grow in a financial way, saith the Lord. For the gold and the silver is Mine and I've laid it up, yea, in your behalf, saith God. And it shall come even as I've spoken unto you in times past, and even the vision and the plan I gave you, yea, even in this year, to expand, saith God, is My doing and I will supply the finances according to the timing of the Lord, and yea, saith God, also there shall begin to operate more proficiently, yea, even the giftings of Urim and Thummim, yea, whereas thou shalt see lights, yea, appear upon thy people and out of those lights, saith God, I will speak unto thee, and thou shalt move in a new anointing, yea, even in a new spirit, saith the Lord, and the new anointing shall be as a man who put on a jacket, yea, even as a cloak around about thee, and thou shalt know things and do things in that anointing that you cannot do otherwise. Do not abuse it, do not go beyond it, yea, honor it and it will honor you, for it is a thing of My doing, saith God. Yea, I say unto thee, live the separated life, saith God, for it is the key to excelling in the anointing. Know of assuredly, saith God, that you are not alone, but I am with you, and My hand will mightily prevail in thy life.

Father, in the Name of Jesus, I ask you to seal these words, release them into his life, cause him to abound, cause him to see with the eye of the eagle and to see a thing afar off. In Jesus Name, I pray and I believe, Amen, so be it, praise God!

## A PROPHETIC WORD GIVEN TO CALVARY

**By Brother Joe Medina during the Night Watch Service on 12/31/91**

For kingdoms are going to fall and tumble in the coming year, saith the Lord. And there's coming a shakeup in the kingdoms of this world; but do not be afraid and do not fear for you're going to see the door open for the Gospel to be spread abroad, saith the Lord. For the doors are going to swing wide and they will swing wide for many of you too, saith the Lord that you might be partakers of the harvest that's coming. For I declare unto you, I have called forth a billion souls to come forth into My Kingdom that tonight are not there. Therefore, I will send and raise up a mighty army to go forth. For the kingdoms of this world are going to become the kingdoms of your God.

And, yea, in this city also, saith the Lord, there's coming a new stirring in the spring time of '92. For in the spring time and early summer you're going to see an influx of new people coming your way. And, yea, I say unto you, I have sent these, saith the Lord, to help you with the work that is at hand. And you shall certainly multiply in number, saith the Lord, but you shall grow stronger in the strength that I have put within you. For there shall be a manifestation in the new building of a new anointing, saith the Lord, wherein I will visit thee and I will overwhelm thee with My Glory and My Presence. For the Presence of the Lord is going to be known within that assembly, saith God. For I have ordained that and I have established it. And all those that work to achieve it, saith God, shall be mightily blessed, for therein shall the blessing of the Lord flow.

There are many in the valley of indecision in this hour, saith God, who have not made full commitment unto My Kingdom. I say unto you, get off the fence. Get off the fence and get into waters that are over your head, saith the Lord. For I have desired that you move out in the spiritual realities that I'm laying before you. For '92 is the year to go forward, saith God, in an accelerated pace.

Do not become discouraged when the storm clouds appear, saith the Lord, for behold I am in the storm and I will have My way in the whirlwind, saith the Lord. And no man shall undo the work that I intend to do. For My hand is set to bless and it shall surely be a mighty provision, saith the Lord God. Hallelujah.

And, yea, in the coming year, saith the Lord, I'm going to sift through the body and everything that's walking in pride is going to be sifted out, saith God. For pride is an abomination in My sight, even in this hour. And you will read in the newspapers of many that fall, saith God. But do not look at the sin they have committed as the reason that they fell; but look behind it at the pride that was evident in their life, saith God. And you will come to know Me as the God of judgment for I'm going to bring pride down to the floor, saith God. It's going to be .... the bottom is going to fall out in the arena of pride. For I have judged it severely, saith the Lord. And it will come to pass; those that fall into sexual sins shall be judged of their pride and not of their sexual sins shall be

judged of their pride and not of their sexual sin, saith the Lord God. Hallelujah. Thank you, Lord.

And yea, truly, saith the Lord, I do commend, yea, even this church, yea, even your leadership, saith the Lord. For they have not failed to declare unto you to whole Gospel. And yea, they have not failed to perform well the service where unto they have served you. And therefore, I will raise up new leadership among you, saith God, to help with that which is already in place.

And I will move certain of you, saith God, to different cities to share the work that has gone on here. And you will see a magnification of your own ministry and men shall hear about you and they shall inquire as to what God is doing in this place. And you will greatly rejoice when you see the effect that it has in other places, saith the Lord God. For already in the winds of change are beginning to blow in many cities, saith the Lord. And you're going to see that in Louisiana, yea, even in the New Orleans area, saith God, there's coming revival. Yea, in the midst of '92 you'll see it and you'll even be affected by it in some degree, saith the Lord God. Hallelujah.

There shall be accounts, saith God, of diseases that shall be manifested, that shall spring forth, that shall have no cure. I say unto you, you are the cure, saith the Lord. Your faith and your ability to believe Me, yea, as the Body of Christ, shall be the only avenue of help for many in that day, in that hour, saith the Lord God.

## **A WORD TO CALVARY CHRISTIAN CENTER**

**From Brother Joe Medina that the Lord showed him  
while driving to the Watch Night Service on 12/31/91.**

I want to say something to you as a group and this is...this is something the Lord dropped into my spirit before I got here for the church. It's going to play an important role in the days ahead. God's telling me that in this area here in Hammond, that He's wanting to do a real major work among the black people and that the work He wants to do cannot be accomplished unless churches open the door completely to the black community. The Lord told me there would be a tremendous blessing for churches who would open the doors with real love and real fellowship because He's going to do something among the black population. They are a chosen people in this city and they are going to experience a major revival among their own selves and God is saying, He's wanting to integrate them right in the system, and He wants more in this church. Now, I don't know how many come, but he wants more in the church and He wants more people established here in key positions. And He wants all prejudice rooted out of the church. And God told me that when the prejudice is really knocked in the head, you're going to see a growth take place that's going to amaze you. It's going to amaze you. And when that growth comes, the real finances are going to be released. Finances—it's not going to be money to operate here, you're going to be operating in other places too. Hallelujah. But you need to remember what I told you. They are a chosen people unto God. Hallelujah. And I have to admit to you, God's never spoke that to me before; but He began to really open that up to me. So you have a responsibility to do that. And they're coming, God's sending them here. And when they come, open the doors and let them become a part of this fellowship. And great blessings are going to come out of that. I mean tremendous blessings. Amen.

Praise God. Hallelujah.

## **PROPHETIC WORD TO JACK PALMER**

**From Brother Joe Medina at the Watch Night Service**

**On 12/31/91 Calvary Christian Center.**

As you stand before me tonight, the Lord has told me to tell you that this is a time when you're standing directly in front of Him, and its judgment time. And God is going to pass judgement on you; you're coming under the shepherd's rod tonight. Now what that means is if there's any lack in your life, you'll hear it and if there's any good thing you're going to hear that; but, it's a time of judgement. God is just preparing you right now, through me, for what's coming. I'm just telling you what's coming, but even as you stand here, I don't even know myself what's coming but he does. This is a thing that He's going to do again at another time. But this is like the real...if He's done it before and you weren't aware of it, this time you will be aware of it and you'll know how to walk in a more pleasing manner and you'll know where you missed it and where you hit it.

Now Father, in Jesus Name, Lord I lift this brother up before your throne thanking you far in advance for what you're doing in his life and how you have molded him and shaped him and formed him into the vessel of honor that I see. And Lord, I pray now that your judgement, as he passes up under the shepherd's rod, and as he sees what you see, and as he hears what you hear; oh God, let it be according to righteousness and according to the fruit of the Spirit, in Jesus Name.

For in Heaven's domain, saith the Lord, as I groom you as I call you forth, it is as if you're in a school, saith God. And yea, in the school that I've had you in, saith the Lord, I must also grade you based on performance. Yea, but for attitude, saith the Lord, you get an A+, for you've had a willing mind that was teachable, yea, ready to receive and ready to lead my people into a domain that I have asked you to come into. And yea, I say unto you, in that it was not easy, saith God, I am saying unto you tonight, in that you were willing to walk where it was not easy, you have pleased the heart of your Father in your dedication and in your commitment.

And there is great reward, saith the Lord, for those who serve Me in this manner. And '92 shall be a year of rewarding, saith the Lord, when the desire of your heart shall be granted. And you'll begin to see changes within your life, saith God that you've longed to see; that not anyone knows about, saith the Lord, but, that you have inquired diligently at My Voice and My Hand. I say unto you; those changes are on the way. For I'm going to plant a new nature in you in '92, saith God, that's going to be birthed out of you also, in that same year, For I say unto you, you have been the faithful shepherd, you have been the faithful shepherd, saith God, and now you shall be the shepherd filled with wisdom. For my wisdom is going to pour upon your brow, saith God. Like oil coming down Aaron's beard. It's going to be anointing after anointing, after anointing and yea, you're going to go into different churches around about, saith God. And you're

going to speak the word, the prophetic word to them, and they're going to respond in a pleasing way, saith the Lord. For in that arena also, I am well pleased that you were not afraid and you were willing to walk where others would not walk, saith the Lord God.

And even this night, as my servant laid out the road map, saith the Lord, you have followed it closely, you have followed it considerably, saith the Lord. And because of that, you are in the place that I have desired, and I can now move you into a higher place, saith the Lord. For only those that have kept the lesser things, can move into the greater things. And you have well qualified yourself in that arena, saith the Lord God.

But I have some more to say unto you, son of man, yea, in that you must now begin to duplicate yourself in others, and I say unto you, that is an error of judgment, saith the Lord. Begin now to duplicate your efforts in others and bring forth what you are in others. And garrison around about you, yea, new people, saith God, new people, not just ones that are here but even ones that I'll send, and begin to train and equip and prepare them to do what you're doing, for you are qualified to be the teacher, saith the Lord God, and I require this of you, saith the Lord, that you duplicate yourself in others.

And the building was in my timing, saith the Lord, therefore, put that matter to rest and I'll finance it and pay for it, do not worry and do not be disturbed about that, I've already seen to it. It is already done, saith the Lord God.

For there have been times in the past, saith the Lord, when you've looked at yourself and said, oh my God, I've failed at this and I've failed at that. And you have not considered yourself worthy in certain areas of life, saith God, but I say unto you, I have placed my seal of approval upon you, son. And because of that, you have been made worthy by my blood, and you're not only made worthy, saith God, but that worthiness and that righteousness is going to be made manifest in this coming year, saith God.

And men and women will see and know that you've chosen the right thing at the right time, saith the Lord God, and yea, during '92, saith the Lord, you shall learn the difference between being effective and being efficient. For to be efficient, saith God, yea, you have surely been, but to be efficient simply means doing things right. But now you are going to learn to be effective which is doing the right thing, Yea, and you're going to see that not always must you be efficient sometimes; you must always be effective, saith God, that My Ministry and My Kingdom would go forth.

Now Father, I release into him the power, the authority, the wisdom of all these things to know exactly how to move—exactly what to do.

Yea, I'm going to make some changes in your physical body, saith the Lord. For you're going to lose some pounds, for the weight's coming off, saith God, for the race you're about to run is too hard with those extra pounds, saith God. So, I'm going to slim you down, I'm going to trim you up, I'm going to cause you to walk like a racing horse because you're going to be in the race with Me, saith the Lord God.

I'm going to take the appetite away. And there's going to come a time, a season of prayer and fasting in this year, saith the Lord that will prepare you for a mighty work, for you are not a small fish in a big pond, saith God, but you are going to be My big fish in a big pond, saith the Lord God.

Continue to build the hospital, saith the Lord, for the wounded are coming—they're coming. They will surely respond to your compassion, to your love, and to your outreach. But, do not fail to train, equip, and duplicate, saith the Lord, or you will fail the mission. It will abort.

## **PROPHETIC WORD TO BROTHER JACK PALMER**

**From Brother Kin Dunbar 2/3/92 at Church of Faith**

Glory to God, thank you Lord Jesus, I got a word for you,

The Lord said that your labor is going to become so heavy, that the demands are going to become so strenuous, you are going to begin to cry out to the Lord for help, and that he's not only going to increase your teams, he is going to increase your teams! And they are going to be very effective in what they do.

Very effective! And they are going to be very effective in what they do, very effective! And you are going to train them well, because that's the way you are.

But He said that He is going to give to you a special anointing ability, that in the services, (and I know this in the natural, for you told me this because you prefer personal ministry as opposed to mass ministry), but the Lord said that he's going to give you a special anointing to be able to minister to crowds of people, and you are going to see what you desired to take place individually, you will see it happening in crowd meetings. Because there is going to be a special anointing for you to be able to begin to speak the word of deliverance to the people that are going to come, because you are going to be so weighted down, so heavy laden with it, that you are going to say, "God, I don't have time, there is no way we can get to all the people that need to be gotten to."

And the Lord said that He is going to send them to the services. There is going to be strange people and wearied people and there is going to be church people and there is going to be traditional people, but, they are going to come just like they used to come to Catherine Kulman's, this is the word that I get. Just like Catherine Kulman's services and God will just supernaturally begin to move and to bring deliverance and there will be times you will just be able to call out things, those that are bound by rejection, those that are bound by insecurities, those that are bound by lust, those that are bound by uncleanness, and there will be screaming and loud voices and those kinds of things that take place with it, and when it's all over, the Glory of the Lord will fill His Temple.

## **PROPHECY GIVEN TO BROTHER JACK PALMER**

**By Brother Joe Medina-Prophet/Teacher June 24, 1992.**

Father, in Jesus Name, I thank you for this instruction. Now Lord, I await your command to do that which You have ordained to be that which You have planned. And Lord, I just thank you that you're doing it right now. And Lord, I release into this brother's life, the fullness of the power of all that you have for him. Lord, with that kingly anointing, yea, even with a double anointing, let the mantle now fall, let it fall for a year, oh God, and let it not be held back; but let it be a full year, a full year, a full year.

Oh Father, let it just flow and flow and flow even as you've ordained it and commanded it. There's the fire to come with it. Hallelujah, hallelujah!

Fire shut up in your bones shall it be, saith the Lord. For My Word, is it not like fire, is it not like a hammer. Yea, for My anointing shall be stirred up within thee, saith the Lord, and it shall begin to do the work that I've sent it to do. For by the anointing the yokes shall be broken. For it shall be easier than it has in times past, saith the Lord. For you shall speak forth the word and it shall be so' and it shall be an established word of authority. For the principalities and the powers, for they have sought even to plan to take thy life, saith the Lord, but I have not allowed it. And, yea, I say unto you as you walk in My Provision, you are safe, safe, safe, saith the Lord God. For you have received My Word that says, Behold, I give you power to tread on serpents and scorpions, and you have tread on them, saith God, yea and over all the power of the enemy and I've said nothing by any means is going to hurt you. And as you have hidden that word in your heart it has come to pass. Therefore, know that all that dwell within thy dwelling, saith God, all that are in thine house are safe even as you're safe. Therefore, know for a surety that the warfare will be accomplished in the midst of the brethren, saith God. And I'll prove Myself strong, for I'm raising up people out of this church, saith God, who not only will minister in the realm of spiritual warfare; but, they'll also be mighty prophets, might prophetesses. Yea, and they'll speak the Word of the Lord and they'll sing the song of the Lord and you'll hear it with your own ears, saith God. And you shall surely rejoice for you shall say, great is the anointing upon My people, for they have prophesied and they have delivered those that were held captive.

Yea, for a great work have you worked in My vineyard, saith the Lord, and you have planted well the garden that I wanted to grow; and it's growing before you. But I say unto you, this is a small part of that which I have entrusted into your hands, for more are coming, saith the Lord. For you shall increase and you shall grow in size, and you shall see an influx, yea, even in the next eighteen months shall it grow, month by month, month by month, I'm going to send them, saith the Lord. Therefore, know for a surety that is in the mind, in the heart of your Father, therefore, begin to plan even now for those that will come, saith the Lord God.

For I have spoken to the wind, saith the Lord, and I have said, blow them in, blow them in and they're going to be blown in. And some of them are going to stand in the doorway and they're going to have that blown look, saith the Lord. Therefore, when you see it, it will be a sign unto you that I blew them in. Therefore, do not wonder and do not be afraid, but let Me do My blowing, saith God. And when I'm through blowing on them they'll be put in order and they'll be put in the right shape and many of them will be used in the same fashion, saith the Lord God.

And it shall come to pass, saith the Lord, that as time moves on, not all men will speak favorable of thee. For there will rise up a rumor and there will rise up a story teller, saith the Lord. And shall spread forth false accusation against you. But you shall not be shaken nor be troubled, for you shall know the truth, and your people shall know the truth, saith the Lord. And you will walk in love in that hour and you will not receive the criticism nor the accusation, but you shall walk in the fullness of your Father's Love, and you'll minister that love unto those round about, saith God. And you shall be called a man of your word, saith the Lord, yea, a man of your word that has great integrity.

For I'm going to send you other places, also, saith the Lord. And I'm going to let you take My Delivering Power and My delivering Word unto the brethren round about this state. And as you get the call, go in faith, saith the Lord, knowing that I'm reaching out, yea, to you. Yea, and they're going to reach out to you too, saith God, and I'll cause them to pull on you and pull on you and pull on you and they'll draw out the best that you are. And you will see saith the Lord that I will give you clear directions in that hour and you'll know precisely and exactly how to move and what to do. For have not I made you the head and not the tail. For I say unto you, you are the pastor of this flock and you are the chief shepherd, saith the Lord. Therefore, you and you alone shall be shown and you shall be accountable for that same reason, saith the Lord God.

Thank you, Father, thank you, Father. Praise God! Praise God! And all God's people said, amen!

## **PROPHECY GIVEN TO BROTHER JACK PALMER**

**By Brother Joe Medina—Prophet/Teacher June 25, 1992**

Father, in the Name of Jesus, Lord we just thank you for the Word of the Living God flowing through this brother. And I speak now as the Oracles of God, and I declare that that foot is healed, that toe is healed; that every need that he has is met.

“For there are some things that I would like to bring you to the side and teach you,” saith the Lord.

“Therefore, I call you to set aside time for me; time when you do nothing else but listen to me, and I want you to get out of this city when you do it,” saith the Lord. “Do not be here in that day; but set yourself apart, that time, yea, that I might speak to thee, that I might have an audience with thee,” saith God, “uninterrupted,” for My audience has been interrupted by many, many doings,” saith the Lord. “And I want to speak to you comfortably and I want to speak to you tenderly, but, I want to speak to you,” saith the Lord, “uninterrupted.” “Therefore, get ready to come apart before you come apart.” “For I am the Lord Your God and I rule and I reign over your affairs.” “And I have you in mind,” saith the Lord, “that you would not be swept out by the anxiety of this life, but that you would be kept together,” saith the Lord. “For from time to time you must go back and recement the bonds that hold you,” saith God, “in the place that I’ve put you.” “And that means you must renew your mind and you must be refreshed in the spirit of your mind’ but come apart and let me speak to you comfortably.” “Yea, for I have much to show you,” saith the Lord. “For there’s coming even upon this whole nation, upon this whole land a troubled time that I’ll show you how to be prepared for, and you will be a great help to your people in that time,” saith God, “For Godly wisdom will proceed forth out of your mind, but you must seek My face for this to happen.”

“And I will build a church here that is built upon My promises and upon My Covenant,” saith the Lord. “And it shall be a church that shall be debt free and problem free,” “For I’m going to make it what it should be and you’ll be the example of those that walk-in righteousness,” saith the Lord God.

## **PROPHECY GIVEN TO BROTHER JACK PALMER**

**By Brother Joe Medina—Prophet/Teacher June 26, 1992**

There's power coming on you, in the Name of Jesus. Glory to God! Glory to God!  
Thank you, Father, thank you, Father.

There's fire coming right there, it's coming out of my hand right now. In the Name of Jesus, receive the fire of the Lord to purge, purify, to get out of the way anything that hinders, obstructs, detours, takes you away from the plan that God's called you to. Let go now. Holy Spirit, let that now be fulfilled in his ears, oh God.

"For it is bread that I've ordered for My people," saith the Lord. "And it's bread that you're going to set upon the table." "Bake the loaves well," saith God, "For I say unto you, fresh bread from the head is Coming, fresh bread from the head is coming," "For I say unto you, I'll send it," saith the Lord, "and it will be a fire shut up in your bones and a hammer that cannot be quenched," "For I say unto you, the body will eat the bread that you set forth," "And they shall find nourishment for their souls and they shall say, 'Surely, you have been with the Lord,' and they will know that I have spoken to thine heart," saith God, "You'll rise in the pulpit to speak a word on a Sunday morning," saith the Lord, "and all hearts and all ears shall be turned to thy attention." "For they shall say, 'this man speaks as the Oracles of God, for he hears in the secret place and he tells publicly what he's heard,' "and therefore, I say unto you, it shall be that you shall speak exactly in line with the need of your people," saith the Lord, "and all of God's people that shall gather there shall be amazed at what you shall speak, for they shall know that truly I have given thee the word that you speak," saith the Lord God.

"And I will add to your gifts the gift of Faith, that you will see shortly," saith the Lord, "that more can be accomplished through that gift than you've realized," "For your heart has desired to see the need of the people fully met," "for you've walked away many times saying, oh God, why cannot this one be healed, why cannot this one receive?" "I say unto thee, you will pull down that hindrance," saith the Lord, "and you will see that My power is not limited as many think that it is." "Therefore, get ready to receive a fuller blessing," "Know for an as surety," saith the Lord, "your numbers will grow and they will increase and you will be given greater responsibilities as the days go by," "but know also, that the giftings must increase also, to meet the need." "Therefore, understand My time is your time; your time is My time."

"Do not confuse the two," saith the Lord God.

Hallelujah! Thank you, Father, thank you, Father.

"Yea, and open your billfold and I will fill it full," saith God. "For I'm going to put money in it." "Money is going to come from the north, the east, the south, and the west," "and

you'll be like a channel that cannot be quenched, for I'll channel it through your hands, yea, and bless thee mightily," saith the Lord God. "For its debt free, debt free that I'm going to make you," "For you'll not have the obligations to the bank or to the people," "for I say unto you, I'm the only banker you are ever going to need," saith the Lord God.

**A Word to Calvary Christian Center**  
**Given to Bro. Palmer – October 27, 1992**

My church, my bride, How I weep over you even as I wept over Jerusalem, for you have lost your desire for intimacy with me. It's not that you are looking for someone else, it's just that you no longer want to enter the bridal chamber of intimacy with me.

You speak as an older middle-aged woman who has grown fat and content in your ways. So, you say, "I love you and will do anything for you, but do not call me to intimacy, for I have spent my time in the bridal chamber. I now find other things that are more important to me, and I am satisfied."

I, the Lord God call you my princess, your time is not passed. Enter the bridal chamber with me in intimacy, for it is only through intimacy that you will bare fruit. I have called you with a purpose and have robed you in white. Remember you are my bride, my princess. You are not a barren woman or a widow woman, so do not hide, for I have chosen you to be my bride.

Repent of your coldness, repent of your pride, repent of your selfish desires, repent of your haughty spirit, repent of being satisfied, repent of your indolent spirit, repent of your complacency, and turn to me, for have I not called you my bride, my princess. But you say, "I don't feel like a bride, I don't feel your love, I don't see you longing for me."

The Lord would say to you, "My dear church, my princess, remember I have given my life for you, with my own blood. I purchased you from the slave block of sin. I removed the chains and washed you with my own blood. I anointed you and covered your wounds with the oil of my Spirit. Then I clothed you in the purity of white, set you free and said, "Come be my bride."

Therefore, I see you as my bride, my princess. "Come, enter in with me. Do not allow yourself to be drawn and enticed by things, for only through intimacy with me, will you find true love, peace, joy, contentment and protection. With intimacy your hope will be built up and you will have no fear of tomorrow, for I hold all of the tomorrows in my hand. Do not fear the words of men or politicians."

Come my princess, my church, enter into intimacy with me, so that I can teach you faithfulness, long suffering and kindness. Do not be insolent, do not pout, do not drop your eyes, but enter in with me. Oh, my princess, I want to bestow many gifts upon you. But do not come looking for gifts or what my love will purchase for you, but rather enter into intimacy. For when you enter into intimacy, I the bridegroom will gift you, protect you and cover you with my righteousness.

Come now my bride, my church, my princess, do not allow the wicked one to entice you or keep you in the past. You must remember, I have washed you with my blood. I have anointed you with perfumed oil of my Spirit.

Who do you fear, why do you give yourselves to the unworthy things? Remember they only bring happiness for the moment. When you enter into the chamber with me, in faith, I become your covering and supplier. So, my bride, my princess, do not deny the bridegroom intimacy, for it is only through intimacy with me that you will find true contentment and a fulfilled life.

Come! Come! Come! I have prepared a place of quietness. Come away with me my bride and enter into the chamber, into the Holy of Holies with me. I long for you as a bridegroom longs for his virgin bride. As the parched earth longs for rain and the grass longs for the morning dew. Do not be fickle, trim your lamp, for you are mine. I do not call you a slave that I have bought. I do not call you to come out of duty to the vow you made when you became my bride. I call you to come in love because you want my intimacy.

My church, my bride, my princess, I weep for you. Come veiled in repentance. Come with singing and praise. Enter in, enter in, my dear church, and I will sustain and multiply you.

Oh! My church, I the bridegroom, say Come, Come, Come!

## **PROPHETIC WORD TO JACK AND ALMA 3/93**

**From Paul Cane at Houston, TX**

He showed me that you and your wife have not come to the place where you have fulfillment, anything like He has planned and prepared for your life. You have the gift of hospitality, that you are miserably comfortable where you are, but the Lord is about to bring you into a place of fruition and substance and increase where the Lord will add to – where you're not just pleasing the baby boaters. Where you 're just going with church growth concepts and ideas and all that, but where you're totally depending on the Lord, and I see a work blossoming forth right where you are, right where you are in Hammond, where it will be known as a center or as a prototype for this kind of ministry, where you will not burn the midnight oil to study what the people want or where the people want to go, but you will know supernaturally what is the mind of the Lord, what is the program of the Lord.

What will the Lord do? You'll offend some, but the Lord will give you such increase, that He will say, "Now over here there's a larger gathering, but not by me." But you will have a small beginning-an increase in a small way, and then when you find the Lord initiating His own plans, that can't be found in manuals, can't be found in growth magazines and books-steps know how.

He's going to show you and people are going to come from different parts-you'll learn from Marvin and Marvin will learn from you, and they'll be people come just to find out what your secret is, and it is not your technique-it's not your style-it is the Lord.

And you're going to have apostolic increase and the Lord's going to give you intensified compassion for the sick and the suffering and you will be known as a healing center. As an apostolic place for apostolic application and impartations, and I just want to encourage you to hang on and get through the transition, and get through the small decrease of increase because you'll gain some and lose some and all of a sudden the Lord will give the increase, and it will be a miraculous sign-just like the net breaking experience that the disciples had that filled both boats.

The Lord will give the increase and you don't have to put on these programs and you don't need these great plans-you do not need to make work what has worked somewhere else. The Lord will give you some originality. He'll give you some specifically designed instructions, where you do everything according to His pattern, you're going to see in such a way that people will fall on their face and say, "it's the Lord, it's the Lord." The Lord is in this place and they will know it.

Take another look at church growth and get Jesus in the boat. You will never get where Jesus wants you to go till He gets in the boat with you, and when He gets into the boat, immediately, you're to the other side. You can spend the rest of this generation on how to do this and how to do that and you may get some good ideas on church growth, and

it might work to a certain extent and it's needful, but it's nothing like getting Jesus into the boat, getting the supernatural going and then immediately, you're on the other side.

## **PROPHECY TO CALVARY CHRISTIAN CENTER**

**By N.H. Dutton 4-4-93**

I did invite myself here, and he did not pay me to say what I am going to say. The way I was introduced to Jack and Alma, the Lord gave me what I call prophetic writing. I take the dictation of the Lord and you have to sift through what I am saying because part of me gets in the message. And part of your job is to chew up this message and spit out the bones and keep that part that is the Lord's.

At this point, I don't believe that there is a trumpet blowing, but I believe that one day there will be. I believe that there are trumpets that are clearer than the one I blow. I miss a few notes sometimes and the Lord has used names over a time as a sign and symbol to me.

My full name is Norvel Harding Dutton Jr. My pen often runs out when I sign my whole name. It has two meanings; one is a strong man from a north city that blows a trumpet. That is the meaning I like the best. The other is a stubborn man from a north city that poorly blows a bagpipe.

The ministry that God has given primarily has moved in a line from Tallahassee straight down the panhandle of Florida to my western most point which is you here today.

As I sat in my dental office the Lord began to speak to me in rhyme and riddle and symbolic speech, or hidden speech or dark saying about somebody in Hammond, Louisiana. And He began to give me some intimate details. And one person who read this said that that guy is crazy, and they have some evidence to support that. Just ask my wife. But as God began to speak to me I began to know some things by revelation of the people He was sending me to. So I have come at my own request because I believe that the Lord has invited me to speak to you and your leadership, and to Brother Jack.

My last visit here I came because Bill French invited because of the revelation God had given me, I didn't know who it was for, the Lord impressed me to bring it to Bill French. And the rest of course is history.

When I came I looked and I saw some men and I saw some things about your church, and I have to confess that I was jealous, just good old fashion green envy. I told Bill on the way home, "I am jealous of what I see here, the potential for that we don't have back home".

God also speaks to me in vision, sometimes I just know, sometimes I can smell it and sometimes I can taste it. And the Lord made it clear to me that to come back I would have to walk to a fire gate. Well, I have learned over a time I like fire. I pray for fire, because I know Who the Fire is. I have been tested on a lot of fronts, but I went through the most severe test prior to coming here. The enemy challenged me, or

rather he challenged the Lord, he tried to make it a challenge between him and myself over the life of one of my children. But because I had already released the lives of all of my family to the Lord, there was nothing between me and Satan.

On the way to the hospital, when I had been called and told that my son would not live to come, a devil said, "I am going to take your son," and I said, "you may take him but you won't take him from me, I gave him to the Lord, and if Dad says you can have him, then you can have him." I know what God had spoken prior to his birth. So, I was able to rest in the Lord. When that situation began, the greatest fear up until that time was the loss of my children. Everything else I had lost, and in the process of that I had lost that fear.

And I am saying that to you because you are headed for the toughest fire as well. My initials have several different meanings. I go by my initials N.H. and the toughest test that you will face is NOW HERE(NH). One of the things that the Lord impressed on me to say to the leadership yesterday, I say to you today, God is asking the same question of you that He asked of Adam and Eve. "Where are you?"

The words of the song that Keith sang, the initials "HI" stands for "Honesty Intercession- and Honesty – Intimacy". There are 3 things God is saying to you. Honesty, Intimacy, and Intercession, the Intimacy will come out of Intercession. The Honesty is an act of your will. It's a choice, it's a decision.

Last night I was asking the Lord, "What do I say to these people, what are Your words to them?" And this is what He said to me, "Son of man be aware of this very thing you are a sign and a symbol to these people of what I am about to do. I have sent you to water the words of the prophets before you. I will have a set time in the days future where I will cause the prophets to come and speak together and that will be a time of great revelation for this body and it will be a greater time of blessing to the prophet, prophetic voices and I will cause a revelation well to be dug in the midst of these people. And I will by My Spirit come and dig a wisdom well from which I will pour out My Wisdom. I have great plans for this place and these people. But son of man, I have great requirements and conditions before these things are fulfilled. I have put these words in your mouth son, and I have had you say and say again these words, Intercession, Revelation, Proclamation, Life."

You represent New Honesty, a new and deeper level of honesty. God is going to open a door of your closet for all the world to see, if you will walk in what He is inviting you to walk in. No hindrance, when you come to that place of honesty, there are no hindrances. The enemy has nothing on you. He can't threaten you or expose you. New hope, a new house-and I say again HONESTY and INTERCESSION because the Lord said, "say HI. Son of man say to these people nothing hidden you are a sign and a symbol of the family of what I will make of them. Tell them of the international, and cultural and ethical mix of your family and how it relates to them."

I always like to talk about my family and I just happen to have pictures with me too. Back in 1985, the Lord spoke to me and said, "You have room for more children in your house and I had 2 already and they were in their teens and my wife had a hysterectomy, so I said, "what do I do Lord?" And He said, "Hold out your hand and I give you what I want you to have." Six weeks later the Lord gave me an eight-week-old biracial boy, half black, half white. When he was six weeks old, the Lord gave me a vision of two more of my children, He showed me my six month old son at age six, he was dressed in a white shirt, white pants, white socks, white shoes and a black bow-tie. I was a little girl in the vision, she had on a white dress, white socks, and white shoes, and on her head, she had on a hat or flowers, it was not clear.

The little boy, Joel, the one I shared with you about the attempt of the enemy, to take his life, was dressed like his brother, David, and he had on the same kind of clothes. In 1990 these kids are in a wedding and in the back of the wedding album, I was flipping through, and there was the snap shot the Lord had given me in 1985. In November 1991, through the intercession and prayers of these three kids, and my wife, the Lord gave us another baby, Molly, she was four days old, and five days later I went to Africa for forty days. Now you can imagine that mama was proud of me for that. And I think Molly cried till I got back.

But the significance of that is this, David, the prophets have told me that my family represents the lands and the continents and the ethnic groups we will minister to. David is black and white, the back in him is African black, and white, we have been to Africa in 91. Katie is Hispanic black, and white. Joel is Porto Rican black and white. Molly is really unusual mix she is Russian, Jamaican and Hungarian. My wife is French, Italian, her grandmother was full blooded Cherokee Indian, her grandfather on her mother's side was Scottish and Irish. And I know you are wondering what I represent, well one side of my family was train robbers, horse thieves and murderers, and low and behold on the other side was preachers and there is some debate as to which side I took after. But if you listen and heard the ethnic mix, and oh Molly is also Jewish, and only the Lord knows what else and that is how much we know. But what you see is a polly glide of races ethnic groups.

One of the things I say in the vision God gave me is what you will be in the vision God gave me, God gave me a series of visions, and I'll share those with you later and this will make more sense.

Tell them of the call on Jack and Alma. Tell them of the keys of moving in that direction. Sometimes we have a tendency to want to play it safe when talk about the call on men's lives, but I don't believe I have that liberty this morning. I believe with all my heart, and I will stand before anybody and take correction if I am wrong, now Jack you had not better blow it so I don't have to take correction. But I believe with all my heart that God is inviting you into a very unique situation and circumstances and relationship and it is a place of who so ever will. But it is going to cost you and it will cost you beyond what you can think or imagine. I don't want you for one second to think what I am talking

about is going to be easy. I don't want to say it won't be fun, even in the midst of this thing of my son it was fun, by the grace of God it was fun, to see God's victory come to pass, but it was hell and war up to that point, it will be with you. But the price you pay will be everything you think you own. Every place you have not been sifted or burnt, you will be sifted or burnt. Every place you think you have it right you will be challenged cause you are entering in a real war, that fact of which you have never seen. Because we are getting to a time when you are going to fish or cut bait, and it is a time you will have to decide which one you are going to be. Like I told this one, "If you can't stand the fire you will just sit on the bench. If you are not willing to submit to the work of the fire, who is the all-consuming Fire, God. If you are not willing to be sifted, sanded, ground to powder, and then done with as He chooses, you are in the wrong place. God will let you go camp outside this place, but He is looking for men or women, like Gideon's army that are fearless. That had no fear, that holds their life loosely. Your hands, if you walk in this will be this way, and God will require things of you, it will not be an Isaac deal, He will take some of you. So, it is a time to really get before the Lord and count the cost. Because if you walk with men like Jack, some of you will die, it will cost you your life. Some of you will cost you your family, some of you will cost you your children, some will cost you your business.

Now at one time or another, I can speak with authority, I have lost every one of those. And I can speak that the price I have paid is worth it. For the place of intimacy that it brings forth with you in the Lord, you can't get to God except through the fire. And you won't experience Him intimately unless you embrace the Fire because He is the Fire you will have to embrace.

We have all heard messages on the Baptism of the Holy Spirit, but how many of us have heard men elaborate on the Baptism of Fire, and it is spoken in the same breath by John the Baptist, he says, "I baptize with water and repentance, but the One that comes after me, who's shoes I am not worthy to unlace, baptizes with Spirit and in the same breath, and with Fire. That Fire will burn in the areas of relationships, circumstances, and events, and one fire will always set the other two.

It is a time to count the cost, the visions the Lord gave me, the watering of the word the prophet has spoken. I see a picture of a wisdom well in the center of the building. Let me tell you knowledge comes from teaching, wisdom comes from pain. If you are going to have a wisdom well in your midst, dug by the Holy Spirit, He will be digging in response to your suffering.

I saw men and women, some of them having recognized from having seen them, some I didn't know they are not a part of you yet, but I saw you in a wine press and I saw you ground and squashed and crushed and broken and I saw the wine poured out of the press and I saw it hit the ground and where it hit the ground, there was a groove it made to the center of this building and there was a lighthouse going up into the heavens. And I saw ships coming from many ports coming to this light, the names on the ships had the names of other races, other countries, other denominations, and other religions.

You truly will minister to everything, I saw a net cast down and every kind of fish imaginable was in that net, from some of the best, from some of the worst. I saw fish in there that I could not begin to name, they were ugly, there were fish in there that you see them on trophies that is symbolic of evangelism. You will not have a specific place, you will take anything and most of what you will get, nobody else wants. Because God in these last days is going to do like He did in the first day, He is not going to the seminaries, He is not going to the educated, He is going to the docks, He is going to the gutters, He is going to the bars because those of us who have come out of those places have a compassion for those who are in those places. And God takes that pig iron and through the fire hammers it and makes it into something He can use, a vessel He can use. It takes fire, it takes hammering.

I saw other men along some of the men in this congregation that I have seen building on the dock, I saw them hammering and building on the dock, so that ships drawn here would have a place to dock and have a safe harbor.

The Lord gave me a vision of a pioneer like Louis and Clark, and I don't know how many know Dennis Peacock, I really appreciate a lot of Dennis' work, and one thing he said, and it speaks of the days in which we find ourselves in, we are in a time of pioneering in the spirit and pioneers never proceeded in a straight line, they wandered through the wilderness, and you see that pattern throughout the Bible, of wandering to and fro, and the reason for this is, is that God is as interested in the process as He is the destination. Now I challenged the leadership to openness and honesty before you, nothing hidden. God will cause the leadership in this church to be found naked. And sometimes that will not be a pretty sight. Because leadership are not perfect men. God is not looking for perfect men and women, but the challenge to the body is this, this is as Father Noah, because you are in the days of a constructing of an Ark, that will be filled by many different animals, this man will be in charge of the construction because I believe with all my heart that Jack has the call of an apostle. I think he has the opportunity to walk in all that means. But here is what I said that opportunity, I can tell you from having walked through the fire with my son, people prayed from Maine to Minnesota, from Toronto to Texas, and I was able to walk in the peace and the strength and the power as a result of those prayers and God responded to them with grace and mercy. My son suffered that whole ordeal in peace and void of pain. I asked him, he had been poked and prodded and stuck, he had a shunt in his neck like a pencil, and he was a frail boy, 30 pounds at age six, and I asked him do you want us to take that out and he said that is not bothering me, you can take it out if you want it out, he never shed a tear, never forgot his manners to the point of death, he was on the verge of death and he said, "yes ma'am, no ma'am." Now that is God's grace he is not that polite at home. And at the end of the ordeal, I said, "Joel, what was the worst part, he said the worse part was missing David and Katie and the rest of the family." Never mention the sticking and the prodding and the suffering, never once shed a tear, and his nurse said, "Joel, I love you, do you love me?" And he said, "I like you very much, but we have not known you long enough to marry you. So, he still had his wit and wisdom about him. The point

is Joel didn't suffer because of prayer and the grace of God. I walked in a strength beyond me, He specifically said to me to go home and play in the snow. You can't do that in human strength, but that is what I did with the other kids.

Joe Medina prophesied to me that I would have wealth, I began to look for a check, but you know there is all kinds of wealth, there is the wealth of relationships, the phone began to ring, I had all the help I needed. I didn't call anybody to pray, the Lord said to call Bill French, and call Joe. Jack called me and I told Jack. The Grace of God and the wealth of relationship.

Your pastor, the pioneer, the ark builder will require the wealth of relationship to carry out the task that God has laid before him. Now if he does his part, and really the best that he can do is to be faithful and to be available, God will do the rest. If you will be a part of this, you will be a part of the wealth of relationship to him. Jack is not a perfect man.

One of the things God does with me, when He sends me on an assignment, He says you are going to be a holy mouse, mice can get under a closet door, and He will take me into men's closets, that is holy ground, and there is responsibility that comes with that. Sometimes my job is to see and say, but most it is to see and pray. And you will have the same job as in Noah's day, God will show Jack's nakedness, when Jack walks through the gate and into the will and wombs of God's plan he will walk through it naked. And all of his shortcomings will be exposed, it will be up to you as to whether you judge him or whether you cover his nakedness with your intercession. And what you sow, you will reap, you will see Jack and Alma be mercy wells. What is a mercy well? A mercy well is like an old fashion water pump, you've got to give before you get.

There was a time several years ago when the Lord was really dealing with me hard. I had asked the Lord to deal with some areas of my life that had to be dealt with. In the midst of that when God began to reveal the demonic thing that held me, it made me look terrible. When Joe Medina came with word from the Lord and said, "N.H., the Lord said to tell you that there is No Hope for you." That is a pretty word." Well if there is no hope, what do you do? And I asked the Lord what do I do? And He said you cry for mercy for Joe and then cry for mercy for yourself. That made me mad at Joe. I didn't like that hard word. So, I prayed for mercy for Joe through clenched teeth. But I prayed for mercy. I'd say Lord have mercy on Joe and have mercy on me! And that process continued and I was praying, Lord, have mercy on Joe and have mercy on Joe; God had mercy on both of us. He bailed me out of more stuff that I can tell you in a week. And that year Joe needed mercy as bad as I did. Joe was God's gift to me with that hard, hard word because he was a mercy well that I could drink from that saved my life. Now you can judge these two, but God set them there for a mercy for you. He is not going to get it right all the time, God's not going to let him, any pioneer will go up a box canyon. And some of you will have to follow up that canyon knowing it is a box canyon. And then you will have to suffer what he suffers and walk out with him. And you are going to have to do it for his sake. You will suffer the fires of frustration often following

Jack. But in that fire of frustration, the two of you will be welded together, hammered together so that you will become one well-formed honed fighting force that will catch hell, and I don't mean catch it this way, you will chase it and grab it and catch it and put it under your feet. But not before you have been burned, scorched, hammered, and welded together in unity. God is not asking you to lose your individuality, nor is He asking you to lose your diversity, but the magnitude of the unity will be equal in the magnitude of diversity.

What are we saying, it is a time to count the cost? This is not a game this is a deadly war, and there is no place for fear. If you are afraid then ask God to pour His fire upon your fear. Bring that thing you fear to your face and remove it.

When Paul was put on a ship that would be destroyed, he was put on there and chained to a centurion named Julius, Julius means perception. Paul got on there as a prisoner, he got on a ship that was symbolic of the world's system of which we now find ourselves and we are prisoners in. But God is going to bring storms to that system and in the midst of it we will become the captain, just as Paul did.

Just as the captain did not know what to do, we are at the beginning of those days, we are in an economic no man's land, where the powers don't know what to do, they are guessing. The only thing that holds our economy up is a wind filled balloon, that is filled with the wind of denial. If the truth were spoken it would cave in on them today. And the media perpetrates that and precipitates that and propagates that, but if we got to the real truth we are broken and don't know what to do about it.

There is coming a day, God is raising up men with a Joseph's anointing that will know what to do to prepare us for coming times. There are some Noah's out there that are building an ark that will take us over the sea of adversity that will rise as the rain of the advisory begins to fall. When these bad things come on the earth, it is a sign that the rain of the adversity has begun to fall and give rise to the sea of adversity that will rip this ark that men like this man and others are building. And those of you in this group and in this congregation, will be a part of the crew and a part of the building of that ark this day and that ark is put together and sealed by the peg and the pitch of relationships. Can you see that picture? That Ark is the Lord. There will be a company of Moses to lead us out of the world's system. God in His mercy is raising up Moses', Noah's, and Josephs in those anointings in this day.

Those are our apostolic fathers that are going to be fathers, and the hearts of the children will be turned back to them and the curse on the land will be lifted. Now you have the potential of being on the cutting edge of that, you have the potential of being on the front of what God is doing. Have you ever looked at the cutting edge of a front-end loader, that is a violent place? There is fire, there is spark, and there is breaking, then there is crushing, that is you guys, that is who you are, that is where you sit, that is your ride.

You are about to begin a process, and when you see me again, I will look different, the difference that I look today God will show you, I don't know what that difference will be, but I will look different. I will be thinner and I will be dressed different, there will be a marked difference in my appearance in the days that I come back to stand here again, you mark the difference in me and mark the difference in you. I will be enabled as you move to that place.

The Lord uses men like me, did you notice the address, "son of man", the significance of this is some of us God uses as He did in Ezekiel, the things we say God says and God gives us things to do that are prophetic. In the New Testament, you see the prophetic jester with Agabus ministering to Paul, you also see in the New Testament that the prophet is there but he is hidden, the guy in the spotlight will be the apostle and this church will be a church that is an "Apostolic well." It will be a ministry to all kinds of ethnic groups, but will also be a ministry to ministers. You will be a place where wounded, and God has already given you a test in that area, when God sends you men who have been wounded and you have been faithful to minister to them. They have fallen off their horse and you have put them back on the horse and make them able to ride again.

The Lord showed some of the people in this congregation and has said he will show me others. Unlike Joe, the ministry the Lord has given me is most often hidden, and unlike Joe, I usually have the revelation before I get here. Joe often gets it on the spot. God is God and He does it like He wants to.

**A WORD GIVEN BY STACY HORN TO CHURCH OF FAITH,  
NATALBANY BAPTIST, AND CALVARY CHRISTIAN CENTER**

**During an Intimacy with God Conference, held at Calvary, 7/10/93**

Ecc. 4:12-And if one prevails against him, two shall withstand him; and a threefold cord is not quickly broken.

The word I gave last night from Ecclesiastes for the three churches, the three brothers, the Lord gave me a little more expansion on that. The different notes that you each sound like. First, I want to tell you that I just squirm this out, but this needs to come out with some force. God said that 'three' would not be quickly broken, but He is looking to get a lot of cords together. He wants to build a rope and with that rope, He wants to tie up the enemy in this area. So, pray for God to build a strong rope.

Now the second part of that meaning, if you recall was a chord, "CHORD" a melody. I feel like the Lord said that Natalbany Baptist Church, and Brother Rodney, that you guys, when you hit that note by yourselves, you are called to be looking forward, moving forward, but you are reaching back. And it is the sensitivity to the Spirit that makes room for those that are not moving as quick that has left an opening for them to move. They are not close to that, that is something that is a calling on that church, to be a reaching back to those who are not moving at the same speed. We are all on a journey but we are not moving at the same speed. I believe that the Lord will allow you to participate in reaching back.

Brother Rodney, you have a pastor's heart, a shepherd's heart, now not all pastors behind a pulpit have a pastor's heart, but you have a pastor's heart and that is a blessing to the body of Christ. And I thank God for that.

Church of Faith, you are a visionary church, it is like the head lights on a car, you see way out in front of where you are going, you know where you are going, you shine light and direction on the path. I want you to know that that is a calling for this area. I want you also to take heart, I feel like the Lord has said that at times not being where you are seeing can cause discouragement. We just prayed in a building that is not quite built. But I want you to know the Lord said in Hebrews 12:2, "let us fix our eyes on Jesus the author and finisher or perfecter of our faith." He authored you all, He is perfecting you all, He is the source and He is the object. It is all warped in Him and as you pursue that, every good thing that He has spoken to you the Lord will do.

I believe in particular Sandy, the Lord gave me a verse of Scripture, Psalm 33:11, "But the plans of the Lord stand firm forever, the purposes of His heart throughout all generations." I don't know what this may mean to you but I feel like you, feel like you have missed out on part of something that is the Lord's answer for that question for you that has been in your heart that you have been pondering.

Calvary Christian Center, your name speaks about where you are, you are in the center, you are drawing from all areas. You are to be an Antioch type of church; you are giving yourselves away on behalf of others, a servant's heart. Remember this when you grow weary, that you will never out-give the Lord when you are serving.

Alma, let me share this on her behalf. The natural speaks of the spiritual. She said she had a large family when we were visiting. She does. Her gift of encouragement to the body is going to bring health and a closeness as this area community church comes together. Those things sometime get lost in the shuffle, but that is an important aspect of drawing in, so tell her that she is kin to the near about everybody in town spiritually. She made that statement at lunch, but it is true in the Spirit.

Brother Jack, brother, you are a restorer, you have a heart like Nehemiah. I believe the Lord says you are a Barnabas; you just keep bringing them to Paul. You are content and willing to take the back seat. But I want you to know in the Lord's time, He will put you in the front seat. I want you to know that the Lord said you are a hybrid also, you already have your roots established and yet you are willing to let that grafting in, because it produces more fruit and a healthier plant. Amen.

What was going on up here earlier with all the worship teams together, I don't have full understanding of this, but I believe the Lord says that that is like putting a prop under David's fallen tent. Amos 9:11 says "In the last days He will restore David's fallen tent." Look at some of the things that goes on in his fallen tent. I believe that the worship will increase to a point where healing and deliverance and those type of things will come forth in the midst of worshipping the Lord.

I have one other thing to share with you. I receive this on October the 20<sup>th</sup>. I spent some time alone just praying asking the Lord what was on His Heart for this area. I believe the Lord gave me a promise, again it is invitational, not declarational, it is in Jeremiah 30:18-20. This is what the Lords says, "I will restore the fortunes of Jacob's tents, and have compassion on his dwellings, the city will be rebuilt on her ruins, and the palace will stand in its proper place, from them will come songs of thanksgiving and the sound of rejoicing. I will add to their numbers and they will not be decreased. I will bring them honor and they will not be distained, their children will be as in the days of old, and their community will be established before Me. I will punish all who oppose them."

I want to share one last thing. It is that the Lord has given me a heart for the South, I grew up in the South. And I want you to know that I read about revivals in different places and different times. I read about the Welch revival about 1900 and you hear about what is going on in Argentina and what is going on in Korea, yea you hear about what is going on all over the place and I keep asking God, "God, why can't you renew in our day, in our time, in our area, in our city." I believe the Lord is calling out, and I believe there are a number of folks that are here, they are interceding for that same thing. I want to encourage you that the Lord answers those who follow that. Isaiah

62:6-“I have posted watchmen on your walls that will not be silent night or day,” so keep praying, keep pressing in and the Lord will do what is on His Heart.

## PROPHETIC WORD TO JACK AND ALMA PALMER

**By Steven Shultz 11/15/95**

Father, I count it a privilege and an honor to lay hands upon your servants in this house. Also, Lord, your vision holders, your leaders of the team, that Lord, you have developed here and are developing and will continue to develop and will continue to expand. Lord, because they will be a team of elders that will expand to three and five. Lord I think the days will even come, for I see a larger team than that shall be expanded.

For this will be a house of restoring, for you have called it to be a house of restoration. But Lord, there will be some planting that will come out of this house. I see some people who will be sent out to plant and establish, Lord at the same time. Oh God, in the days, months and years ahead, oh Lord. But Lord, I thank You right now by the laying on of hands; just pour in grace and anointing. There it is! To fill and Lord, to overflowing as they have given and given and given.

Now oh Lord, I speak to their spirit man and say be refreshed and to be blessed. And Lord, in every single area and every single avenue and every single way and means and way. Lord, I thank you Father, right now in Jesus Name, His mighty Name, in Jesus mighty Name, I thank You.

And the Lord said that even as I gave you apostolic call and ability in your life, the Lord says that now you are going to begin to see a release in the next 3-4 years. The Lord say's there is going to be a release. The Lord say's that you are going to be speaking not only in the church, but you are going to speak to the Body of Christ. For the platform to speak even in the community, says the Lord, as an apostolic voice. The Lord says I give you boundaries, so that you will know your boundaries. Like Paul said, "I knew my measure, I knew my bounds." The Lord said, "I'm going to start defining borders, lines and areas to you. And the Lord says that you are going to have confidence to speak into spheres and even into national situations. And even unto people," saith the Lord. For you are going to know that this is My boundaries and My measure of rule that has been given unto thee. And the Lord says, "that it is going to be well received and well respected and well taken care of," saith the Lord.

The Lord says. "As you grow and as I give My apostolic anointing in this hour, I'm going to increase your measure of rule and your measure of boundaries will continue to increase and increase," saith the Lord.

And the Lord says, "Son and daughter, I appreciate that you have had the mindset that says, Lord, we cannot do it all by ourselves. For Lord, we need the assistance and aid of every talent and ability, and every anointing that's in the church in this hour," saith the Lord God. And the Lord says, "That I appreciate your willingness to allow Me to send you where I wanted to send you. Allow Me to let you see what I wanted you to see," saith the Lord. But the Lord says, "Your days of travel and your days of gathering and

your days of collection are not over. For the Lord says, “there is more gathering and collecting that I will bring to you,” says the Lord. The Lord says there are some new faces and new voices that I’m going to bring into the house. And the Lord says, “You are going to bring old and new, old and new, old and new. And the Lord says, “Because you are going to be a man and woman that develops ministries out of the thing called relationship, says the Lord. And that’s why I’ve made you so relational in your house and I gave you a healing vision,” saith God.

For the Lord says, “That I don’t want a superficial people or a superficial house. The Lord said, “I looked at this house and said that there would be depth within this people. And depth within this house,” says the Lord. And that’s why I’ve given you the tools that you can dig deep within the lives and hearts of individuals,” says God. For the Lord says, “This will be a place where they know that they can come in.” The Lord says, “To know that the well has been tapped deep.” And the Lord says, “There they will get the fresh water and the fresh spring will arise and come forth,” says the Lord.

And the Lord says, “Oh daughter of Zion,” the Lord said, “Even in thee,” saith the Lord, “I’m going to give you a vacation to take,” saith the Lord. I see a situation for you guys where you can get away a week, maybe two weeks, and don’t wait two years. I really feel that there is a vacation coming up for you and it won’t be ministry and it’s not going to be to attend a conference. It’s going to be just getting out and enjoying yourselves. And just striking the match and sparking again. And I hear the Lord say, go park and spark, go park and spark, go park and spark.

And Lord, I thank you for this daughter of Zion. She is a worker and a doer. And Lord, I saw her, she will just do everything and anything, and Lord, that’s just the way she has been her whole life. You’ve given her a great servant’s heart and ability. But Lord, it’s time for her to take in, for she has given out, given out, given out. And Lord, I thank you that there is going to be an opportunity for them to just have the opportunity to just get away and Lord, just spend some quality time together. And Lord, just renew and refresh, oh Lord. Even back to the honeymoon again, oh Lord. A honeymoon with you and a honeymoon with each other, oh Lord. So, Father, I thank you right now that they are hearing and they are going to obey. Lord, you are going to make a way for this whole thing to work out so that they will be able to do that in that particular situation.

I also heard the Lord say, “Oh daughter of Zion, even as I have spoken into the life of your husband, for that apostolic ability and anointing,” saith the Lord. The Lord said, “Surely that is sown into your life and flowed down into your spirit also,” saith God. And the Lord says, “I’m raising you,” saith the Lord. The Lord said, “I didn’t just call him to be the visible and to be the one to be vocal.” The Lord said, “I appreciate that you.... I see you behind the closed doors, you’ve ministered. But I hear the Lord say, “The day will come also,” the Lord says, “There is also going to be more visibility. Even up here in this big pulpit,” says God. The Lord says, “You can’t run from it, because if you run out the back door,” I the Lord say, “I’ve got a revolving door, it’s just going to shoot you back in twice as fast,” saith the Lord. And the Lord says, “You’ve got a concept, and I’m

going to break the concept of your mind of what it is to stand behind the pulpit. Because you will have a concept that holds you back. And the concept that God is going to show you is just be you."

You are going to give little illustrations, little stories and practical teachings that..... Have you ever listened to any of Evelyn Hamon's tapes....? Have you ever listened to any of her tapes? Those two sets back there, I'm sowing them to you, alright. Dealing with Life's Challenges... You are going to find out that she just stands and teaches. Just so practical. And when Bishop Hamon leaves, nobody remembers a word he said, 20 years later they can tell you everything that Evelyn Hamon preached on. Because she hits it so practical.

He's going to be talking about the Body of Christ and moving forward and taking this and going here... And you are just going to come in and say, you know, you just need to get your marriage right. Man, and you are just going to .... and they are going to remember what you had to say. So, Lord, I thank you right now in Jesus name. Lord for releasing greater calling and anointing on this sister right now, oh Lord. I see you spring forth, a new day dawning, oh Lord. Her day has come, oh Lord! For a new anointing is to be released.....

And Lord, she's been so faithful in those other areas, oh God. Lord she's been, Lord she's a pillar in the house of God, she's a pillar in the Church of God, she's a pillar in the Body of Christ, oh Lord. But now oh Lord, it's no longer can she be a pillar on the back porch, it's time that she is a pillar on the front porch. When they drive by they are going to say. Look at that house, it's not just supported by the man, but it is supported by a man and a woman. And as you go between them you will enter the house of the Lord. And I thank you, oh Lord that it's her time for her pillar to be moved and put into a new position tonight in Jesus mighty name. She's not going to shy from it; she's not going to cry about it, she's just going to say I'll do the will of God.

And sis, when you start sharing up here some Sunday morning, you are going to find the sharing is going to turn into preaching. And pretty soon your husband is just going to say go for it, honey. You've got the word; I've got to sit down. Lord, I thank you for that Lord. They are going to move, and go and advance, it's going to be great, great, great ministry out of this house.

And I really feel like for the both of you, as the Lord has brought you around some really divine contacts and ministry and individuals. I feel like there is going to be more involved as a part of an apostolic conclave and network that's going to develop that will be beyond just the local church here. I don't know who, for sure. I've not talked to you about who you are relating to on a regular basis apostolically, but somehow there is going to be a knitting. There is going to be a needle and thread that will weave between hearts.

And all of a sudden you are going to be setting and talking about what God is doing, what He is saying and what's going on. And you are going to be a part of a network, so

to speak, of apostolic ministry that is sharing and declaring to one another so that you are going to feel you are going to be a part of something bigger and you are going to feel a part of something bigger than yourselves.

Because there are going to be times when you will get into a room with six to eight other couples and just sit down and apostolically share. And there is something that God is going to build in this area that is an apostolic net over this area. So, these will be a prototype of what it is for apostles to know their boundaries, know their measure, know their rule. But yet at the same time to be willing to sit down and say, come on, what's going on in your stream, what's going on in your church, what's going on in your situation. And you are really going to be helpful – I really believe that you guys are going to be a key to making that whole thing happen. I don't know if someone is going to come to you and say to you, will you be willing to take this situation or would you be willing to relate to us.

But somehow, I feel like God is going to open up an opportunity and you guys are going to say yes, we will take it. We will work in this area, or this region to help make this thing happen for you. And I don't think it is going to be CI. I think it is something completely different. I don't know if it is somehow related to Kansas City or Rick Joiner or what. But there is going to be something different and unique here, that's just going to be another apostolic stream, that's revolving and coming out of the place. Amen! Amen!

**PROPHETIC WORD TO JACK AND ALMA PALMER BY THE LACKIES 6/5 -8/96 AT CORNERSTONE CHURCH JACKSON, MISS. (Bill and LaRue)**

LaRue

Lord, we just thank you for this couple and we just know that your anointing and your hand and your divine appointment is strongly evident all over their lives. Lord, Father they are not just ordinary, because you have called them and destined them for purpose. You have given them heart and vision and you have coupled that with passion and the ability to know that which God has said, He is able to do. And that which you have placed within their hearts is there because you know that it is within their ability through you to carry out. And Father right now we just join them together to receive and be open to your word.

Alma, I see the glory of the Lord is all over you. I just see it so, so strongly. I hear the Lord saying, I am the God that has not only gifted you with faith, but call you this day a woman of faith. For the Lord says that there are going to be things that are coming in the future, the near future, that you are going to have to speak forth, and you are going to have to command the mountain that's there. There are going to be some emotional mountains that you are going to actually call forth for other people to come down. And the Lord says that there is a financial mountain, and that there is a mountain of fear, and all of these mountains are there, and the Lord says at the right timing you are going to know, it's going to click in your spirit and you are going to know, and you are going to war with this word. Because you are a woman that when you speak it forth, it's by the unction of the Lord. You don't like the made-up, you have seen it, and you know what it feels like and there have been some disappointments in the past that you have had to walk through. But the Lord says, this day do I take the disappointments and tell you that there is not a returning to that.

For the Lord says what I have made is new and fresh. And where you are going is sometimes uncharted. But the Lord says I have placed within both of you a pioneering footing. And you will go and you will make the path for some other people in some areas. For the Lord says, especially to you Alma, that the gifting of faith is going to come at a time when your husband Jack, the one who ordinarily says we can do this we can get through it, it will work. There will be times when he does not have that divine impartation. And the Lord says unto you Jack to listen, because you are going to be so used to taking care of some things on your own. And the Lord says that there is a great in-composing of the two of you. And it's going to be the neatest, neatest feeling to have a team approach and a new and higher level. Because God says, I have placed you together and I have placed strength.

I have placed some things within you that are strengths for her, and in her that will be strengths for you. I really see a situation that is going to come to you Jack, that is really going to take Alma in a position where she is going to rise up, and she has something that she is going to see that you don't see. And it is something that God says to listen

and to wait for and receive her council. Because you are going to know when you have it, that it's right, that this is it. And it is going to be such a magnitude, and it is really going to be of great importance.

And the Lord says, there are decisions coming to you my dear children. They are going to come at a bullet rapid pace. God said, don't be frightened, don't pull back, because they are coming and coming and coming at such a speed that you are going to have to trust the Spirit, there is no time for the emotions, because they are going to be going up and down and all around. Your centering point will be the strength of how you couple together in unity and rising up in the Spirit together.

I also hear that there are some relationships that have been of great concern to you, particularly to you Alma. And that you have been in intercession about calling forth the potential. You see the full potential in other people where some people don't. They see the problem, they see the failures, they see the lethargy. And they really discount the person. But you see the destiny and you stand for it, and that is why you are called a woman of faith.

Bill

For surely says the Lord, son have I called you to a new realm of authority in the Spirit. And I am calling you to a new place in Me. For surely My prophetic mantel is upon you and even I have given you a discerning and a knowing by My Spirit. And even as I have given you an authority in the midst of the congregation, the Lord says that that authority is getting ready to increase. Because I am getting ready to move with revival and the presence of My Spirit is going to blow through the land.

And the Lord says, that I am preparing the man and I am preparing the church and I am preparing the timing. For the Lord says this timing and this season of My release is neigh unto even the door, even for every church throughout this land, throughout this nation. For the Lord says that I am hearing the prayers of My people. And I am hearing the cry that is coming forth from the body even in this hour. And the Lord says My power is going to match their cry. And I am going to cause a new release that is going to come forth out of the midst of thee. For the Lord says, there is going to be a teaching, a preaching that is going to come prophetically as well. And there is going to come a new realm of the impartation and the laying on of hands.

The Lord says, I'm going to cause those around about you to come to a greater effectiveness quickly, even without the training and the equipping that you feel that needs to happen. The Lord says, it is going to come by impartation. And there is going to be some supernatural miracles. For the Lord says, that even your thinking is according to My word, and I have guided you by My Spirit. But now there is a new realm, a new portion. And the Lord says, the old is going to pass away, and there is

going to be the breaking of the old wineskin that I might establish the new patterns, and the new path.

For the Lord says, even where there has been a concern in the midst of you to stay up with the process, and how to hear the full, and how to be on time. The Lord says, I've given you an internal time clock, even as the sons of Issachar, that you might know the seasons and the times of the broodings of My Spirit. And the Lord says, even where you would feel that you are falling short, and that there is a limitation. The Lord says, don't you know, as I look in the midst of it, and as I do my divine work within the midst of your heart, the Lord says, I am pleased and the Lord wants you to know that you are on time and that you are on schedule.

And even some of the attacks and the critics that has come recently is not of Me, says the Lord. There has been an external pressure that has come by the body and some voices from without. And there has been like an internal analysis that has begun to happen. And the Lord says, I will reveal sin, I will deal with issues, I will deal with the things that need to be changed. But you continue to do the things that I have called you to do. For the Lord says, there is a trap even during this season, for the enemy would like to take you down the wrong road, and down a place where your inadequacies would prevail, rather than the gifting's and the abilities, and the faith work.

For the Lord says, I have established you by faith. The Lord says, that I have called you to go out there, and I have called you to step out and do some mighty things for Me. And you have even done these for Me up to this point. But the Lord says, it is not over with. There is going to come new realms of stepping out in faith and walking in obedience to My purpose. And the Lord says, that surely, I have made you a man of wisdom in the midst of revelation. And the Lord says, I have given you ability to balance it out.

For the Lord says, there is going to be some new thrusting forth by My Spirit. It is going to cause you to step out there in some areas. For the Lord says, surely there is going to be a release from the body unto the nations. For the Lord says, that there will be a training center. There is going to be some training of college, and some deepening in the word. For the Lord says, there is going to be some practical training in ministry and the laying on of hands, and the Lord says this is part of the vision. But there is a bigger vision, for I am causing the workers to be prepared in this hour, says the Lord. For the fields are white unto the harvest, and even the people are crying unto you for help. And the Lord says, who am I going to look to unless I look to My church. For surely in this hour I am looking unto your church as a reaping center for that locale around about you.

For the Lord says, I am getting ready to cause judgment to come forth against evil. And the Lord says, for surely, I'm going to lift even the lid, and I'm going to cause the covers to be pulled back. For surely, I went to the church first, and I judged the church. Now I'm getting ready to judge the world. And there is going to come a cup of iniquity that is being filled to its top and I'm going to now cause a spirit of revival of my anointing to

come. For the Lord says, these things have been spoken and don't think it is just going to happen sometime, some day. For the Lord says, for it is a suddenly coming soon. And the Lord says, prepare yourself, prepare, prepare, prepare, in your hearts for the mighty things I'm getting ready to do in the midst of you. For the Lord says, you think you have had a big vision, you felt like you had planned big. And sometimes you felt you have stretched the purse strings, and you stretched the people and you stretched your own self. For the Lord says, you have not stretched like you are going to stretch. For the Lord says, it is a new stretch that is upon you. For oh son don't look to the inadequacies or your abilities. And don't judge yourself according to the limitations of the things around about you. But even receive a new realm of impartation to enter in, says the Lord. For this is the day and the hour that I'm getting ready to visit you with My power. For even as you have prepared as a young man for some of the things that is getting ready to happen in this hour. The Lord says, for surely you thought that I tarried or forgot, but it is coming and you shall see the sign in the next couple of weeks, says the Lord.

Now daughter, I'm getting ready to flow a teaching through you. I'm getting ready to flow an anointing through you. The Lord says, that you have been studying the word, you have been writing it down in a notebook. You have been preparing teachings. And you've not known quite how they were all going to come together, or how you were going to share them in the midst of the body. But the Lord says, I'm getting ready to raise up the women of God. The Lord says, that in this hour they are coming to a new realm of authority. For surely says the Lord, an apostolic and prophetic mantle is setting upon the women of God. For the Lord says, surely, they have been My intercessors, and My handmaids, and they have been the ones who carried the burden. And the Lord says, now surely that those who have carried the burden and have walked with the plow, will run with the horses. For the Lord says, a blessing and a release of spiritual authority is coming upon the women in this hour, and I'm going to cause you to be one that is going to trumpet it and speak it. For the Lord says, even a prophetic mantle have I placed upon thee.

And even as you have been one who has been faithful to speak here and there. You have felt like you could not speak and speak openly. But the Lord says, I'm getting ready to bring a boldness to you. And I'm going to cause you to speak it the way that you see it and feel it. And the Lord says, it is getting ready to divide and it's getting ready to pluck up, it's getting ready to tear down and build foundations. And cause the thrusting of life, says God. For surely don't you know that I am the God who heals thee. And even where I have brought you out of the pit, says the Lord. Now you are going to bring the women out of the pit, out of the cave and out of bondage. For the Lord says, they are going to shake themselves from the religious bondage of the suffrage says the Lord.

For the Lord says, there has been a thing that has come at the hand of men and the passivity of men that is getting ready to shake in the midst of the women. For the Lord

says they have not been willing to be passive or to stay under, now it is time for them to come to their full authority, says the Lord. For surely, they will not come to a wrong authority, nor will they usurp over the man. But they are going to come to the place that I have called them. They are going to come to the place that I have purposed for them. They are going to come to the foundation I destined for them. And the Lord says, they will surely go forth even as the ones who will travel. And they will speak the prophetic word of the Lord. And they will be the ones who will declare the heavenlies even to the spiritual realms of darkness, and win the cities. For the Lord says, for the men and the women are going to join together in team ministry. As this work begins to balance out, the women have got to come up, and the men are going to come up, and I am going to join them together as a team for the divine purpose of My kingdom.

Now get ready daughter, I'm getting ready to flow through you this revelation truth and the release of My Spirit. And the Lord says, as I get ready to bring this thing forth and open up the door, the Lord says, don't back, don't back off, you are going to want to back away, you are going to want to step back just a little bit. But the Lord says, it is a price that you can pay. It is a thing that you can do. For there will be even a women's rally, a gathering in the midst of the city that will come from your hand says the Lord. For the Lord says that I have placed you in the midst of this locale that I might bring forth the anointing of My Spirit.

And the Lord says, you both have looked and have tallied up some issues and you have said, look here are our strengths and our weaknesses, and we can do this and we can do that. And the Spirit of the Lord says, take that piece of paper and burn it. Because I'm getting ready to transform the two of you. The Lord says, like even where you thought that there were some physical limitations that would hold you back in some areas. The Lord says, I'm even going to bring that release in your physical body. And there is going to be a new diet and other issues are going to come.

But the Lord says, you are My couple. I've called you, I've seen your heart since a young age, says the Lord. Even your parents gave you unto Me and your parents said that you are mine. We are going to give them to you to use, these children, these ones for the purpose of Your kingdom. And the Lord said, I wrote that thing down and it became a wink in My eye. And the Lord said, even as that thing was decided many years ago, now you are going to see the release. And that release of direction. And the Lord says, that even where there has come a little bit of doubt and unbelief and a covering over the head, and a little bit of heaviness that tried to pull you back and pull you down. The Lord says, you will no longer be pulled down, you will no longer be put under, you will no longer be put in a position of un comfortableness. The Lord says, I'm getting ready to bring that favor out of Deut. 28, for surely you will not be the tail, but you will be the head.

And the Lord says, I'm going to cause the release of favor even in this hour in the midst of government, in the midst of locals within the schools. I'm going to cause even a new favor in the understanding of the minds of counselors. For the Lord says, that even the

secular counseling are going to rub their heads and be confused because I'm going to cause healing to come through My body in a measure and a manner that is going to confound the wise, says God. For it is My healing flow and My healing river, the divine impartation of My anointing. For the Lord says, did I not visit this nation many years ago with revival and an anointing of My Spirit. And I am coming now with a new measure and a new portion. For surely, I have come as the refiner's fire and the fuller's soap, and I'm even causing a cleansing within the midst of the body.

Now they are going to press in and now they are going to go in that holy realm before Me. And the Lord says, being ushered in this hour are miracles and signs and wonders as you have never seen them before. And this is My couple that is going to participate with this. And the Lord says, you have heard these things. You have prayed them in the Spirit, you have labored for them. But now it's the season to reach up and grab them. Because the Lord says, these matters in the Spirit realm are hovering over you, grab up and pull them down. Grab up and bring them in; cause that which is bound in heaven to be bound on earth. For the Lord says, surely My kingdom shall reign, and I will become the Lord Christ over all kingdoms. And I will usher in My kingdom through this couple even as you join together with a new vow and a new commitment before Me that you will follow Me and walk according to my obedience and direction. For the Lord says, surely in this hour, this is the hour of destiny and fulfillment that I have even spoken over your lives for years past, says the Lord.

## PROPHETIC WORD TO CALVARY CHRISTIAN CENTER 6/30/96 BY JACK PALMER

For surely, I speak to you as My children, for indeed I have called you unto purity and unity. I have bought you with the precious blood of My Son. So, I say unto you My children, My bride, My inheritance, array yourselves in purity. Cleanse yourselves with the washing of the Word. Array yourselves in the fine linen of My righteousness.

I say unto you, wash each other's feet in humility that I may be exalted in your life and your service so that many will be drawn to Me, says the Lord.

For I am calling you forth to bring unity to My church in this place, in this city, in this area. So, I call you forth as an instrument of unity, as an instrument of love, so obey Me with your life says the Lord. I call you forth to lay down your life for Me says God.

So, My church, I call you to reject your attitude of independence and hear Me, for I am calling you into Me, even as the Father and I are one, so I desire you oh church of Hammond to be one. I say again to you lay down all pride and walk in humility. For I have placed My name and My authority upon you, that you may do great works. Look about you, I say look about you and see that the fields are white unto harvest but the laborers are few. I call you to be My laborers, My witnesses, so get up from your comfort zone, for I am thrusting you out into the fields to bring in a mighty harvest. Spread My mighty net over your whole area, for I have given you a large area to draw from, so draw them in, says the Lord. Cast out into the deep - use My power - use My plan to accomplish My purpose, says the Lord. For you are My. For you are My workmanship created unto good works. So, I say unto you, lay down the lesser things and do the greater works. For I have strategically placed you, and I have planted you where the world would say, this is a mistake.

But I say unto you, if I could bring revival to a church at the end of a runway of an International Airport in Toronto. If I can plant an oasis in a brown field in a rundown declining neighborhood in Pensacola, then I can do the same and more to you. Oh, My church in the midst of Hammond.

For I say do My works and see what I am going to do in your midst. I say hunger and thirst for Me, hunger and thirst for Me, hunger and thirst for Me, says the Lord. For I have more for you. I have chosen you to be my greater works church. The world will say can any good thing come from this place, but I say to you, you will be a sweet-smelling fragrance to Me. You will be My salt and light. You will be My church in the midst of Hammond. So I call you to stretch forth, go forth, rise up and walk, I say rise up and run to the battle.

Raise up My standard, for many have been wounded, many have fallen and have been left for dead. But you are to go out and carry them in, you are to go forth and lead them in, you are to go forth and bring them in. For I have given you this city, and its surroundings. For I have ordained that you are My healing station. I have anointed you

and equipped you, and I have empowered you. Now I say to you this is a new day. I'm opening up the windows of heaven to you. So, ask! ask! ask!

I say stop looking back, for the past is dead - this is a new time, I'm pulling down and I'm raising up. Quit trying to resurrect what is past, what is dead. For I have called you to have a singleness of eye. Hear the vision, follow the vision of the house. Hear the heart of My servant that I have placed as My shepherd in this place. For I have planted deep into him My vision and My plan for this place, says the Lord.

**PROPHETIC WORD TO JACK AND ALMA PALMER BY BOB JONES AT THE  
BIRMINGHAM PROPHETIC CONFERENCE 11/10/96**

Already the oil is flowing on both of you, let it come. Just let the angels come around you. (don't let them go down) Because I want you to get all of it. For you are going to need it. Because outreach is coming. Good! Good!

Now Lord let these angels come to these two to begin to push back those things that is keeping faith from coming into their area. Push back the spiritual darkness there. We loose these angels of God to go and push back the darkness of the area, especially North and Northwest. There it comes again, bring on the new light and a new day in Jesus name. Good! Good! Boy there they come, Hallelujah! Good!

Let these angels come and begin to set up with this brother the Veterans Hospital. Let his church be a Veteran's hospital, so that the old veterans can come and be healed. Let them have the technology to get the lead of the enemy out of them. So that they can be restored again, renewed, re-tooled, and redirected. Especially through our sister here. It's like our brother will re-tool them and you will redirect them. So, let this begin, the Veteran's Hospital of God throughout their land, and let it be noised abroad in that 500-mile radius. That you can come to this place and be healed, and be re-tooled and be re-motivated and directed back to Him in Jesus name. Good! Good!

Bob Jones had spoken these additional things to Alma and I at various times during the conference: 1) That God was giving us an area of increased anointing of ministry in a 500 mile radius of our church. 2) That we were to be a spiritual Bread Store for our anointed area (500 mile radius) (a bread store is a place that God is setting up to supply reading, listening and viewing materials to the area) He said that it is important that we be generous in giving out the bread.

## PROPHETIC WORD TO J. PALMER BY MARY DAUNIS 11/10/97

As the Lord continues to knit the body together and as the body is becoming fully attached to the head (Christ our Lord), the Lord is revealing Calvary's position in the body in this little corner of the world. Because of Pastor's obedience and true love, I believe the Lord has shown me that Calvary's position in the body is the heart (the lifeblood of the rest of the body). Not to be puffed up.... much responsibility.... As pastor told us Sunday, the Lord is in the process of making us holy.... cleaning house. He is going to pump the lifeblood from this church to the farthestmost extremities of the rest of the body in this area and surrounding areas to help bring life to all parts of the body. He is going to use pastor greatly in this area. We must become holy.... this will be a very painful process as the Lord deals with us, but grace will be there and He will expedite the process.

The Lord, I believe, keeps showing me a whole-body unity service. Revival will fall! Big, big. Perhaps in the SLU University Center or on a football field. All the pastors are seated in front rows and an outside speaker or prophet speaking before the service itself over the pastors. Revelation will come from God. The pastors are to think of themselves as CEO's if you will, of the body of Christ. (corporate meetings and etc. - strategic planning for the area. Need for strong PR campaign to market corporate gathering to show the community our unity for Christ----

They will know we are Christians because of our love and concern for one another. The Lord will inhabit the praises of the people (whole body corporate worship), His glory will fall on the surrounding areas. The Lord has shown me that He is soon to release the power of Almighty God from the Head (Christ) to the body (Church). The resurrection power of Christ and the church will take the fullness of Christ and all that that implies. Satan is subject to Jesus.... He is soon to be subject to the church! Praise God. The church victorious is about to emerge and it will be equipped with everything needed for winning souls to Christ. Glory to God!

**TEAM WORD TO THE CHURCH**

Chris

I sense that this church has gone through a real time of plowing and planting. There is a plant that is coming forth. You are coming into a season of reaping. The fruit that will be coming forth you have been seeing a little bit of that already. It is like the early season picking. You have taken off those vines. There is coming a time when you will get the full measure of that harvest to come into your house. In another area God is going to line up your church with other churches in this area, even beyond this area. I saw a rope, many strands of string that come together. Each strand by itself doesn't have the strength by itself to bear much weight, but when those strands come together and that pull comes on it, all those strands tied together can bear the weight and the burden of the vision. The vision for this area and this city is going to take a team work. It is going to require more than this house and others houses in the area. It will be a linking and a tying together and a coming together of different giftings. There is a real strength and unity towards God's vision for this area.

What I see for this church is a greater outreach into the city and the surrounding towns. Reach first for the lost, and then to teach and equip them who come in so they can teach and reach the lost ones so that we can literally reach the world. You will reach the world of the lost so that they will find life and find it more abundantly. Some churches do not think that is a great commission anymore but God has put you in the middle so you can reach out in all directions. I see you reaching out to the young people in such a way that you will shake the foundations of hell sending the evil forces on the run and when even the forces think they can rest and come back and harass, they will find that there is no place for them to return because you have trained and sent people to fill the gap. I feel that you are just on the very verge of a breakthrough so do not even slow down for there are many to cover and there are so few to carry on the work of the harvest. Don't look at the gift look at the giver for He is setting in place the five- fold ministry in this place even today. So, preach, teach and prophesy so that all that can hear and they will take heed of what God has for you today.

God has many ways for you to do things. You are on the verge of a new breakthrough in the Spirit. You are going places in the Spirit. Reaching out to the people. Reaching out to the places as an influence. We are now going to show the world that Calvary Christian Center exists. We are getting paper work ready to be used in teaching new

issues of life. You have fulfilled your first phase of bringing people into the church. Now for the next phase of business, let's get down to the principles and escalate the obvious. Let's start the new program with a bang. We have come a long way in many avenues but let's put the meat to the grind. Let's begin to start at the level of        and worship. Restore the part that I play in selecting my place for the job. Let's not beat around the bush. Let's play it straight forward. I want my people in place. We can now begin to get the picture that I have for this church from My Spirit. We can succeed in Me. I can trust you in areas that I cannot trust anyone else to perform a task that I have laid out for you. Begin to know in Me a new way in relating to each other in the Spirit that I have placed in the right place to perform at this level now let us work together to perform the ultimate detail of surviving in the new way of doing things in the Spirit realm. Be at peace. This will occur if you will seek my face. Honestly be prepared for the new in me. My love is always with you and walks in you. This I am well pleased with.

Steve Schultz - How many here are for the new things? How many are here God to do a new thing? He is a God of the old, but He is God of the new also. Doing new things, new things.

God will say that you are the apple of My eye. I am well pleased with you. You are on the forefront. You are moving into the areas where I want you to be moved into. You are the body of Christ and members in particular. I see a oneness in spirit. You are going in one direction. One direction, one goal set for this church and the leadership is set in place. And those of you in the congregation that know that you are called to lead in your little circle of influence, be sure that you stay behind that leadership because we are going to go a long way. We are going forward in God, in Christ.

Steve Schultz - Stay behind the leadership. Keep with the vision.

A real strong call and anointing for evangelism upon this church. He will give you new creative ways to reach the unsaved and I felt this really strong through your music. Also, the Lord is saying open your hearts, open your arms even wider than you have had them open before. Whoever walks in your door, God wants to accept it. Whenever a person comes in this door, they are to be accepted here. The Word is that the harvest is coming.

When I walked into this church and by the time I got to the front I realized that His is a place of quality and excellence in ministry. That you have heart for the ministry of God. I feel that God says that this is a nurturing church. That you are going to embrace young ones that He can trust in your care. I noticed when you had the baptismal

service this morning, how enthusiastic the people are. How much they were cheering them on. The family that was baptized together. Such a blessing to see that the Lord says that you will become strong in the Lord and in His power and might. I sense a real spirit of love and encouragement here. I believe that this church is an example of good soil that God can plant in, that new life can spring forth.

25 years ago, the church that we went to, a lot of people rose up and said that there are a lot of hypocrites there. We always had the philosophy that the church was not a showcase, it was a hospital where people come to get better. Yesterday Steve spoke out and he said when we were ministering to the young people, he said to give something forward. What kept coming to me was I see the church as a delivery room which will bring forth the five-fold ministry. In other words, evangelism has to be first. You have to bring the people in, get the people saved and it has to be birthed. You shall bring forth a seed. Many people will come in from the five-fold ministry, in helps, just everything that is in the church. After that they are brought forth, these people will be nurtured and you will bring them into the commissioning. In other words, I see all these youth over here. I see fertile ground. I see a field. Those kids are on fire. What they need is that they need all the elders, the older ones to father them in, bring them in and nurture them and bring them up. This church will do that.

## YOUTH PROPHECY

2/2/98

Steve Shultz

Tonight, Lord I pray for this youth group. Lord I pray that Lord you would cement them together for your purpose Lord that over the next few years Lord those that are hearing this in this group Lord are going to walk together as a cohesive unit bound together by a spirit of love.

Lord there's revival in this city for youth and Lord they're going to hook themselves not only to this youth group but Lord there's an interweaving of youth groups within this 100-mile radius that you're going to bring in. And Lord they're going to develop friendships and relationships with other youth groups and other youth leaders that Lord even at a young age they're going to have a perspective that the church is not just down the street but the church is universal.

And Lord they are that generation who you're giving a challenge and a charge that there is much more ahead. And God there is a unity that is going to be developed even at a young age so that they can tie together and be a part of that apostolic church. Lord what I describe tonight, they're going to be functioning in it, they're going to be flowing in it, they're going to be growing in it. And so, Lord tonight we pray for this group oh God open their mouths to preach, pray and prophesy at a young age. We activate the gifts, the talents, the abilities, the anointing resident in each one of them. Lord supernatural manifestations. They don't have to become 50 years old to do miracles but Lord let them provoke the old ones to jealousy. Lord let them be willing to step out to do the impossible. Lord if you can work with the young apostles at 17 and 18 and 20 years old, truly Lord you can work with them at this age.

Lord you're doing a quick work of grace within this team. Lord knit them together, release the miracles and Lord let them start stepping out of the boat and start walking on the water.

One of the things that God's anointed this youth group to do is signs and wonders and miracles. My brother and sister for the youth group you are working with, you keep training them to signs and wonders and miracles. They're to pray for each other, they're to lay hands on each other and teach them how to speak faith over each other. And every place you get, you get them around some youth groups, they're going to be doubters. They will be believers, (speaking of our group) and when it comes time for prayer, this group is going to be addicted to the ministry that they're going to look like raving dogs when they come into the midst of youth. They're going to say to you "man what is that group over there in Hammond, they just want to prophesy, preach and pray. All they want to do is heal, deliver, cleanse and the Lord said he's putting within this group a hunger, a hunger for the miraculous."

How many of you here want some of it? Come on, how many want some of it? Lord right now we release it upon this group. Lord a hunger for the miraculous that will flow all the way to the back Lord. Every single one of them Lord in Jesus mighty name. Amen.

**A WORD TO CALVARY CHRISTIAN CENTER - MARY DOUNIS - 9/13/98**

Pastor Palmer, the last couple of months the Lord has been telling me that we the corporate body cannot impart to others what we ourselves don't possess. We will only impart to others in direct proportion to the measure of 'maturity' or 'fullness' of Christ that we possess. As sons of God, we must in authority and power 'take-on' the fullness of Christ that is already ours (both individually and corporately) in order to do the complete will of God. He keeps telling me that the road to maturity is found in dwelling in Him. No longer is Sunday service, Monday service and Wednesday service sufficient to prepare us for the future. We must dwell in the Spirit (our eating, drinking, talking, decision making, worshiping, praying, etc.) in every area.

This is the time for the church in power and authority to put on the new nature of righteousness and holiness. If we are truly 'dwelling' we will have on the full armor of God, thus the grace to overcome and to stand. Again, if we dwell; our fullness or maturity in Christ will be directly proportional to our dwelling time with and in the Lord.

God has never before so loudly called the church to maturity, and He is expanding the process. This fullness, maturity has already been given to us by Christ. The duality of man (Eph 2:14) the flesh and the spirit war was destroyed by Christ on the cross. A new man was created now lead by the Spirit in power and authority. The war that ensues between flesh and spirit has already been put to death on the cross. We the church must learn to walk in this and quit listening to what the devil says we are.

We are sons of God and in sonship. We are predestined to be holy and blameless as is Christ (Eph1:4). We the church have complete power and authority (Eph 1:9). The church is the fullness of Him who fills everything in every way.

## **Prophetic Word**

**by Bro. Bob Jones**

**Calvary Christian Center**

**Hammond, Louisiana**

**Monday, November 16, 1998**

Bro. Jones: A new thing I do among you. And an old thing I bring to an end. An end and a beginning shall it be. For the work that I have been doing in thee...for My church, you see, has grown cold towards Me. And I have been brining My fire close to thee so that I might warm you for my purpose in these last days. So, get ready to see my fire glory in a brand-new way. For your old barrenness is going to leave and fruitfulness shall be. For I'm calling your lives back to My cross, and that you'd put your eyes on Me and take them off of personalities. For I'm the one that saved you, you see. I'm your source. I'm the one who truly loves thee. And I call each and every one of you, that you come now close to Me. For My fire has been burning on thee, and it will get hotter, you see. But it'll not hurt thee, if you give your sins up, and let Me totally burn them away, so you can dwell in My presence, and in My joy, both night and day. For dark times are on the way, you see. But you're My light; you're My fire. You're those that I'm raising up in these last days, to set hearts ablaze for Me. For when you draw close to Me, I'm that living light, that living fire that'll warm even the hardest heart and set them free. And this work I've begun in thee, three-part it is you see.

The house of prayer, must be. So, you must be consistent in prayer, continually. In your daily walk, in your daily work, put your heart before Me. Put your eyes upon Me, for I'm raising up brothers and sisters around thee, to where you'll again begin to see My work in each one of thee. I'm calling you higher; come higher! Come higher so that I might show you what will be, so that you'll be prepared for no matter what was gonna come in these last days. For I've been preparing Myself in thee, so that others might find a freedom and a liberty. For I am calling you to come free of bondage, and the bondwoman's son you will not be. For I've called you to a freedom and a liberty, for your mother was My wife, you see - a free woman. And I will have each and every one of you free in Me. Set free from your bondage, and your worldly entanglement, so I can do awesome things through thee. For I say, in these last forty years, men continually speak My word, but no power you see. Now I want to give power so that My word will be in power in thee. Power to change things even as I have changed thee. So yes, I've called thee to be in My house of prayer.

But also, I've called thee to continually bring your troubles to My cross and leave them there, so that you may not be troubled in these last days with this bondage hanging on

thee. Sickness, sin and poverty you can nail to My cross and I'll keep you free. And you'll not see My word come to nothing in these last days. For, have I not said over and over, I was once young but now I'm old, and you'll never see the righteous forsaken or your children or grandchildren begging bread, when you stay righteous before Me. So believe My word, for you will shortly begin to see in power, in a new way. So yes, through prayer must it first be. For you see, prayer is total dependence on Me; not able to handle things in any way. But only can stay free in Me, as you continually seek Me in My authority which will continually keep you free. And keep you in My eyes continually.

And a third thing I do among you. These other two, you see, is the preparation of the main thing I want to do among thee. I want to turn this entire area around, so that it will be a great place for youth to come and be free. Even as I've been working in your own youth, for My main purpose you see, will be the children of promise in these last days. And I have promised the world that they would see. For I did promise they would see My Son, and that He would bring a great liberty. But now I say I want you to begin to see My sons and My daughters, in your children is who they be. And I shall call them close to Me. And I will say unto them, do not become polluted in the sins, and the trials, and the testing's, and the bondage of your parents. But continually stay free, so that your minds may be pure before Me. For it is a pure mind I speak to, you see.

In this body I do say this day, these three things I do among you...and you'll find My presence there. So, do not become in bondage anymore. If any seeks to bind you in some way, both spiritually, mentally, physically, come to My cross and the power of God is there to set them free. Bring those who are troubled...spiritually. My cross has the power to set them free. Bring those who are sick and troubled physically. My cross is still working that a way too.

Get ready to see My miracle working power in a new way. For I say, your barrenness and your old ways are passing away. And I call you to a new way--a new intimacy with Me. So much so that you'll not even want to go through a day unless first you've had your conversation with Me. So, I'm going to begin to work on your conversation in a brand new way to where every place you go, it's Christ that they will hear you see. I'm going to begin to work on the expression you do in your conversation, and the presentation you presented, to where it will be in power and in authority. Not in timidity or be ashamed to speak loudly of Me. In supermarkets and restaurants, boldness shall come upon thee. And some you thought wouldn't hear will hear, and will secretly seek thee out to find out what is in thee that they need so much to set them free.

So, I do say I call this church to liberty; liberty to do things My way, not religious ways which has failed. But My way; and My word will I give thee and My directions. So, I'm going to say unto thee, don't look to please man what I'm going to do with youth. And don't look to please it His way. For I'm going to give you new directions. And I'm going to begin to cross-pollinate youth all over this area down here, to where they will begin to get acquainted with one another. And I'll begin to motivate and direct them to bring forth a new light. So that My salvation may be revealed in a new way. For I've called you to

be part of My awesome salvation army that shall move in these last days. To where I will bring thousands of youth to Me in one day. For I'm going to set a fire that will drive the enemy away, and reveal the light of a new day. And the fire I'm going to start is going to be in your hearts to burn up every carnal thing that does hinder thee and keep you from that intimacy that I came for and created you for, for these very last days.

Bro. Palmer: This is a word for the Church of Hammond.

Bro Jones: That's right. They'll probably be a lot more in there than what you just heard. Write it down. Write it down and play it back. Do it Lord.

Uh, in your homes and in your prayers, what I was getting tonight, start inviting the Holy Spirit to come in and direct your prayer life. Start inviting Him in your house each day, the first thing. Invite Him to come in and have His way. Each day, not only in here but in your lives. And see Him begin to move among your family, and in you in an awesome way. When you invite Him in, as long as He is welcome, He'll stay. And all His angels will be there to drive the darkness and the witchcraft away.

Bro Keith Davis...but while he (Bro. Bob) was sharing though, one scripture came to mind that speaks to some of what we have been sharing all weekend, and that is...in Isaiah, it says: 'Watchman, watchman, what of the night?' And the prophet said: 'The morning cometh, but the night also.' (Isaiah 21:11-12). And that's really the keynote word for this season we are in right now. The morning is coming for me, but the night also, and this is not a time to be in the world. This is a time to embrace the cross. As we've done this weekend, this is a time to embrace the Lord's work. This is a time to embrace the Lord; and not be outside of His mercy and grace. And not from under His umbrella of protection, because it is going to be dark out there...

Bro Bob Jones....The morning is coming for the Church; it's a new day. It's a brand-new thing. But night is coming for the world. And a morning and a light...will shine in the darkness in a greater way than you've ever seen before. One of the main priorities He was literally speaking to me this morning, where I didn't have the slightest idea what He wanted me to share tonight. But I saw a vision; and I was told some things. I was told that the giving in this church had come up before the Lord. And it was pleasant to His nostrils...like a, like a love offering; like an incense offering that had come to His nostrils. And because of that, He was loosing some things to this church. And one of the things He showed me is...I'm going to give them wisdom and understanding; how to touch youth. And I'm going to use the youth in a new way. A lot of the things I'm going to use the youth for, it wouldn't be in the church building. I'm going to begin to cross-pollinate the youth and I'm going to bring the youth into their own place. And I want you to be guardians of it. And I'm going to cross-pollinate youth all over these areas. And on a Saturday night, He showed me that what youth were doing. In an exciting Saturday night, they're just driving around in a circle in this town, because there wasn't anything else to do. And they (would say): 'when I grow up, uh...I'm going to go someplace where something is happening.'

There's going to be something happening here. Because your heart has been a heart of strong giving. You didn't have to be pressured to do it. You did it and your heart was right. And many of you in several ways have been giving up that which has been holding you back. That of the bondwoman's son. Bondage. Bondage to the past. A bondage to sin. A bondage in your mind. You're getting ready to get a freedom like you've never had before, in that...a freedom to serve. And He was saying, tell them. Challenge them; if they will seek Me, I'll give them a ministry so that they can prepare a place for youth. It'll be anointed where they will go out like a flame. For this church will be a part of a thing that He's going to do. It's called the Lord's Woodstock. And you'll see as many as a quarter of a million-youth getting saved in a short time. The reason it's not happening now, you ain't got enough churches to support it. And by supporting it, I mean, you haven't got enough churches that would take them in.

You may not understand this one. But there is a man I know, that went to a town in the mid-west and the power of God fell on him recently. And he led two hundred...I mean, two thousand youth to the Lord. And then he began to...uh, uh...he was a YWAM man; they don't have any churches. He began to ask the churches, which one can we come into. He couldn't find anyone that wanted them. For the first thing, youth don't have any money. And so...this is why He has chosen you, because your heart is a heart to support things like that. And to join with other churches that will support things like that.

Bro. Keith Davis: I want to clarify one thing. When Bob says, 'this church', he's talking about Calvary Christian Center and the Church of Hammond that's joined together for this purpose. It is these purposes that are important to the Lord. And I know, even today, we...we've met...and there are others with the same...the same heart, to do those things that are so pleasing to the Lord. So, though we are here speaking here, it has application to the Church of Hammond, and to everyone that will join themselves shoulder to shoulder for those common purposes.

Bro. Bob Jones: Well, I'm speaking more than Hammond. I'm speaking this whole area. I'm speaking a hundred and fifty miles in every direction.

And so, you see, for youth to go there and minister...I mean, you're going to have youth leaving here to go and have their services other places. And that's what you're preparing youth to go and have the entire service. Ah...I see them already in different places where they're working on it. There are skits and everything. And by the way, some of their preaching is some of the best I've heard.

One thing He is showing me today: seek Me and you'll find Me. And you'll find the revelation which will give you the wisdom and understanding that you seek. For it's a different time than it has been before. And things are coming down...I think He has been holding back some of the judgment because we haven't been ready. But you're coming to that place of being ready.

Now, when Keith and I came to this town, we were looking for two people. And every place that I had been...last night, I knew what I was to bring - the message of the cross.

But in all the other...this is the fifth time I've ministered it. I ministered it in Washington, uh...in Tacoma, Washington. And I saw many people in many different types of healings and things like that. I ministered several times before that. And once I get a revelation on a thing like that, I will not take the same revelation again.

So, when I went to...Mobile recently with Keith and I, we didn't know what to do. And so, David White was up there and they were getting ready for me to come and speak and I didn't have a message. And I just told David, 'we gotta wait. Let's be silent before the Lord; for the Lord to give me a message.' And the Lord told me: "you can't speak until a woman speaks. There's a woman who's got a prophecy. And you can't do anything until she comes and brings the prophecy." She came and brought the prophecy. She was sitting on the front seat. And that prophecy was the message of the cross. And I couldn't preach it because He's already told me not to use yesterday's rhema.

Well the message of the cross is not yesterday's rhema. It's a message for the Body of Christ right now. And when she prophesied my message, she gave me permission to use that every place I go. So, you gonna be hearing this message from me coming from different sources. It is time that the rest of you begin to preach the cross again. When you do, you begin to prepare the Body for the power of God to come again. Well, only reason...uh...and the rest of this; the end of that message was people trusted, all kinds of healings and things like that -- and that's what was happening last night. The last part of that was the anointing; anointing people for service. Literally it's the bracelet in the Song of Solomon 8:6. The bracelet means "commission for service".

Well, there were two men that Keith and I been looking for since we got here, and the other one finally showed up at lunch today. So, Jack (Bro. Jack Palmer), if you and this other brother (Bro. Rodney Taylor) will come. I want to lay hands on you, and I want to give you a scripture. For one was like the heart, and the other was like the diamond. And so, I waited tonight to get the confirmation on what scripture to get. It was up there on the wall over and over.

Word to Bro. Palmer:

And so, first scripture will be in Mark 12:30. "Then you shall love the Lord your God, and out of you with your whole heart, and out of you with all your soul, your life, and out of you with all your mind, your faculties of thought, and your moral understanding; and out of it with all your strength. This is the first and principle commandment."

And this is the rhema for you. Now this is the heart we're talking about. All of it is really the soul.

There it comes. You'll feel that balm come. Good! Good! Good! Let that father's heart be revealed here. And let that father's heart begin to touch out to where others will know one that can understand. For that father's heart is a heart of understanding. Let understanding come into this as we now seal this...this heart, this soul, this mind and

this strength. Good! Good! Good! There comes that incense off of you. Can you smell that incense going up? Good! Now I can smell a perfume here. Good! Hallelujah! Hallelujah! And let now there be a total freedom in the spirit man here to come forth and reveal that father's heart in an apostolic order, in Jesus name. Good. Feel the wind on it. Good! Good! Good! Good! Good! Good! And let out of this soul come the words and the understanding to bring holiness unto the Lord over this young generation. It would reveal the cross and that holiness unto the Lord.

Now here it comes on that one strong.

Exodus 28:36 "That this would be that which would be before their eyes."

Let the heart of the father come forth, in Jesus name. Good! Let it come forth through these hands, and let these hands be used...for it's like the hands in the Body of Christ have been frozen. For the last few years they have been like frozen; afraid to touch one another. And those that had bondage on them didn't want to touch one another. Here it comes; here it comes on you. And that's on your hand. Good! The lift is coming to begin to thaw out people, and thaw out these hands and begin to anoint other hands to touch the babies that are beginning to come into the Body of Christ; so there won't be any more of these babies leaving, but feeling the love of God come again. Ooh there's that snapping fire, there is that fire. Thank you, Lord. Good! Good!

Word to Bro. Taylor:

Malachi 3:16, 17 18 You are like the diamond, and that diamond is a cutting edge. And the diamond revealed has that manifested purpose of God in it. It shines Jesus every way which way it turns.

And... uh..

"Then those who fear the Lord spake often one to another: and the Lord listened and heard it, and a book of remembrance..."

In both of you there is a book of remembrance that has been opened about what you've done and what you give. I mean, your giving has pleased the Lord.

"And this book of remembrance is opened. It was written before him of those who reverently and worshipfully feared the Lord, who thought on his name. And they shall be mine, saith the Lord of hosts, and in that day when I publicly recognize and openly declare them to be my jewels..."

And so you are one of his jewels. But your purpose is to gather his jewels in. And they are the little ones. They are those uncut stones that are gonna become the great jewels of His crown. And your job is to bring them in. My special possession, My peculiar treasure...that's what He's trusting you with.

"And I will spare them as a man spares his own son who serves him..."

These are those who have that mark of holiness on their lives. They will not die in what's about to come on the world. They will live.

"Then shall you return and discern between the righteous and the wicked, between him who serves God and him who does not serve him."

So, I anoint this father. Good! Give him that wisdom and that understanding to where he can motivate and direct this younger generation into the purposes of God. Good! Good! To where that he can begin to reveal that holiness unto the Lord. And to where these two can begin to anoint others, laying their hands and imparting, in Jesus name. And let the angels of the Lord be around about this man to push back the darkness to where he can bring the light of God in, to reveal God's truth and God's love to a generation that hasn't known either one of them. Good! Oooh! Good!

For let this man whose only ambition in God was to be a servant. Bless his heart, that's all he has ever thought: 'I just want to be your servant, Lord.' And so, let him have the jewels, even as Abraham's servant Eleazar did. He had the jewels. Let him go and be one that gathers those jewels that brings forth that bride for His master's son, in Jesus name.

Praise rising like smoke

Where there is smoke there is fire

The fire is here

The fire is here, Guard it

Kindle it carefully

People will see the smoke

And find the fire

The words will come forth

As firebrands tonight!

**Word from Sherry Henderson and Meradeth Williams. February 3rd, 1999.**

Read Galatians 4:8–31

There is a happening, an explosion of the Holy Spirit about to take place that is going to raise you to a higher level.

You have been ministering to several men (6-7). Ministering to their spiritual needs. During this time there has been some turmoil or dissension taking place around them. One or two of them ready to step out. You will know who they are and the timing.

In personal life:

There has been and is some real healing taking place. It is about complete in one area... in a son or daughter. They are about to turn the corner, and it's going to be good. This has been a concern of yours and your wife.

You have been asking yourself and God questions lately. This is in the family area. You're going to be assured that you are correct. Things have really been interesting for your wife. She has been in a hard place for a long time. She's about to come out of it. Tell her not to worry or fret about the past. They or this is lies from the enemy. We saw her heart. Saw a little bird pecking at her heart to make it bleed and keep it from healing. You (he) will give understanding.

We see great church growth. Seeing you move on, adding on with new Ministries. You have gone up a step-in maturity.

Your finances are going to be blessed.

I saw a beam of Light ... (how far are you from New Orleans) ...saw a beam of light going from your church over to that area. It was really a bright and strong beam of light.

What you are doing is right on! People are really growing up.

I see a lot of joy and fun coming your way it is really going to be good, Especially for your wife.

God wants you to know when you feel you are yourself, he raises up people to interact with you. (Our intercession group {Sherry, Meredith & Katie} pray for you each week)

Your wife needs to hear that you are going to have a time of rest, not inactivity, your wife is carrying a lot and the Lord says she does not have to carry it anymore. Galatians 4 is a personal thing for you. God wants you to know that you haven't made any mistakes in Ministry Direction.

The Lord shows us that the place in your heart is sore, it is bruised; not bleeding like your wife's, but bruised, and God is healing that. You have gone extra miles, not a mile, but hundreds of miles for the Lord's work. You are going to start seeing the Harvest.

You've got more faith, more than two weeks ago. The next area you go to preach remits is really going to blow your socks off.

I saw a door open ... like to city government. I see the pouring out of favor to you from the city. Lord protects his wife and gives her peace of mind and heart. Nothing physically wrong with her. She is just fine!

## **Calvary Christian Center prophetic word January 17th, 2000 given by Richard Berget**

I've heard comments " how can you prophecy to 300 people and not say one negative comment, or one thing like you really blew it, or you got to knock this stuff out." They don't understand the purpose of New Testament prophecy. Amen. There are times when the spirit of the Lord will chasten us or admonish us, do you know what? What parent, what Earthly parent would correct their child in public, you shouldn't, Amen. I mean is it correct to whip your child and begin to wear the backside of them out in front of the entire church? No. You see, if a parent wouldn't do that, or shouldn't do that, how much less would your Heavenly Father not do that? You see, God sees the potential that he has placed in every one of our lives. So, when a Prophetic Ministry stands before you and begins to foretell, if you will, they are prophesying what will be, or can be if you just cooperate with the Holy Ghost. God prophesies the things that he sees you accomplishing for his glory. You know what, another criticism - what are you prophesying 30 or 40 years away? Because God is timeless and Jesus Christ may come back in a few years, but not until we finish the job of world evangelism. Can you say Amen?

Young people this is for you, don't get in a hurry, saying " I got to get married because Jesus could come back this year", I don't think he's coming back this year. How can you say that brother? Because we have not finished the job, gospel has not been preached to every tribe and tongue and Nation. Does everyone see that? Stop letting the devil tell you that the end is coming now. It's not because we have a job to do, amen? Turning to your neighbor and say," we're not finished yet"! Jesus said he's not coming back until this task is accomplished. Good news you probably have time to grow up and get married.

Amen, and have seven children like Debbie and I. (some marriage plans just stopped right there). Let me encourage you tonight, God sees the potential of all that you can accomplish for his glory. How many are glad that we serve a God that looks past our faults? Amen. You can bet that when Jesus commissioned his disciples, that was bad enough, as far as the Angels were concerned, they were watching us and some of them, if they could have, have had heart failure." Jesus are you sure you know what you are doing? You're turning the commission over to human flesh?" and then when he was caught up in the clouds and sent the Holy Spirit, I'm sure the Angels were really scratching their heads. Not only has he turned it over to men, - but, he left! And he sent back the Holy Spirit, but Jesus is back up sitting next to the Father now. Is that awesome or what, that God would trust you and I with such a tremendous task of sharing with mankind the message of Salvation that angels could not reveal. Amen. What an awesome, awesome privilege and fearsome responsibility.

Would the older folks be upset if I prophesy to young people tonight? I'm sensing that direction. The key to receiving everything God has got is to give him everything you've got. Worship Him, don't hold back. When you clap, clap with all your might. When you shout, shout with all your might, and dance with all your might, and when you sing, sing with all your might. Amen. In the Old Testament the priest could not sweat, they were not allowed to sweat. I am so grateful that I live in the New Testament. I had sweat roll down my back and my legs, more than once, so I've had to go home and change my undergarments, but I have determined that I ain't going to let no Rock cry out louder than I do. Amen. Turn to your neighbor and say "ain't going to let no Rock take my place."

### Worship Time

I'm not blaming circumstances, I'm not blaming the economy, I'm not even blaming my health, or people. Tonight, I Repent of unbelief. I Repent of not fully trusting, and taking through and being anxious and allowing the enemies thoughts to take root in my mind. Holy Spirit I Repent tonight. Let the blood of Jesus wash me, cleanse me. I receive your forgiveness father. Forgive me for doubting you. Touch me now. Satan in Jesus name you have no place in me, no power over me through the blood of Jesus, and the authority of his name, I will not give you place. You will not have access to my mouth. Holy Spirit help me to guard my mind, to watch over my heart, for out of it flows the issues of life. Tonight, help me Holy Spirit to hide your word in my heart that I might not sin in unbelief before the Lord. (Lift your hands and receive your deliverance.)

### Worship continues

God showed me during the worship time - God says he gives men the power or the authority to take wealth (women too). When God does that it's for a specific purpose. Not so we can spend it on ourselves, He doesn't mind us enjoying the fruit of our labor. When God brings in big income, he always has a Kingdom project in mind. One of the projects that is near and dear to his heart, (not that others are not), but God will test us many times to see if we are ready for the bigger project later. For the apostolic sending base that he has ordained this place to be. You're going to be sending ministers, and ministry all over the world.

I see you guys, to Pastor, as part of network of churches that combines their resources and strength, and their giftings together to literally touch Nations for the glory of God. I'm talking enough finances to come in to send an elite team that will actually have enough not only to buy a building or a church somewhere in foreign field, but people who will go and actually as missionaries fully funded, no financial worries or pressures and overnight it seems, churches of 2,3,4,5, and 10 thousand, and 50 thousand people within a matter of days will grow and birth out of that. You see we are believing for

Revival that the knowledge and the glory of God will cover the Earth like the waters cover the sea, but you know we've got to have a structure as it were to hold and process to harvest. That means a lot of money to purchase buildings, you get them at Oregon basement prices, but finances will be necessary for plane fare and all these things to send these teams and the support necessary. Can you say Amen?

So, the people who have the anointing to believe in the gift of God, it is a gift, to see these things and to say, "Lord here I am, Lord use me", that has to be in place, and that is in place, but I'm just telling you, business people that are actively in business now and those of you that will be, because God's eyes are running to and fro throughout the earth. He's looking for more people that He can raise up an entrust with large and vast amounts of wealth, Amen, to channel it through, I know that's a new age term but they stole it from us. God wants you to be like a holy pipeline, that's the first thing, the second thing is that the people that are to receive these, I'm talking primarily to the young people, you have been ordained of the Lord to kind of lead the charge in a lot of these areas. Most young people are thinking what kind of a summer job or jobs do I have to work this summer to get money for my mission's trip. And there is nothing wrong with that. That has been a trial of fire for a young person to see if they're really, really mean business, and if they are really committed. It's one thing for someone to write the check and give you a plane ticket, it's easy, sometimes, can you say Amen, sometimes we can look at that and not really appreciate that sacrificing how easy that came. I'm telling you that we are coming to a time in history as a church where you're going to have such an abundance, such a proliferation of finances flowing in that it's not going to be well, we'd like to send you, but we don't have the money, it's going to be, we've got plenty of money, we just need more people to go. Does that sound good? And then God will take care of that problem too. He'll send more people to go. I hear the same. I know Pastor Palmer that you and your wife loves this and live by this. Don't be afraid to send your very best. Because, you sow your best, God will send the best back to you, many many times multiplied over.

So, young people, if God provides the way for you, will you go? Are you ready to go? I believe that, Jesus believes that too. Because, let me just whet your appetite for what I just saw in the spirit. I saw young people from this church going into Mission fields, foreign Fields, summer trips for like 2 weeks, or whatever, I saw cripples walking, I saw blind eyes being opened, and I saw even the dead being raised. God will do that. He's looking for someone to say okay Lord, here I am.

I am prophesying this as a church to you tonight. Of course, never, even fall into the Trap of taking for granted these awesome Mighty miracles. Never take these things for granted. But I'm telling you - cripples being healed, amputated limbs growing out, blind eyes being opened and the dead being raised will be testimonies here that you will hear one after the other. It's not that we should ever get tired of it. Amen I'm telling you that it will become common for groups of young people to stand here on this platform shaking and trembling with the power of God's glory and spirit to say, "I was holding a dead

baby and it came to life." then you have a church of 5000 - 10000, 20000 people and they are saying "we need a pastor ". And you people are going to be turning out 5 - fold ministry that will be equipped, ready, disciplined, full of the Holy Ghost and Fire, and ready to go. Let me tell you this - it's important that we have things, but it's important that things don't have us. Can you say Amen? God cannot use everyone and it's not that he is a respecter of persons, but why does this tend to draw more toward the young people? Well, because they don't have a lot of things yet. They don't have a whole lot of things that they have to put in storage. (They have it all under their beds or something, or in your garage, or you'd like them to put it in storage). You understand that God tends to draw or look to the young people because, hey, two weeks, one month, or the whole summer on the mission field, no problem. Those of us with homes, families, cars, business Etc. It's logically a nightmare for some of us. God understands that. He's not saying okay we're disqualified. You can make a choice. You can choose.

God told me years ago, he said, " Son if you want to be on the cutting edge of what I'm doing on the Earth today, travel light!" travel light, Amen.

It doesn't mean you have to sell your house and live in a trailer, I'm not saying that. I'm saying we need to have, we need to position ourselves where the spirit of the Lord can move over a congregation and not only can we say Here I Am Lord send me, but we have our passport. Can you say Amen? We have enough money in the bank to keep our bills paid while we are out of town for a while. Does everyone see that? We are positioned not only spiritually, but practically.

I talk with people all the time who say Bro. Richard I have a burden for the nations. But when I say do you have a passport? And they don't, I say then you don't have as much of a burden as you think. You see? Unless God supernaturally translates you, and He's going to be doing that in the days to come, but until that starts happening, and it will, you're not going to get into these nations without a visa and a passport. Can you say Amen? And unless he translates you, you're going to need a plane ticket.

Ministry time for those who are in business or want to be in business.

Prayer, and laying on of hands.

The word says that God wants you to have an abundance, for every good work.

Do not Overlook what God wants to do through the Youth of your church. I am so impressed with the young people here.

I see the hands of God over you guys, I see you going into villages taking Nations for the glory of Jesus.

Personal prophecies to the young people.

Parents don't release a word - curse over your children.

Don't protect your children from God's plan. Even if it cost them their lives.

Let me pray a blessing over you tonight. The Lord is well pleased, lay the foundation well. And the Lord says he's getting ready to build the (predominant)? \_\_\_\_\_

There are some things that are happening, supernatural growth. some supernatural influx and increase of people. Hear the word of the Lord, the Lord says " get ready to receive a lot of young people, a lot of teenagers, a lot of college-age students, a lot of career young couples. It doesn't mean that God isn't going to send the middle-aged and elderly don't worry, he will. But primarily, I see a Revival and group here of young people. And listen, a lot of it is going to be inspired and generated by young people. Encourage them, love them, accept them, let them be prayed for, be healed, and watch what God will do. This thing will turn into a mighty dynamo of Revival fire that will sweep this entire Northshore. God says he'll send them for as far away as 1, 2, 300 miles. Because excited young people pass the word. And it is going to be noticed abroad, that there is a place, where young people are being touched by the spirit of God, and this is such a place. I have chosen this place to bring restoration to young lives because I see you faithful as a father's heart watching over and caring for that which I \_\_\_\_\_ (?) I'm getting ready to move. And I have prepared you for such a time as this says the Lord.

And it will be noised aboard. It will be National media attention at times, you'll be able to handle it. God says Get Ready. Get ready and prepare for that which I plan to do will reverberate throughout the Gulf South. Your eye will see it and your heart will be enlarged with it and I will feel your joy says the Lord in my faithfulness. I am about to arrest the attention of an entire generation. And you're going to be one of the churches which will lead the way says the Lord to his people. Amen.

God bless

### **Word from Bob Jones February 21st, 2000**

I received a word from the Lord on February 19th, 2000. In that word he said to call Bob Jones, that he would have something for me. I had difficulty getting Bob's new phone number. I was finally able to speak with Bob today.

First, he reminded me that he had spoken of I-55 in the 2000 Shepherd's Rod. He mentioned that St Louis was midway of the I-55 route. That he had spoken of a white and black quarterback. He said that I was a white quarterback and we were winning.

Bob said that we were at the South entrance of I-55. He then told me to read Jos 1:3 every place that the sole of your foot will tread upon I have given you. He then told me to change sole to soul. –[where my soul walks will be ours!]

Then he said to read Jos 1:8 This book of the law shall not depart from your mouth, but you shall meditate in it day and night, that you may [observe to do according to all that is written in it.] For then you will make your way prosperous, and then you will have good success. [Bob said good success - godly wisdom and prudence] Then Bob directed me to Pro. 14:8 the wisdom of the [prudent] is to understand the way. But the folly of fools is deceit. [prudent - practical and wise in relationship with others]

He said that the Lord was sending us to Gilgal. [A place of repentance] Gilgal was the first place the children of Israel stopped at after crossing the Jordan. For the Jews it was the place of circumcision; in response God promised that he would roll away the reproach of Egypt. So, for us it is a place of circumcision of all the heart [repentance] that the reproach of sin would be rolled away.

He then said that we are in a time of testing and sifting so that what cannot be shaken will be revealed. This year is a preparation for grace. He said that we needed to prepare for grace. Then I was reminded that we have designated this year as [the year of the WORD.]

In the Shepherd's Rod Bob said: There will be an Awakening in I-55 characterized by the Lord's Divine favor. Along this highway divine favor will be released providing the insight and the understanding to build " the Highway to Heaven."

I-55 will have a shaking and a visitation of favor. One of the most important issues with the Lord this year is discernment. It is imperative we cultivate the spiritual understanding of Gods ways enabling us to discern His voice in the various issues of life. We must also be able to discern justice and righteousness in our relationships with our fellowmen, especially as peacemakers in resolving disputes and conflicts among others.

## **Word to J. E. Palmer March 4th, 2000**

In a session of prayer at 11:00 today I feel the Lord gave me the following word.

Consider my people, my son; see the confusion, see the immaturity, see the lack of unity, see the fragile emotions. Speak my truth, speak it in love - but speak it. (Jer. 3:15 and I will give you Shepherds according to my heart, who will feed you with knowledge and understanding). My word is truth. It is imperative that they hear my word. Listen to the raging, even by those who say they are mine. Listen to the [me, mine, my] syndrome, even in those who seem mature. My people are not ready for the move that I want to send. Remember I have said in my word, wolves would come in the sheep's clothing. Expose the wolves in love. They will flee.

Let the community leaders know my concerns - I say push back the darkness. Fear not men nor what men can do. For I Am with You. I will direct you into the ways you are to go. Seek me! Seek me! Seek me! For I will reveal the plans and strategies of the enemy - they will be confused because you will know their plans and motives.

Look at the motives - look at the motives. You will see the entrapping of sex, alcohol, gambling, and drugs - these are but the surface issues - cut the roots - greed - control - poverty. I have told you before and now I tell you again, these are the routes that must be cut out. This will require Rev. 12:11 to be applied. Tell my people this - overcome by the blood of the Lamb - this will require words of testimony but with matching life standards. They did not love their lives to the death.

Son of man you are on track - do not let men cause you to change. I am building the foundation that the winds and the storms of doubt, fear and intimidation will not be able to move. These are Satan's Chief weapons. You must remember that it is my blood - my word - my love - my plan - my purpose - hear me, I say hear me, I say hear me.

For have I not promised the visitation of the city, to this area. I do not want to visit, I want a habitation. For I'm building my house of living stones. Allow me to build - allow me to build- allow me to select the stones. You will know them by my love, not by dress, color, creed, education or ecclesiastical persuasions; but by my love. I will use those who have become small enough to be to be sifted through the sifter. For when you have come through the sifter, try to identify individuals! For we will be prepared to become bread, for the hungry. Do you remember that you are the bread store? Do not let the shelves grow empty. The hungry will come because of the fragrance of the bread.

Also remember I am sending the manifestation - do not seek them, but seek me for I am sending them as tokens of my presence.

**Word to Calvary Christian Center by Sherry Henderson October 6th, 2000 10:30 a.m.**

The Lord showed her what was going to happen this weekend and added information about the glory that was coming into the church. God has a word for the leadership, this Glory can come into the body because the leadership is ready for the glory. They are waiting for a larger measure of the glory than has yet been experienced. It will be greater than Can Be Imagined and it will be deeper Glory.

It will begin happening at this time but continue deeper into the next two months. But a powerful thing will be coming into the church. There's a whole Measure of Faith a whole measure of wanting to serve. The church already has a servant's heart but that will increase and Explode with greater service. People will not think that they will be able to handle more of the glory but they will. The Lord will continue moving upon the hearts of the people. The word reveal will not be able to Encompass what will happen in Hammond. There will be evolution of fire with love power and exuberance. People will be flocking to this place.

This will also be happening with the young people. The kids seem to be on the sidelines they want to come forth, but something is holding them back, but that will be broken. And the mighty movement will be upon the youth spreading East West and North, and South. They have not only caught the fire but they will be going to take the fire. It will be big.

Leadership - they're going to walk to it they're going to talk to it they will dance. We will see changes before our eyes. There is one Elder I don't know his name who has been on the sidelines out in the left field but God will really move him. He will not be swept off his field by the power and the fire.

Whether one Speck of gold ever Falls, God is moving in the spirit and we will experience a phenomenal thing.

The Lord is looking at our hearts but he is also looking at the excitement as we are exciting the miraculous Glory. But more than the manifestations we are looking for him. There appears to be a good balance in the expectation.

She said I saw brother Palmer jumping and he was jumping higher and higher.

## **Prophetic word to Jack and the Alma Palmer**

### **Cornerstone Church in Jackson Mississippi June 2001**

I see Jack climbing a mountain high in the Rockies. You have done well getting to where you are on the mountain, but you've gone pretty much as far as you can on this particular ascent if you have been climbing alone. It's not that you couldn't get anyone to climb with you, it's that you didn't trust them on this journey. Trust is an issue that you must deal with. Conquering the heights involves trust in God's people to be there for you when you can no longer go in your strength.

I have been praying throughout the day for the names we would get tonight and as I was praying I saw the name TREE. I then saw a tall tree that was very Lush and strong. Tonight, I got your name and expected to see TREE somewhere in your name but didn't. Then it dawned on me the PALM. I was reading Daniel for 10-12 and Daniel describes a dream to Nebuchadnezzar of a tall tree. I feel like you are the TREE trying to give life to everyone and shelter to all the problems. I feel like the Lord wants to cut down the tree as you know it and rebuild in you a new thing. He wants there to be an oasis at your home not for the body but for your life. You have shared your best with others but now the Lord wants you to pour into your wife carving out time for her first.

The Lord has tilled the ground of Calvary Christian Center and the soil has been made ready. Some seed was planted that seemed early but it was done in order to bring forth first fruits. Now's the Time for another season of planting to spring up. Be vigilant and watch for it will come forth quickly. There will be Runners on the plants soon and they will have to be trained to Go the right way. Get ready for an explosion of the spirit in your youth. Train them in the right way and there will be no departure.

## **Word to Calvary Christian Center July 23rd, 2001 Richard Berget**

Father, according to their prayer, according to the cry, the request, Lord I am asking that you restored that edge, restore that edge. Oh God, I remember the times when I would lay in my bed and I couldn't sleep. I would have to get up and kneel or lie on the floor and just weep and cry. God, we used to cry at the altar call when just one would come up we would wait. It didn't matter how long it took. It didn't matter how long Pastor would appeal. We would cry and intercede. I tell you I would remember times when I've gone to Pensacola and brother Steve Hill would begin the altar call and intercessors would begin to cry and to groan and people would run to the altars. They would run. People were not talking and hanging out, fellowshiping with each other. Listen there is a place and a time for that. Can you say Amen? God has given us foyers, he has given you other buildings, he has given you a Fellowship Hall, he has given you a parking lot, but the Lord says to his people this night.

If you will return to reverencing my house and the holy things that occur within this building, then you will see the Harvest. You will see the souls saved. You will see my mighty, delivering power, but you have allowed far less important things to distract you. I am calling you. I am calling you back to a soberness and I will respond. You will see it. You will enjoy the fruit of it and I will attract people that you don't even invite here. They're just going to come because this is a holy place. I have sanctified it and consecrated it unto myself and I say unto you that's so great will be the power of my presence and Glory that even people driving by on the streets nearby will come under the convincing power of the Holy Spirit. I am telling you that people will come to this place from hundreds of miles away. I will put a word in their ear and they will come because they will know if you want to find Jesus as Lord this is the place that will take the time to pray with you and to love you in the Kingdom. You shall be known as such a place and this night says the Lord I am increasing the anointing and the spirit of travail upon you, travail upon you.

I want you to just pray right now. Again, just exercise it. Come on, we have - God has put this thing into the church. Lord, we cry out to you tonight. Lord, we lift up the name of Jesus. Come on intercessors, every one of us is called to intercede. Oh Lord God, oh Lord God, oh Lord when the intercessors and prayer warriors begin to cry out in this place a shiver will run through those who need to repent. Father, that they are going to fall out in the pews as it was in the days of old, Lord. Walking in the foyer, oh Lord, people are going to just fall out. Some of you will have to be carried out of their cars, Lord. The name of Jesus.

The Lord says that I have proven you and tested you with a measure and I'm calling you to a greater diligence, to a greater stewardship of the measure that I have given from the greatest to the least and I want to give you more. I want to give you more, says the Lord. You have cried out for more, you wondered, Lord that is holding up the next measure, next wave and I say unto you that some have grieved my spirit and have not revered the measure that I have given them but I am here this night. I have heard you cry and I have come down to respond says the Lord. I'm willing to raise this place up not because that you have cried out for recognition but because you have cried out for my presence. I intend says the Lord to make a name for myself in this place. Church will be known nationally and internationally and if what I do in this place will tingle the ears of tens of thousands I am able to do it, I'm willing to do it, but I want you to take serious things of my house.

Listen God is even concerned about her punctuality. Brother, you say you are putting us under the law. No, I believe this is a part of God's heart. You know if we showed up for our jobs the way we show up at the church, we would be fired. How can we not give less to the Lord? Please understand this is not the letter of the law but it deals with reverence and respect. The Lord's heart is broken tonight because there are people, more already heading out before God is finished. You know the Old Testament times if you walked out of the presence of a king you would die. Thank God, we are under grace, but see we have abused Grace.

The Lord says you want this revival that I have shown you and I have prophesied to you about, the Lord says count the cost. Count the cost. The order of the house, pastor's heart has Cried Out. Hallelujah. The order of the house. Glory to God. Glory to God. The moving and the troubling of the waters cannot be. Who jumps in first? It needs to be like the men that took the cripple man, who tore up a roof and let him down on a stretcher. Not, God I need, God I want, but Lord tonight, this morning touch that one who is most desperate in need. Prefer others that are the key, prefer others, prefer others.

**Word to Pastor Jack Palmer and Alma Palmer July 23rd, 2001 Richard Berget**

You know the scripture says that we have many teachers but not Fathers. I want to honor the esteem pastor and his wife tonight. This is a father and a mother heart. I don't remember all the prophetic words that I have ministered to you guys through the years but I do recall some of that thing that God is setting you in as an Apostolic father and of course, I see it again tonight. Many Ministries coming forth being birthed out of your heart being birthed out of your spirit locally, domestically, nationally, and internationally. I see you guys as a part of a network. I don't know a lot about what is going on except by the Holy Spirit I believe. I see a network that you guys are a part of that is going to just pour. God is bringing networks together with the networks. He's doing it knitting a net that is going to catch the Harvest and bring it in. God is not willing that any should perish but all come to repentance.

## Prophetic word given by: Reverend Joe Medina March 11th, 2002

Word for all

(Brother Medina began to speak in tongues:)

For thus sayeth the Lord God unto my people called in Hammond, Louisiana- behold my hands is upon you - to set you on high and not for you to be beneath. Therefore, begin to think differently. Begin to think - my God shall supply all my needs according to his riches in Glory. I have said unto you - all - your needs. Therefore, bring them to me: The needs that you have for your family, for your little ones, for your mates, for your spouses, for the friends that you have, for the problems that you know about. Bring them on to me. For my hand will rest upon you. And I will deliver and I will set you free. And it shall be said of those Saints who will hearken unto my voice, and believe and receive me - that even though A thousand shall fall at thy side and ten thousand at thy right hand, it did not come on to me. For I will make you people separate people even from the people even around about you. Even in the same place will I make a difference between my people and the people of the world. If you will believe me and receive me and know that I am God afar off, but I am also a God very near and dear unto you - if you shall receive me, say it the spirit of Grace. (Brother Medina began to speak in tongues again:) and there are some of you that are still walking the wrong way. It's not the right way. But, I'm coming to move upon your life to change the direction of your life. And it shall be the testimony of many of you - that you will say-' I was walking this way and suddenly I got turned.' that is my angel going before you - sayeth the Spirit of Grace, to turn you out of the wrong way and to lead you into the right way. And by this, I will preserve many lives sayeth the Lord. (brother Medina began to speak in tongues again:) and I have some people sitting here tonight who are 16 years old and you are living in fear and I say unto you. I'm coming to move your fear out of your life. For you are afraid of what the future will hold. I say unto you - I have plans that you know not of and you do not need to be afraid. Therefore, I cry out on to those who are 16 - 16 years and Afraid. For behold my Spirit is moving in the midst of this people - to deliver them from Fear. And I will begin even with the Young Generation, the Young Ones shall hear it and be glad. For receive it - sayeth the Lord, for I have been sent tonight to tell you - be not afraid, but believe.

Hallelujah - thank you Father. (brother Medina began to speak in tongues again:) from time to time I do choose to blanket my congregations with my prophetic words - sayeth the Lord. That all might be touched, that all might go home filled with joy, hope and inspiration. And this is that night, this is that time, if you will allow my spirit to penetrate into the recesses of your heart where it has been hidden - where things have been hidden away - those hurts that you have been hurt with. Open them up unto me and let me penetrate the recesses of your heart, and of your mind. For truly I came to heal the

broken-hearted, and I came to make right that which was torn. (brother Medina began to speak in tongues again:) and to the business people who are here and those who are suffering financially, I say unto you. I heard your cry. I see the need. AM not I are God that can also meet that need? Behold - stop living in your worry. And stop living in your and anxiety - sayeth the spirit of Grace. Would you begin to turn your heart toward me and you will see the Abundant provision and the Abundant Supply? For it is my plan and my purpose to turn that situation around and to bring favor to your life so that favor is shown to you in increasing matters and increasing ways. - sayeth the spirit of Grace. (brother Medina began to speak in tongues again:) and to those of you who are called to walk as Ministers of my gospels - it's time to let your light rise and shine. For behold I am with you. And I will surely meet your need. - sayeth the Lord. And I will tear down the darkness that has surrounded you. And those things that have kept you from being everything that you knew you were supposed to be. And I remove the darkness sayeth the Lord. And you will walk in the pure light. Let your light shine and know that the plan I have for your life is not going backwards, it's going forward. - sayeth the Spirit of Grace regardless of what you think or what you see.

Hallelujah - thank you Father. Thank you, Father.

(Brother Medina began to speak in tongues again:) This night- sayeth the Lord - I am making importations into your life. Those that are at unrest - those that are troubled, I am imparting peace tonight. Peace into and beyond your mind - beyond your mind beyond your understanding but into your heart. That the heart might be eliminated with peace. (brother Medina began to speak in tongues again:) and there are other impartations tonight. I am imparting the need that you have - if you will receive it. But you must receive it by faith sayeth the spirit of Grace. For there is a blanket - a cloud upon you this night and it will not lift if you will not come out from under it. You will walk in that piece, that safety, that protection that your heart desires. For I am God who is more than enough. I am Jehovah \_\_\_\_\_. Jehovah \_\_\_\_\_ I shall be unto you. - sayeth the Lord.

**Prophetic word to Pastor Mike Bush August 5th, 2003 by Jack Palmer**

I feel the Lord gave me this during the praise time Monday evening.

Son of man stand on your feet and look what I have placed in your hands. Is it not a marvelous thing? For I have placed you in this place for a time like this. You are a man who listens, prays and then makes decisions. I am fine tuning you with the words of my prophets and with the apostolic word. Dig in for there are many diamonds in your field. All are not sparkling in the Sun, but I have given to you tools to polish them, that they might Shine forth for me.

Now I'm about to rearrange what is good to make it best. For I have heard your cry in the night hours, crying for help. I say unto you my plans will not be accomplished within this place with the good, for I'm bringing the best.

Do not look out but look Within, for I am changing what you cannot change. God how can I change this? I'm raising you to a new level of both knowledge and wisdom. Much will come from the mouth of my Prophets. For I have raised up those who have put their hands to the plow and have not looked back. This is a clue where to look. So hear me as I redirect and rearrange. This must be accomplished before you can obtain the best. Out of pain will come much gain!

**Prophetic word to Pastor Mike Bush and Calvary Christian Center October 3rd, 2003 by Jack Palmer**

My children, my church, dare to trust me, for I am taking you on a journey where you have not walked before. For I am changing the way you think. I'm bringing you into a faith walk. A walk where you will have to hear me in order to find the way.

For I am doing a new thing in an old way that I ordained when I gave the gift of five men to the church. Men changed my order but I am restoring - restoring - restoring!

For you have seen and heard the prophecies, and you are blessed because you received my prophets. But now, I say now! I'm sending the apostles and the prophets to restore my ways. For I will have my full ministry in the church, in this house.

You have walked in what you could see. Now you will walk a faith walk. For many of the road marks you have used in the past to measure distance, direction, and success will no longer be. For I am charting the course. Only those who will hear my Apostles and Prophets will know the way. Hear you them! For only those Apostles and Prophets who understand that I am joining them at the hip will truly See Clearly.

For there will be many voices seeking your heart but I say I'm going to have unity in my church.

I have been commissioning my Apostles for a Time, now I'm bringing them forth as humble, faithful undying servants. So prepare - prepare - prepare!

**Prophetic word to Pastor Mike Bush October 18th, 2003 by Jack Palmer**

Hear you my people! I have established a place to stand, listen and follow for I will do a thing that will amaze. Yes amaze! For I have called this place mine and none other can have it. You must stand and fight the good fight and I will give you the land. Yes, I will give you the land.

Look not at the wisdom of men, nor the thoughts of men, for have I not established this house. There are many good places and spacious places. I have carved out a place to expand. And I will expand your boundaries to the south and to the north. For with me nothing is impossible and you will even see Eastward expansion. But remember I will do it and I will do it on my timetable. So, occupy- occupy - cry to me for I have said this is mine, says the Lord of host.

## **Prophetic word to Calvary Christian Center November 16th, 2003 by Jack Palmer**

To my church, my beloved I say unto you this day, I have given to you a new look, a new leader. Rally around him for I have chosen him. I have called him, I have placed him, follow him as he follows me.

For I am the Lord God, and I change not. However, I am changing you, changing you, building you. For in these days you will experience much change as I lead you from glory to glory.

Do not listen to the voice of the world saying, "go here or come here." but rather hear you my voice. For I call you out of fear, out of compliancy, and from the worldly ways. For I have not smiled upon this place, this house? Have I not lead you through many obstacles? Trust me!

So, rise up Church, rise in purity, rise in faith, rise in obedience, rise in Repentance, for my plan is good. For my call for this house is true, take off the blinders from your eyes. For I have placed division, I have given the marching orders. Remember it is I that have sent the prophets, the teachers, the pastors, the evangelist to Aid in equipping you. And surely, I am sending the apostles, hear you them!

For I have called you with the steadfast love, and I will provide. Have I not been faithful in all of my ways? Have I not supplied your needs, have I not given you buildings and lands? Have I not established you here? I say it is I who established you here. I will send in many to fill this house. I will fill it multiple times. Utilize what you do have. For I say utilize what you have. For I say I seek people, call them in, bring them in, get your eyes upon me and my plan. For my plan always works, make this House a place of gatherings, for I am sending in the people. Call them in on multiple days! Utilize - utilize - utilize.

I have raised up numbers in this house who are mine, they have prepared and now are ready. They have a heart for me and this house. Do not lose them! Do not abuse them! Do not sluff them off! I have placed them here for this time. I say utilize them and see the blessings that come forth. Invest in these people for they will bring great dividends in My Kingdom. For I say again this is my house and I will supply the provision at my good pleasure. Invest in those who will bring great dividends.

Remember - remember - remember - but now I caution you - remember my works as demarcation marks not as monuments. For I am the God of now. Get hooked up now! Get busy now! Trust now! Walk-in honesty, walk in integrity - for I am the Lord your God who changes not, but I am changing you. So, wake up, so look up, so show up, so stand up and see what I am about to do! So again, I say invest in my economy.

### **Staff Meeting**

God gave us grace to heed the call. We must continue to trust him. We cannot move like the Galatians. Start out in the spirit and if we are not careful we see that we have to maintain it by works.

The whole transition is....it feels good there. The transition I really have been amazed about the whole transition. Most of the time it doesn't work. It is really amazing. I tell you. It is going to be some kind of a lesson for the body of Christ about this. Honest. Most of the time when there is a transition. There is a big spittin fight and its' them and us or us and them. The old way and the new way. But. Have you noticed – this has been unusually smooth. You see, we've watched it closer than you think. You understand that. And I tell you that is a pretty amazing thing, because I think God is going to teach us how to merge ideas together and come out better instead of bitter. And there's our girl...Those little children. That's why we've got to take a strong stand. The Lord has been really dealing with me about inheritance and legacy. We've got to lead for them a better America that we have. It's possible. God intends for us to go from glory to glory. Not from Glory to glory ....

Study the book of Jude and Obadiah.

Every one of is called of God.... For such a time as this. It is time to shake yourself and say, "I'm going find out why God gave me life." Esther 4:5...

We have to finish well.... I've got a calling and search out that calling.

Mercy, peace, and love be multiplied to you... When you're adding is not as fast as when your multiplying. Do you know that? James...

He has chosen us. Matthew 13:16. I saw the Lord sitting at a desk and he turned a page. Go tell my people that I'm on a brand-new page and be thankful that I didn't

close the book. We have to get away of this survival mentality. The devil ought to be more afraid of us than we are him. We are a stronger and bolder. That happens when we find out who we are and who Christ is in us.

Say, I'm chosen. I'm chosen. You're in this place for a purpose. You're not here by happenstance or accident. .... You are chosen of God. You to be You at this time. .... The most satisfied people I've ever met and heard are those who have connected with their purpose. Say. I'm here.... Kairos moments is when your life intersects the purpose of God and you go "I'm here because this is where God wants me." Act 2:1 When they were all in one accord and in one, in that geographical connective place God had told them to get. Luke 24:49...

Tarry in Jerusalem. They got in the right place .... God ignited the church. It'd that neat. Oh, you're not big but your bad!

God's jealous for this place. I'm talking about this place, this place on this river. He is jealous for it. That's pretty neat. I'm telling you. You have to work to keep it up. You know. He is jealous for it. And I tell you what you guys were going to have to drive in some stakes and say this is mine. Put some geographical stakes

down. Do you believe that God will move if you do that?

... story ... Ireland story. "in the name of Jesus Christ, I claim this land...."

We are going to need to drive some stakes down. Go to the markers of your city and speak blessings on your city. You can turn the whole countenance of your city with blessing instead of saying >>>> What you pronounce with your mouth is what you get with your life. Um Um Start speaking blessings over your city. Start speaking well over your city and watch it start changing. Go to the city limits signs, ya'll have markers don't you, go there with oil... get oil and pray over it at the church and go there and pour it out, and start making declarations over your city that heaven can affirm. Do you believe you can do that? You can make declarations on earth that line up with heaven's decreed and angelic forces come and enforce what you just said.

Somebody stationed angels on this property. Did you know that? I'm telling you. They are down here off the turn off of the road. Angels have been stationed there. You'll be

surprised... (story about ) What took you so long? They have been waiting for someone to activate that land again... it ain't that wild...

.. and they are here. So, ask heaven to start so believe in your heart so that you can start declaring on earth what heaven's purpose is for a geographical region and then the angelic host in heaven will help you perform it... It that neat....

After we prayed for Heath... He said so, He's jealous for this place, He wants the church to get ready for growth and action and uh, do you believe God can bring explosive growth? That's why I wrote a book about "The only way to explain what is about to happen is explosive growth." You 've got to prepare for it. And uh. So, I want us to get a little bit more prepared than the rest. Find someone to mentor. Every one of you. I believe we wait too long to entrust people with some authority. And with authority comes accountability. Remember that kid...I saw him washing windows.

...Faith takes you in. Unbelief keeps you out.  
Unbelief sees giants. Faith sees God.  
Unbelief says we cannot do it. Faith says let us go up at once and possess it.  
Faith brings money. Money does not bring faith....

Samuel said, "You will need several million dollars for this project. That's 6 figures, but God can add another 0, another 0. He is mighty!..."

God can bless Brother Mike. You will have difficulties. You will have times that you feel depressed. There will be times that you might be thinking, 'Are we doing the right thing?' Never give up. Look to the One who gave you that faith, who led you to buy the land. And I see the building already built. I see it. I can't say I see myself here preaching in it. I don't know how old I am going to be. I am 75 in 2 months time.

I am going to anoint the land with oil. I am going to ask God to do miracle after miracle. And let it be a great Bethel, House of the Lord. Beth – El, Elohim, where people can find their way to heaven, in the name of the Lord.

Let this church be anointed, full of unction, full of the gifts of the Holy Ghost, full of the fruit of the Spirit. Bring hundreds and thousands of people, not only from Hammond, from everywhere to worship in this wonderful sanctuary. Supply every need oh God, every dollar in abundance with surprises everyday for this great building.

### Sharneal Wolverton:

I know that in the natural that you guys are building not only physically but spiritually with this whole property that you have brought and sometimes that can be like a heavy weight. Because of the responsibility not only all the decision making, the construction, everything, there is so much - I don't even know because I have not had to do it but I can imagine the weight of that and of course the financial weight. I got this really clear this morning, Were you there when we talked about the widow and the oil that had been released and multiplied: I felt that the Lord was saying – it says in 2 Kings 4 – it talks about the widow and of course you are not a widow. I talked about Elijah came and they took the jar of oil and it just multiplied. It was a source that came and they filled the vessels and it kept flowing and it kept flowing. **I want to decree in the name of Jesus that the sources would come, that finances would not be a problem and it would not be a weight. It would not be a weight for you and this oil would not run out like it did in the Bible.** It would continue to overflow and be a constant flow. Because I see that there is so much more that you want to do besides just this property. You have big, big, big dreams. Big stuff and you are evangelism called. You guys see way, way far and way, way wide. The other scripture He gave me was Isaiah 48:17 and it says, “I will teach you how to profit.” She spells out profit but she says it actually is both. I felt like He was saying, **“Don't worry, and really don't worry.”** I know that it is hard; I know how it is with money. I know how I am. **Really, you will not have to worry.** It will not be about how many people are tithing or how many people are giving. You will not have to gather. You will not have to campaign. It is going to happen. It is going to happen.

### Stacey Campbell:

I have this scripture Paul had know about select minded his servant Timothy and I feel like that God has called you to carry on this vision but He has not given you a spirit of fear but of power, love and a sound mind. This whole thing is that things are generated by faith and God is going to take you to whole new levels of faith. I know that for my husband and I every time He calls us to a new level. She literally screams. YEAH.

You really feel somewhat in your flesh – just trepidation - but the faith of God will carry you on to whole new levels and you are just going to carry on the apostolic vision of this house going out, going out, going out. I feel as if you build on the foundation, it will actually increase and you are have more vision for more new things and things that have not happened before but you are also going to stand on the vision, which is the apostolic vision of going out. And with apostolic vision that means you will raise up an apostolic people. The primary meaning of an apostle is sent one - so have loose hands. You know what I mean – let them go – let them go. It is in the DNA of this house that they will go in – as you send them out, more will come in and you will never, ever run dry. Like the widow you will never, never run out. It will just keep going out and in. Out and in for this house is called to sew into this region. There is a faith dimension over this house to do things that haven't been done that way before. And I feel that the whole people. You are going to see. O. K. If God calls you to this house you have a different spirit and you can see like the grapes and the promise land and the good things and everybody else says, "Oh man, they have a poverty spirit. Oh man, there are giants there." It is the same land – it is what you see in the land. God is calling a huge people of faith and I believe that faith, faith, faith. The more that you go yes – let's strike the ground again, again and again and you are called to lead this people with great faith and charges that have not done before. I just see God's stretching your faith. Increasing your faith. Enlarging your heart and He says, "Though son, you can do it. You can do it. You can do it." I feel that God has confidence. He just wants to say, "You can do all things through Christ who gives you strength."

That is why He gave you this woman because she loves to pray. You just love the Spirit. You love the things of the Spirit and you are attracted like a magnet to the things of the Spirit. God is really going to use you, to be like a discerning. Father, we also bless the prophetic discernment Lord that is on her life. I ask you God that you would have her operate in that discernment in faith, in faith, Lord to see the things that you are doing. I don't know if you prophesize. Do you ever prophesize? I see you standing in the front with a mike and prophesizing. The Lord is going to call you to prophesize more and more destiny and so this whole apostolic, prophetic thing – you know that you are going to embody that and carry it on and go for it. I see you especially saying, "Charge, Charge." You know it says in 1 Corinthians 14, "If the bugle gives an uncertain sound, how will the troops go to battle." And that is all in the context of prophecy, so that the bugle that is put in your hands is a charging bugle. Battle – let's go for it are you are going to galvanize the troops for that.

This woman here, I felt like the Lord say, "You are a wild woman." I see the wildness of God on you. I see you – you know how to grab hold of God. This is not proper English

but you ain't going to let go until He blesses you. You are one of those, who know the destiny – somehow the DNA that has been put into your Spirit. You are praying and you are interceding. You are like a prophetic wrestler with God and to wrestle for the fullness and all the promises of God. To let it go to the right or to the left. I see God putting a spirit of prayer and prophetic intercession in you. So that you pray through, pray through, and I feel that you might look normal on the outside but on the inside you are really, really wild. You are more like the color of your shirt. Many, many colors. Many, many different things. Lord, I want to bless this woman for what she represents, Lord, in the Spirit. Lord, grab hold of all the promises of God. Lord and all the promises of God are "yes" and "amen" and God can add to our faith but He doesn't like to take away- sometimes He takes away but in 1 Peter 1, "Add to your faith this." You take from the foundation, you keep adding, adding and adding, adding and adding. But I feel that if this house ever veers from its foundation, it will go side-wises and topple over. I feel that God says, "Guard your DNA – honor your father and mother – honor in the spirit what has been done here."

It is Father's Day and I feel that this whole thing is your house is called to embody that because you will have many sons in this place. Guys like him, guys like this man.

## **Ron Teal     October 4, 2009**

The Lord has given me three words.

1. Time to be Simple
2. Time to be Strategic
3. Time to be Serious

I want my people to become simple. I want simple church. Not complicated. Simple. I want my people to become Strategic because I have a plan that I am releasing to them but I want them to be serious about what I am doing. The church has had a narcissist spirit. Narcissism is basically self-indulgence and self-pleasure. We have allowed this to creep in and keep us from being serious about in these days. The third thing that he has given us is that He will come where He is worshipped and He will stay where He is honored. The cover is The Father seeks worshippers. God will only stay where He is honored. If we do not honor, He will not stay. He demands our respect and He demands our honor because He is God. I believe that we are in such a time that the presence of the Lord is coming in such way. When the presence of the Lord hits the church again, it will restore the fear of the Lord back to the people of God. The reason we have lost the fear of the Lord, because we no longer honor and no longer live in His presence.

Psalms 16:11 says

## **Word to Calvary Christian Center**

**Ron Teal**

**October 4, 2009**

The presence of the Lord is coming to make a habitation here in this house. God is coming to make a habitation. Religion and the Spirit cannot cohabitate. But God is coming to bring a habitation to this house. The Lord gave me a caution and the caution, "Don't build a cart, it can only be carried in the heart." David first built a cart to bring the Ark of the Lord back into Jerusalem. God does not want a cart. He wants a heart. When he came back, he carried the cart into Jerusalem on the shoulders of the men. The men carried the presence. God is not interested in inhabiting sheet rock, carpet, pews, brick or paint. He is interested in inhabiting the hearts of people. That is where He wants to work.

Be prepared for a coming move for God is going to make known His presence in a strategic way. He is preparing this House for His presence, not a visitation. God can care less about visitation. The Lord gives me a caution in this area for you. "Don't make God visit. Draw Him in for a habitation." He needs to stay here. He needs to be carried in us. He does not want visitation rights. He is not interested in dropping in here for a hour or two a week. He wants to hang out here. He wants to bring in a big chair and sit here in the middle of this place.

The last quarter of this year will be preparation for the coming decade. October, November and December is preparation time, where God is getting us ready for what He longs to do. He said that He is bringing a shift. He said that, "He is shifting Calvary into the next phase. I want to declare that, "I am shifting the church to the next phase." He will bring revelation to the next phase of what He is going to do.

First, it will be highly relational. Secondly, it will be extremely productive with the fruit of the spirit. I really believe that it is the heart of God to bring us into that place where He shifts us into that next phase. That is His heart and His mind. We are in the 10th year of this century. 2000 was the first year of this decade and 2009 is the 10th year. We are completing the 10th year of this century. Ten is the number of divine order. God is establishing such order. You are going to watch this next quarter, October, November and December, things are going to come into alignment in your life in a swift and sudden way. It is going to surprise you, catch you off guard and it is going to put you on your face but that is a good thing. In the midst of that, God is going to rise up in a new way to release His people. The last thing that the Lord said was, "That He is taking the Prophetic Teams of this house to a new level."

## **Bob Jones – Call to the Mountain Summit November 19, 2010**

Pastor Mike: I want to ask two things if I can. If it's too long, you tell me and I'll pass it. But the first one is, yesterday you mentioned you remember coming to Hammond, Louisiana, at Calvary. That was before I was there...Can you share that with me? Maybe that is something I need for Calvary.

Ryan Wyatt: You know, he's the pastor there now.

Bob Jones: Yeah, I know.

Bob Jones: ...I was trying to tell them that the Christ in you is what needs to come out of you. And there's a tremendous calling there in that area you're in and I don't believe it's ever been answered. And that calling is to college kids. And I think that's real close. And college kid is being able to reveal to them the secrets of their heart. And you get that here (pointing at his heart). And they had such a heart of hospitality there. And I think that's that calling again. I remember I also told them, "Look out for the flood. There's hurricane's coming and Louisiana, especially the south, is gonna really get shaken and especially New Orleans." And I forget everything that happened. I don't have that kind of memory, but I do remember I was trying to tell them that the very genetics of God is in each and every one of them and they have the ability to grow into that. There also was, if I remember right, was telling them, "Every one of you have the ability to hear directly from God."

Pastor Mike: That's going well now, by the way. That part is. They have some incredible prophetic teams. Right now, they're just off the charts.

Bob Jones: Oh, praise God.

Pastor Mike: Yeah.

Pastor Mike: That's good. The second thing I wanted to ask had to do with the encounter I had last night. It actually started before we came up, I set down and all, I've seen this once before, I was in this room, everything was white. There were...looked like benches but they were actually tables and I was stretched on the tables almost like an operating room or whatever. And there was one, I don't know if they were angels or not, I didn't see the wings, but they actually reached in...it was like, massaging the inside of my belly. His hands went down inside and was just, like, massaging. And another one down on my feet and ankles massaging and then one on my head massaging, holding that up and doing that. After a few moments of that, I began to see just the gold glitter

falling, which eventually turned into drops of oil falling. And this whole time I'm feeling a wind, you know, around me. And the room just took on a blue hue. It's just this whole room took on a blue hue. And then after a moment of that, I begin to see rainbows and flashes of light. Rainbows coming across. And the flashes of light were almost like you would see the fire off of diamond, you know, when a bright light hits a diamond and it just flashes, you know, coming off of that.

Bob Jones: Many facets or faces of God. ...Your feet, you understand why they were doing that, don't you?

Pastor Mike: I think some of it but I'd rather hear your interpretation than mine.

Bob Jones: Shod for the preparation of the gospel. Your job is to carry the gospel. They were preparing your feet to go. They were massaging your head. In other words, they were emptying your head out. Empty minded. You understand?

Pastor Mike: Yes sir.

Bob Jones: And where was they massaging here?

Pastor Mike : The spirit. Your spirit.

Bob Jones: To bring forth the Spirit. So that's what was taking, that shoulda been taking place with all of you. Of getting the mind clear, clean, to where the Holy Spirit can begin to come forth out of you but also your feet means going. So I think there's gonna be openings not only here in Hammond but other places around you that you're gonna be going and taking teams. And I feel one of the places you're gonna be going to is Baton Rouge and I think that New Orleans. So I think there's gonna be places you take that team because years ago, we went down in there and it was really...the Revelation gift was really received and all of a sudden they died out, but that left a real hunger there. Actually, when Vineyard came apart down there, it left a gap, a hole. And people need somebody to begin to take that hope back into them again. And I think your job is to take that Blessed Hope back into them again and come into that confident expectation that they can hear from God. Slidell is a place close to you too, isn't it? And I really feel there's something there for you too. So I think that something's happened that's created blindness down there. And you and your team is called to bring sight to the blind, spiritually blind. So everything you're going to do there was for ministry to others.... So you're being prepared for messages and then your job will be to deliver them. ...So there's been some promises down there in Hammond that have not been fulfilled and one of them is college. I mean that will go all over. And there are several others, but I can't remember all of it, but it had to do with your genetics. It had to do with recreating body parts. It had to do with signs and wonders and miracles. It had to do with authority

over DNA. Genetics have authority over DNA to recreate DNA and body parts. And authority on everything: rain, flood, snow, weather, disease.

## **Prophetic Word from Ron Teal 8/19/2012 regarding Gulf States**

The truth is we've got to get in that place where we embrace the Word of the Lord And we embrace the prophetic and we embrace what God is doing. You know it's time now. I heard the Lord say, "Tell the people at Calvary that it's time to revisit The Word of the Lord that I have given to them. For even now I am bringing fresh bread into the house. There will be an aroma placed in this place that will be the aroma of the Lord. And the Father says I am coming and I am about to shift everything in this region. For even now what will happen is there will be presence encounters that will come even as you meet together there will be a descending of the Lord upon you and there will be an outpouring like you've never seen. For awakening is coming to the Gulf Coast region and the Lord is on the way to meet you at that place to bring you forth, pull you through the gates and shift you into that next season."

## **Rhonda Eanes Prophetic word to Michael Bush at Women of Destiny Fall Retreat 2012**

The Lord has made me one to rise up.

The Lord has put a Jehu anointing upon me to call down the things of the enemy that is in my territory.

The perversion that has launched in the territory He has called me to can be called down and brought down with the Jehu anointing He has placed on me.

Even where the enemy has tried to come in and push it back on my face, the Lord will redeem the time.

Surely, the roar of a king is among you.

This is the time and the season that the Lord is placing a mantle upon me.

It is a mantle of authority. I am coming from one level to another level.

In this authority, the declarations and proclamations and the apostolic is coming forth out of me.

As I declare and decree the things that the Lord tells me over the territories, the regions, the church, over nations and cities, the Lord says that He is speaking forth those things.

As I declare what the Lord tells me to declare, I am going to see the coming down of the enemy.

The Lord is going to use gatherings. He is going to network me around. I am coming into a position that is not just pastoral. A papa anointing is coming upon me and resting upon me.

There are many teachers, but where are the fathers. The Lord says that He has made me a father. He has made me one to embrace and to love.

This has been a process. I have felt the movement and the shifting from one state to another. The Lord was developing the apostolic mantle upon me. I knew it was there, but there has been a deepening of it.

There has been a realigning and a reworking. The Lord has made me one that is going to go into other people's lives. Even as we were talking about snakes earlier, The Lord says that I am a dragon slayer in other people's lives.

I will see and strategically go and hear and listen. As they begin to speak to me, God is going to give me the wisdom and the discernment on how to speak into their lives with

the wisdom of the Lord. I have wisdom, but it is going to grow and develop. I am going to be able to speak into lives and they are going to change.

God is going to put sons and daughters around me. This is my heart. My heart is to develop these precious ones.

The Lord is going to yoke me up with ministers around me. He is even going to open the city gates for me. He is going to stand me in the gates of the city and give me favor with city officials. They will call me by name. I will not push my way through, but they will call me by name. As they begin to call me by name, they are going to come to me for strategic plans for the city.

God is going to give me strategy for poverty and the impoverished. It is my cry and my heart for transformation. The Lord says that the apostolic thing that I placed in you is for city wide transformation.

I am going to see transformation begin to happen in my church. There is a transformation coming. Those who are not seemingly moving where I am wanting them to, the Lord says that there is a quickening, there's an awakening and a breakthrough coming to the church.

God is going to raise those up around me. There is a strong, powerful anointing that is coming. The Lord says that the miraculous will come because of the apostolic anointing that is upon me.

The Lord says, "Do you not know that I put apostle and prophet together in the house of God." He has built it upon this.

There is a promotion that has happened. There has been a shifting around me. The Lord has had to reposition things around me and setting things up.

There had been a wall that the enemy had put up and said, "Ha ha. You can't go through this wall." The Lord said that this wall is gone and that this wall is down.

There is a development of a heart. It is the papa heart. It is the apostle with the papa. It is the one that really, really puts their arm around another and prefers another above them. The Lords says, "Thank you for that." It is well done and pleasing to the Lord.

Just as she prophesied over Karin earlier, none of ours will be lost. There is a godly inheritance here and they will serve the Lord until the end of their days. Fear not in that capacity. They are going to be held, cocooned and sheltered by God's Spirit. God says that He is favorable and will keep His word about the inheritance.

The Lord says that even the finances for the things that need to be done are coming. There is a double portion being poured out.

The Lord has set this house and ministry in order. It is one that is needed. It is a good kept secret right now, but the Lord says, "Get ready. Get ready because people are coming in."

There is a setting up for the end time harvest. The Lord is positioning us up.

God is going to redeem, heal and restore. What the enemy has had tried to steal and where he has tried to take us out in areas of health, the devil is going to wish that he had never messed with us. This is because the trophy and the showcase of the Lord is coming forth.

The trumpet is being sounded and the Lord says that He is invoking and that He is bringing His wrath upon the enemy. The Lord has released angels into my ministry. Warring angels have been released around about me.

The Lord says, "Now listen to Me. I am going to give you the plans that you need."

Rhonda saw me unfolding plans and looking at them. Jesus was standing over my shoulder and we both have the plans going on. Jesus was pointing to the plans and he was saying, "OK, take this way and this way general. Do this and do that." I am going, "Oh yes, I see that. I see that." It is going to be with ease. It is going to be entering that rest. It is going to be an ease. There is going to be excitement with it. It is not going to be the season of the old. It is a new season that I have come into.

This season is that apostolic mantle, it is that apostle to come up. And this season is that prophetess to come up. In this season, it is the army He has given me to rise up. And in this season, I am going to see breakthrough. This is not just breaking through, but breaking through and moving on.

My ceiling is now my floor. The ceiling that has been over me is now my floor and there is no ceiling over me now. The doors have been opened. The ceilings have been busted and now, the consumption of the Spirit is coming and the strategic plans of the enemy is being exposed. The strategic plans of the Lord are here.

The Lord says, "Listen, listen, listen and know. Know that He is the one that has called me by name."

And now the Lord says, "Lead them and lead them well."

## **Suber/Teal words from 3-3-2013**

On the video on the internet, this begins at time frame 1:01:10. Ron Teal said that The Lord told him that this evening, March 3, 2013, that this is a Revelation 4:1 time and season. He spoke this word in Hammond at another church a year ago. This was at Harvest when he spoke there under Trey Bollinger's leadership.

After these things I looked, and behold, a door standing open in heaven, and the first voice which I had heard, like the sound of a trumpet speaking with me, said, "Come up here, and I will show you what must take place after these things." (Revelation 4:1 NASB)

He said that The Lord spoke to him this afternoon and said,

"You tell them tonight they have entered that season that I have prophesied and decreed over them. That beginning this evening, That beginning this evening, there is a tide that has turned; a changing; a season is at hand unlike anything that you have ever seen" says The Lord.

For even now greater revelation is coming over the people of God. There is an invitation to step into a kingdom dynamic, into what the Holy Spirit is doing today in the church. And there is an impartation that is coming this evening.

The Lord says, "I am bringing a regional alignment. I am bringing a divine regional alignment, a convocation for regional breakthrough."

The assignment of The Lord tonight upon us is to bring regional breakthrough in this season and in this time. And the word of the Lord says that He has brought us now into this place to contend for that which He has chosen to take place.

"For even this day," says The Lord, "there is a coming now time for the church of the Lord Jesus Christ."

We will rise up. We will rise up as the true ecclesia of God.

The Lord says, "The ecclesia has come together for a convocation of the holiness of the people of God in this region."

## **Ron's Vision of the Tsunami**

He then shared a vision he had a couple of months ago while he was in the panhandle of Florida.

In this vision, Ron said, I saw a tsunami coming on the coast, the Gulf Coast of the United States of America. It touched from Key West all the way around to Brownsville. I saw a huge wave coming inland. And it came in and it was the most beautiful blue sparkling fresh water I have ever seen in my life. And this wave came inland and it literally rolled in until it just began to touch. And it went all the way up to the border of Alabama, Tennessee, Georgia and the Carolina's. And I saw it go all the way up. It went all the way over Louisiana, Mississippi. Alabama was covered. Georgia was covered. It went throughout the state of Texas. It went all the way up into Arkansas. And I saw this tsunami wave coming and then I saw it begin to regress and to go back. But what I saw was, everything that that wave touched was made perfectly new. When it rolled back out into the sea, the beaches along the coast were pristine. There were brand new structures that sparkled. There was a new sense of revelation that had come. Then The Lord spoke to me and He said, "This is what I'm gonna do when I release the Revelation 4:1 season." He said, "There will be a move of My presence and my Spirit that will come in that region." And there is a shaking right now in the Gulf Coast region of the United States. There is a shaking and a presence of The Lord that is coming and The Lord says, "Now is the time.", Jonathan. "Now is the time that we step into that place where we agree with heaven for what God is doing." And I believe that we've moved into that time when that wave that is coming out from the presence of The Lord up into this area is powerful.

Jonathan Suber said that what The Lord is speaking tonight is "Activation."

He said that there were delayed promises over this house (CCC) and the other houses represented there. (Soul's Harbor and Revision)

He said that The Lord spoke to Him on his way back from Slidell and told him that because we had come together and humbled ourselves to one another, we broke a spirit of religion that had held this region captive for years. He also said that the Lord is using this as an incubator of what is about to spread over this entire region. God is tearing all of the things down that separate us, worship styles, denominations, etc., where the only thing that matters is Him.

Ron said he heard The Lord say that He is breaking deferred hope off of the church in this region tonight.

The promises of The Lord are coming in multiplied fashion. Unhindered. Unbounded.

Jonathan said that he did not know if he had ever felt what he felt in the service that night. He said that it was the embryonic stages of what was going to shake that region.

He said that the Lord told him that He wanted to release the Lazarus anointing. The resurrection anointing. That things that have been dead, delayed and dormant would live again.

Jonathan said that he was here tonight along with Ron and all the different churches were there because there is a resurrection anointing, God is doing a new thing, there is a new life, the stone has been rolled away, the community is ready.

We have to strip off the identity of the past so that you can step into who you are now. The Lazarus in John 12 is not the same Lazarus that was in John 11. What God is trying to do here is so fresh and so new, that if we can allow this Lazarus anointing that is here tonight to unwrap us from every paradigm and from every form of religion and the way you are accustomed to doing church, and let God lose you in the newness of life with new wind and new vision and new songs.

Next is 1:42:00

To Todd Shockley he says; "What is going on at Bethel. What is going on at IHOP is going on right in there." He then points to Todd's heart. "And God is going to release a river. I even see a school."

At this point he turns and addresses the pastor (Michael Bush). "Pastor, I see a prophetic school blended with worship coming out of the revival that God is doing in this region."

He then addresses Todd and says, "It is already in you and the Lord says live."

He addresses the congregation and says, "I see a school. I see a school. I see a school. I see a healing river, a prophetic river, a worship river."

He walks up to pastor Michael Bush and says, "Money is going to come. The provision for it is going to come. What's in your heart, the school, the training center",...

Addressing Michael Bush he asks, "Is that even in your head? Is that even part of here? ... I've never said this anywhere. What's happening in California is supposed to happen here. What's happening at Bethel... I bless Bethel, but there is a regional anointing that God is going to take your personality, your culture, Cajun power. There is such a hunger in this room right now so LIVE."

Ron Teal says, “Between the time that the word of the Lord comes and the Word of the Lord is fulfilled is a process. He is speaking to that process right now. Don’t get caught in the processes and lose the word of the Lord over your life...The process is going to produce the promise because His word never fails. It is a process that takes the word of the Lord and activates it inside of us so that when we stand in the fullness of the promise of the Lord we can say, ‘God, it is far more than anything I could have ever imagined.’ I’m hearing the Lord saying, He is doing exceedingly, abundantly above all we can ask or think.”

Jonathan Suber then says that “he hears the Lord saying that we need to make it very clear that whoever is involved in this, you’re thinking too small. Ya’ll have been thinking a little local church thing. No. I’m thinking pretty big.” Ron says, “Yeah. Very big. Very big. Exceedingly abundantly.”

Jonathan Suber then asks, “Who is this guy?” as he walks toward Pastor Jack Palmer. He asks him, “Are you supposed to be the head of it?” Ron says, “Yeah. It’s been in his heart for years.”

### **Dutch Sheets**

“As one with authority to announce; as a sent one into this region to bring order; and I just speak over you now that the alignment that God has created is a holy thing; is a work of the Holy Spirit and He has changed your shoes. And you have accepted the call to go down new paths and do other things and you have rejected the safe way. And because of that I have now come to put in you a new spirit of wisdom and revelation.

You will rise into new ways of thinking and hearing. And I will speak to you so clearly that, at times, it will take you a few minutes to realize it’s not your own thoughts, because it will come so easily to you. You will have ears to hear and eyes to see in a new level and in a new way and you will understand things that you could never understand before, because there are things that I have held in store for this season that I would not reveal in the last season, but now I will reveal them to you.

I chase you down and I wrestle you down and I put in you the spirit of wisdom and revelation! I will show you how to do things differently. I will give you insights that will be radical and simple. I will reveal to you My heart in new ways. You will know me as you have not known me. You will go deeper into my heart. Your hearts will break afresh and anew for this region.

My purposes will become paramount! What I have destined and designed for this region will begin to consume your thinking. You will find yourself one with My heart and My desires. I will give you dreams. I will show you things in the night. Keep the pen and paper close at hand. I will pull you aside into places, unique places with Me for days. You will find yourselves sometimes thinking and other times weeping as I download My heart to you; fresh, new way for this region.

I call you into the unique apostolic roles that I have created you for; to govern, align, announce and decree! Do not be timid, shy or reticent in any way to step into this. For this day you cross into a new room of destiny. And it is a new day.”

### **Ron Teal**

“Today, as a prophet to this nation, I commission you into the strategies of the Lord. To be able to walk in such a manner that you will plunder the powers of darkness. That you will walk with a new level of authority speaking words that are seed. That, once they are spoken, they will begin a creative order. They will release, not only a sound of heaven, but they will release those strategies that have been spoken and released to you today apostolically. You’ll move forward. You’ll pluck up. You will tear down. You will plow the ground. You will build and you will plant. And what comes will be unlike

what is remaining at this time. For what comes will be a structure, it will be a place where I choose to dwell. It'll be a people that are called for my possessions, says the Lord. And there will be a passionate heart inside of you. And those that you lay hands on will receive what has been deposited in you. For even as you have received you will give.

You will step into the fullness of the mantling now that I am placing upon you, for the mantle of the last season no longer fits. It's no longer a part of you. The mantle of yesterday I take off of you today, says the Lord. And I release to you the mantle of the season that you'll walk in. There is a bigness to the mantle being placed upon you, but you'll grow into it. For as I feed you there'll be new growth in you. There'll be a new stature that will be added to you and there'll be a new place that you'll walk unlike the places you walked before. For I am giving you the territory and the land.

I release to you the assignment that I have for you. An assignment that you no longer find your identity in what you do but it will be who you are. An identity that comes because of what I have given to you. And you will be known as men, not only that are after My heart and pursue me, but men that have been overtaken by the power of My presence. You will be men of the presence and men of the presence know the present. For even the spirit of the sons of Issachar I release to you now in Jesus name. You will have an understanding of the times and you will have the knowledge of what to do. When you obey and you do, you will see the good that I bring.

I will entrust to you many. They will march with you like an army who will do what I have called them to do without reservation because today I have taken reservation out of you. You will move with swift obedience and you will not hesitate from this day forward. You will live in the land of plenty and blessings will be upon you for what you set your hand to do will prosper. When you decree a thing, it will be established for you and light will shine on your ways. You'll not walk in darkness, but you'll live in the illumination of My presence. It'll go before you and you'll know that I am your rear guard. So, move with confidence and boldness in all God commanded you.

You'll be fathers to many. And the Lord will give to you, handmaidens of the Lord, many daughters. Many daughters will rise up behind you and will take on the character, when they meet you, of Mary, who will say, Be it done unto me according to Your word. The Lord has rightly aligned you with your mate. And you, as women of renown, are walking in new places. Walk with a sincerity and sensitivity of the heart. Now, go forth."

## **Prophetic Word from Duane Hicks 7-24-2013**

### **Speaking of us desiring to build and wanting to be able to give or seed our current property into the Kingdom.**

1. "Ask God for the details." I really hear the Spirit of The Lord saying to, "Ask God for the details."

I think you even need to gather together your elders and this team, and possibly your presbyters and ask God for the details. Because where you are supposed to be is not in question. That's so clear. You've already got it laid out. You know all of those sort of things. What you don't know is how to get from A to D. Because you've got to get through B and C.

So gather your leadership together and ask God for the details.

2. Do what's in your heart to do. You are never going to be satisfied doing it any other way. And there's a reason God has laid that on your heart; to seed this and to sow this. And even specifically to whom you are supposed to do that. Don't be swayed by indecision. I feel like sometimes you have probably wrestled with, "Is it this one or this one?" And it was that one the whole time. It was an original dream so to speak. Don't allow your original dream to be swayed by circumstances and situations that could possibly have changed since you originally felt this. It doesn't have to make sense. God spoke to you originally in your heart and that's the way that's supposed to be. Don't be swayed by what's going on, even by what is going on in their lives or in that situation.

3. *Referring back to asking for the details he said,* There is a reason for me needing to ask for the details. Instead of God just giving them to you. I honestly feel like it has something to do with the collectiveness of you and your leaders coming together in a bond of unity and asking God together for it. Because, I think, there is something very significant about God speaking to the whole group about it. I really sense very strongly that God is protecting you in that, with it not being your idea. That it be a consensus that is reached in the leadership about the details. God is protecting you so that nobody will be able to come back and say, "Well this was your idea." "No. It was not my idea. This is what God said to all of us." What I know for sure is that God is taking care of you in it. Ask Him for the details and He is going to provide the details. He has not changed His mind. What He spoke to you is what He spoke to you. And He hasn't changed His mind. Circumstances may have changed in other people's lives, but what God spoke to you is what He spoke to you, and He hasn't changed His mind.

**On the topic of what he is sensing while praying in the Sanctuary.**

There have been a lot of foundational things that have happened in this place, in this room. A lot of things that have been established. There have been things that have been established on purpose. There have been things that you and even previous administrations have on purpose laid hands on and set in place and in order. But there have been even more things that, just by them coming into this atmosphere, God has set in order. Because there is an atmosphere of setting what's been wrong right. There is an atmosphere of adjusting things that have been, sometimes they have been slightly skewed; sometimes they have been completely scrambled, you know, people's lives. But there is an atmosphere in this place that, when they get in here, things are realigned. Sometimes it's a minor adjustment; it just takes a minor tweak to get things realigned. Sometimes it's a major overhaul. What part of the ministry of this place is now, and has always been and shall forever always be, is a place of realigning and readjusting people's lives that have been just shattered and so disorganized. There are people who have come here who are, at times, just devastated and think there is just no way this can be fixed. There's no this can. And somehow, miraculously just; and some of them, just from being in the presence, in this place. Somehow, things just get figured out. Things just get realigned.

There is a tremendous foundation in this place of realignment and setting things in order. God is saying, "Some of it has been on purpose and intentional. Others of it have been by osmosis almost." Because that's what is here. That's the atmosphere that's here. It's realignment and adjustment and foundational.

### **To Pastor Mike**

I see you laying hands on people, on pastors, and sending some people out to establish some other works. I don't know if you have ever given any thought to sort of a multi campus approach, where Calvary Christian Center North and Calvary Christian Center East and Calvary Christian Center of Baton Rouge and Calvary Christian Center of Slidell. You see, I don't know if you've given any thought to that, but I see you laying hands on pastors and sending them out to establish a work, but that it would be a work that would be always connected here. I don't necessarily see you doing this sort of thing where you are sending in video messages from here. I think each place will have it's own independent church and independent pastor. But it will be a Calvary Christian Center connected church and place where you are all of the same mind and same vision and going all in the same direction under a plan that, I think, God is already stirring in you. A certain culture or a certain target direction and target audience that God, I think, is already dealing with you about how to reach this particular demographic or this particular group. I think you have a real heart for a certain demographic of people. I honestly don't know what it is, but I think all of these places are going to be

established to go after that demographic of people. And so you will all be sort of like-minded.

I really see you laying hands on people to send them out to start more. You know, spiritual sons; spiritual daughters; to raise them up and for you to be their father. I think, at times that feels uncomfortable for you, you know, that term. I think you ought to sort of find a way to embrace it. Because, whether you like the term or not, I think it is certainly what you are called to do and called to be. The only problem with being uncomfortable with the term is that it is impossible to fully embrace something that we are not comfortable with. Let God deal with you about that. I truly think that this is the term that you are going to find yourself using and needing to use and it's going to be the term that they find themselves calling you. "You're our spiritual father." Even if you have to sort of grin and bear it a while, let them call you that if that's what they need to call you. Lay hands on them because they need to go and they need to do and you need them to go and you need them to do because there's a great work that God is doing.

The foundation's good and it's pure and it's strong. You know, when the foundation is good, there is no limit to what can be built on a good foundation. There's no limit to that. There are always limits to what can be built on a poor foundation. On a poor foundation, you can start off just a fraction off and build a wall that's 150' long, and by the time you get to the end of that 150', if you started off just a fraction off, by the time you get that far out from it, you are way off. But on a straight foundation, if you start out straight, on a good foundation, there's no end to it. Because if it is straight, it will always be straight. And then there is no limit to how large of a structure can be built. The foundation of this place is very straight and very good, and quality, and will hold a large structure. This is a good place. It's a good place.

*Go back and look at this part around 17:00 - 20:30 on the recording. It has to do with the people who come into this building in the future. It has to do with those who will come into this building when we move. Whatever they bring in that is out of alignment and that may be wrong will be straightened out and fixed because of the residual effect of what has been done here with realignment and readjustment.*

I just keep hearing, "That which remains. That which remains."

*Go back and listen to this around 20:45 - 22:15 This is a picture of the harvest left behind by mega churches and others that harvests those who are easy and fit the picture of what they want. They leave many others behind because they are too much trouble to work with. This is seen in how combines are now programmed to leave behind the cotton that is more difficult to clean. What can God do with "that which remains."*

**Words regarding the season we are in now at CCC and the momentum that is here.**

This is a powerful thing ya'll have got going on here. It's not a small thing. You know pastor, momentum, even from a scientific standpoint, the larger the mass of something, the more force it takes to move it, and the more thrust it takes to get it to move. However, after it is moving, after it gets moving, it creates a momentum. And that momentum draws things into it's pathway. Like a tornado, it draws things into its pathway that those outside things don't even have any control over. They are just being drawn in by the momentum. It creates sort of a magnetic field that draws things in. But, depending on the size of something is determined how much it takes to get it to move, but it also determines how much it takes to get it to stop.

And I would say unto you, I don't know if this is prophetic or not, but here again, I think that what some people miss about the prophetic is that sometimes our most valuable gift is what we see more than the prophetic words. I would say unto you though, the sort of reason behind that this is not where you would like it to be 10 years down the road is because of the size and scope of it. *(He is referring to it being 10 years ago when I came and that it's current condition is not where I thought it would be at this point 10 years later.)* It is not a small thing and large things take a massive amount of momentum. But, the momentum is here for sure and you are moving forward for sure and it, soon and very soon, is going to pick up massive amounts of speed that's going to draw more people in. But, it will have been worth the price, the thrust that it took, the 10 years that it has taken. It will have been worth the price because it will almost be impossible to stop because of the size of it.

## **Prophetic Word from Duane Hicks 9-29-2013**

### **MARRIAGE OF WISDOM AND STRENGTH**

Wow, what an awesome place this is. I've got 30 seconds I'm going to use it wisely. I hope you're prepared for what is coming in this place. During worship this morning I heard the Spirit of the Lord say this. "That as wisdom is continued to be married to strength. Think about that, because it is so awesome to be in a place to see a diversity of ages. You don't see this everywhere. This church is not made up of all 20 year olds and it's not made up of all 70 year olds. That's rare. I don't know if you know how rare it is, but it's very rare. Most churches have a ten year demographic and that's about it. This church has a 50 year demographic. The Word of the Lord says to you today, "As you continue to strengthen that marriage. You see because strength without any wisdom is dangerous. Wisdom without any strength is useless. But as those two things come together, God can do anything. Amen. So you be ready and you be prepared because just during worship the Lord said, go read this scripture. Revelation 15:3 says, They were around the throne singing the song of Moses. You recognize that's an old song, a really old song, and the song of the Lamb is a new song. There is place for both and need for both. So as we respect that in each other and submit to that, one to another, then there's no limitations on what God's doing." Amen. It's a good place.

## **Ron Teal 2014 Calvary Christian Center January 12, 2014**

**The greater experience of the church is outside the 4 walls.**

We need to have a fire that will go outside the walls.

**Damon Thompson Awakening on the I-12 corridor that will spread. He especially mentioned Hammond.**

There is going to be another Awakening meeting coming this year.

We are sitting in one of the most powerful regions that is positioned for revival and awakening in this nation.

**Supernatural is breaking out and increasing in this region.**

**God is bringing ORDER into this region.**

**There are great meetings where His presence and worship are getting to new levels.**

**This is a word for Calvary and the church of this region.**

*Revelation 4:1*

*After this I looked, and there before me was a door standing open in heaven. And the voice I had first heard speaking to me like a trumpet said, "Come up here, and I will show you what must take place after this." (Revelation 4:1 NIV)*

**3 things are here:**

**A door was open in heaven.**

God is sending more revelation at this time than we have seen before.  
God is going to send an astonishing amount of revelation.

**Come up here**

This is an invitation to come join Him where He is. This is a year where we are going to quit asking God to come join us and we are going to join Him where He is. However, it is going to surprise you where He is. That is, where he is working and moving in churches, families, etc.

## **He will show us things. Impartation**

We will see, understand and encounter what God says must take place. We will operate by the revelation of The Lord and the power of the Holy Spirit.

We know how to perform in the church really well, but we do not know how to follow the Spirit really well. He requires quick, total and complete obedience. There needs to be quick cooperation with the Holy Spirit.

In the book of Acts, they obeyed very swiftly.

**Chronos time** is chronological time which is just logical earthly time.

**We need to be in kairos time.** This is the open door or a period of time when a door is open.

**We also need to be in horaio time** which is the perfect and appointed time. The horaio time is when we step right into the middle of everything that God has promised becoming a reality.

**When you step into horaio time, you will be able to do something you have never done before.**

**2014 is the year of opportunity where we step into destiny.**

If you don't believe in hell, it is impossible to believe in heaven.

Supernatural DNA is infused into us in salvation. The same faith that you have to be saved is the same faith you need to bring healing, etc.

We are naturally supernatural because we have a relationship with God.

**We need to move from possibility to probability.**

We need to realize that when someone touches you or you touch them that they are touching the Holy Spirit because you are the temple of the Holy Spirit.

**We have to obey the Holy Spirit when He is moving. We must not quench the Spirit because of a clock.**

The interruption of the Holy Spirit in our lives is a fulfillment of the destiny and purposes of God in our life. He is carrying us into the fulfillment of the day.

**When the Holy Spirit gives direction and we step into it, He has not messed up our day. He has actually just brought ORDER to our day.**

Ron heard someone say this and said it resonated with him. "I never worried about money since 1981. When I need money, I just get more intimate with God and He provides."

**There are natural things that will happen that have a much deeper meaning. We will not see these unless we are keenly obedient to The Lord.**

## **8 THINGS ABOUT 2014 "THE YEAR OF OPPORTUNITY"**

### **1. It's time we cross over and cross into. Joshua 1-5**

#### **A. Prepare provisions**

God told Joshua to get things together for in 3 days you are going to cross over and cross into.

This year, in the Hebraic calendar, is the Year of Opportunity.

#### **B. Learn to follow and value His presence**

We need to learn to move by the power of His presence. We must value His presence during this season. God is turning religious services into presence encounters.

#### **B. They were entering freshly into the covenantal relationship with God. They had to circumcise themselves again.**

This was a sign of the covenantal relationship. This is the rolling away of the reproach of Egypt.

**January - March of 2014, God is circumcising us.** He is dealing with the fleshly things in our lives. This will bring us into agreement with Him. He is going to get Egypt out of us.

#### **D. You are going to learn to face your giants this year.**

We have to walk in confidence when facing our giants.

### **2. This is a time for new mantles.**

He is dismantling some so they can receive new mantles. This will be the fulfillment of the dreams and destinies God has revealed to us. There will

be a releasing of a divine order. God is equipping us for what we need for this season. We must embrace the mantle God has for us at this time.

**3. It's time for the Sons of Issachar to arise**

**4. It's time for you to find your Tribe.**

You need to be in this so you can flourish in your gifting. This is right alignment.

**5. It's time to reclaim and revisit the word of The Lord over your life.**

Start praying into these and processing these.

**God is purifying the prophetic. It will go to a new level. It will be less soulful and more from the Spirit.**

**6. It's time for the supernatural to be restored in the church.**

It has been trickling, but this year it will hit a new curve. Acts 2:43, John 14:12.

The main attraction will not be the sermon but the supernatural will be.

It is time for sudden encounters.

**Things that have been held back will be released this year. We need to see that this is a time of new wineskins.**

**7 words that have greatly hurt the church, "We never did it that way before."**

We cannot let the old wineskin keep us from moving into the new wineskin.

**Paul was a PIONEER.** He kept letting God lead him and move him.

**7. It's time for joy to rule the church again.**

We need to be continually filled with the joy of the Spirit. We need to learn how to embrace the Holy Spirit.

**8. It is time for divine order to come to the church. 1 Cor 12:28; Ephesians 4:11**

**The 5-fold ministry and mandate is not up for discussion, it is up for implementation.**

Dime –

10 is Divine Order

Silver is the color of Redemption

Elder's, deacons, etc do not trump the 5-fold.

This is foundational. God gave nothing but the 5-fold to bring the church to maturity.

The people of the church must let the 5-fold equip them so they can do the work and not just think they can pay them to do it for them.

The job of the elders is to implement what God says. They are to take the direction of the 5-fold and implement it.

**This generation is looking for the true manifestations of God to be operating in the church. We must move forward in this.**

**When order comes, it establishes kingdom.**

## **Prophetic Word from Pat Monjure 4-27-2014**

1. Just get busy building “that church”.
2. If it’s the right time when I take the 1<sup>st</sup> step, God will open the doors.

**Prophetic Word to Michael and Karin Bush from Joel Stockstill**  
**Awakening Meeting at Soul's Harbor**  
**Sunday PM, May 25, 2014**

Joel Stockstill began the prophetic word speaking to Michael Bush.

I keep just getting this word "Training. Teaching. Training. Teaching. Training. Teaching." I see you moving in a vein of teaching where students, they are coming or they are going to come, from all over and they are going to be raised up under you. And you are going to teach. You are going to give them the DNA of the kingdom.

And your wife has got a prophetic anointing. And she is going to bring the wind of the Spirit. She is going to bring the Breath of God. And you will be teaching, and she will come in and just, and it is just going to go crazy. And people are just going to be slain in the Spirit and so you are going to have the Word and you are going to have the Spirit. And you are going to move in the Word with authority and she is going to come in and move in the Spirit and you are going to go back and forth. And there is going to be teaching and training, and there is going to be impartation, and there is going to be moving in the Spirit and the gifts of the Spirit. And you have cried out and you have said, "Oh God! When are we going to see the gifts of the Spirit again? When are we going to see the moving of the Holy Spirit?" And the Holy Spirit said, "I'm going to birth that in the lives of young men and women through you."

And there is going to be a training center. I just feel like they are going to come. And young evangelists, young preachers, young pastors, young teachers, young prophets, they are going to come and they are going to get grounded, they are going to get trained, and then they are going to get sent out. And they are going to go! And they are going to bring much fruit. And they are going to say, "You are our father. You are our mother in the Spirit. We honor. God sent us to you and we honor you and we want to be sent out." And you are going to train them, and you are going to put your stamp of approval on them and you will say, "This is God. This is God. This is God."

## **Prophetic Word from Duane Hicks to CCC 9-7-14**

(On video at marker 58:30 – 59:12)

“The grace of God, the grace of God for this place (and by this place I mean this building, this location – take a deep breath- The grace of God is soon and very soon lifting off of this location.”

(At marker 59:21 – 59:40)

“Soon and very soon it is going to be very uncomfortable in this room because you have got to get out of here. It’s awfully quiet in here, but it’s time to go. It’s time to go.”

(At marker 59:45 – 1:00:10)

“It’s time to go. It is time to go. This room will no longer hold what God is doing in this place, and it’s time to go.

(At marker 1:00:31 – 1:00:35)

“But I’m telling you, it is moving time.” There is no need for God to provide what is necessary to go until you decide to go. There has to be plans. A vision, a dream.

There has to be a unity and a recognition that God wants us to move forward, whether or not we like it, and an agreement to go that direction in unity. There has to be the attitude that we are for you, not against you. What God says to the leadership of this church, you need to say, “I am for you. I am with you and I will go. I will go.”

Possess the Land-

Deut. 11:8b... go in and possess the land which you cross over to possess. It’s not enough to just hear and receive the Word of the Lord. We have to put our faith into action. There is a physical moving that has to take place if we are going to go in and possess the land. You have to move to possess a new land.

(He tagged the end with Duet. 11:9)

“and that you may prolong your days in the land, which the Lord swore to give your fathers, to them and their descendants, a land flowing with milk and honey.”

Vs. 10 They planted seed, went and got water, then brought the water back and watered the seed.

Vs. 11 -12 God is saying that, in this new land, He is going to water it.

In our old place, there has been much labor, water toting, etc. In the new place, God will care for it. There will be no more labor to get the water here.

Vs. 13 – 15 Faithfully obey God’s commands and He will send the rain in its seasons. He will provide.

Same as Matt. 6:33 “Seek ye first the kingdom of God and His righteousness, and all these things will be added unto you.”

There will not be any dry seasons.

Provision, spiritual and material, are in this new land.

(At marker 1:11:19)

“We have entered into a new season, Amen. And I am telling you, Calvary Christian Center in Hammond, La, it’s a new day and it’s a new season, and it is time for you to move. It is time for you to go. It is time for you to go because you understand, and maybe you don’t understand, I don’t know. But because you have remained an unashamedly spirit filled, spirit led church, they’re coming. They’re coming from every direction. They’re coming from the north, the south, the east and the west, and they’re coming. And what I need you to wrap your head around, even in the natural, I need you to understand that there is no room in this place for anyone else...

Your door says clearly over the top, “NO VACANCY”. You are full in this house.

“I am telling you prophetically, you need more space.”

(At marker 1:13:35)

“And I’m telling you, God sent me here to tell you to decide within yourself that whatever it takes God; Whatever it means God to go where we’re suppose to go; I decide within myself today that I am going to do all that is within me; all that is within me to make that happen. Will you choose?”

(At marker 1:23:41)

“The reason you have got to leave here is somebody, some church that is full of the power of God has got to be able to house these people that are coming in. And ya’ll don’t have any room for them.

(At marker 1:24:10)

Do you really understand that there is a mantle on you as a congregation. There is a mantle; there is a responsibility on you as a church because you do walk in, and live in and are controlled by the Spirit of God. Do you understand that we are carrying within us the answers that they need? And that we have to do whatever within us has to be done to make a place and room for them to come to? I need for you to get that. I need for you to understand that you must go because they’ve got to have a place to come to.

(At marker 1:38:24)

To the leaders of this house, cause some of you are struggling with how. God said “You just decide yes and I’ll figure out the how.”

We want to have it all figured out. As leaders, that is tough. God will reveal it to us one step at a time.

When God gives us step “A” and we say yes and pursue it, then we can have another meeting about the next step. Don’t look for A-Z in one meeting. It is step by step obedience.

(At marker 1:55:08)

We need to honor those who have labored at CCC for 20 plus years. It would not be here if it were not for them.

## **Prophetic Word to Mike and Karin Bush 1-25-15**

Walk the land and God will show us things.

(At marker 14:32)

We are preparing a different type of academy. You are going to begin to raise up a generation that is going to go in to military action. These are ones that are going to pursue the kingdom and they are going to walk in authority. These are going to take different routes and they are going to begin to multiply. The supply line, the Lord said, and I began to see the picture of you like feeding people. And I heard the Lord say "I'm going to open the supply line. The supply line is open. I will hand it over to you. I will hand the supply line to you."

## **Prophetic Word from Ron Teal to Mike Bush and Karin Bush 1-25 15**

John 3:34

John 7:38

New river added

3 things that will happen because of this:

1. Growth which will lead to a new level of
2. Authority which will give me a new
3. Voice.

1. Growth
2. A new level of Authority
3. A new Voice

A new sound is coming. Rivers have a sound.

This new sound has to do with the prophetic. It is a new dimension of the prophetic released over me that will cause me to speak with a level of clarity that I've never spoken with before. I'll be able to move in this with a sense of understanding that I've never had before.

There is a new sound and dimension of worship that is coming in me and it is coming in this house. When this happens the next generation will come in and grab it and run with it. 20's and 30's are coming in like we have never seen.

This new river will establish a new place. Rivers, when they come, wash away dirt, etc., and where it comes through looks like a brand new place.

(At marker 7:02)

"It is so very important that we move into that new place. It's real important that you get into the land of your anointing. It's important that you make that transition out and you begin to establish yourself on the property the Lord has given you."

(At lunch with Ron Teal and Johnny Foote on 1-25-15)

First Printing 06-19-2018

Ron said the grace was lifting where we are now (Main Campus) and we need to move.

## Word for CCC from Ron Teal 11/ 9/15

### Things the Church Must Do:

- Create an atmosphere for God's presence.
- Develop a culture that carries the vision and maintains the atmosphere.
- Write down the vision (prophetic insight).
- Build what God says, not what you see.
- Don't allow those who don't believe to control what God wants to do.
- Allow the Holy Spirit to set the atmosphere.
- Culture is developed by what you pursue.
- The supernatural should become the natural for a Christian.
  - Romans 12:2 Do not be conformed to this world (this age), (fashioned after and adapted to its external, superficial customs), but be transformed (changed) by the entire renewal of your mind (by its new ideals and its new attitude, so that you may prove (for yourselves) what is the good and acceptable and perfect will of God, even the thing which is good and acceptable and perfect (in His sight for you).
- You never finish developing an atmosphere or culture.
- Leaders should keep themselves on point and corrected.
- Learn to value what other people say better than what you do.
- Always keep maturity and growth ahead of you, not behind you and you'll always move destiny into purpose.
- Must have the apostolic that brings wisdom and must have the prophetic that bring revelation.
- Signs, wonders and miracles follow a true prophet that carries a true mantle.
  - They will speak governmentally in the church with direction.
- We will experience perimeters we may not know and understand.
- Must stay flowing in the Holy Spirit.
- Must maintain the presence.
- There are geographical anointings.
  - Go where you need to go to get what you need to get.
- **Prayer is Essential**
  - **Teach people to pray.**
  - Hebrews 3:4 For (of course) every house is built and furnished by someone, but the Builder of all things and the Furnisher (of the entire equipment of all things) is God. AMP

***Pastor Michael Bush to Congregation at Calvary***

The Lord said to me, "I'm not holding anything back. Are you?"  
 "I'm not holding anything back. Are you?"

"And He took me to those places in the Bible where we see God responding to the desperation of the people. The woman with the issue of blood, she pressed in and heaven moved even without Jesus conscious focus. She just drew on heaven because of her desperation. And so, I feel like the Lord is saying,"

"Look, He's holding nothing back. Are you? He's holding nothing back. Are you? He's holding nothing back, are you?"

"He will respond to the level of your desperation, not your desperateness for His stuff, not your desperateness for comfort or anything like that, but the desperateness for Him...the desperateness to know Him, to be in His presence and to know that He is everything you need, and if I could just touch, if I could just reach out Lord, and touch you, then all, then everything will be aligned. Everything will be O.K. I can walk through hell as long as I know I am connected with you. If you are with me, I can do it. If you are with me, I can do it."

"Tonight, Brother Ron 's got something I want him to come share with you." But, I want you to take that to heart.

**"But you respond as God leads you. You respond as He leads you. He will meet you at your level of desperation."**

***Brother Ron Teal to Congregation at Calvary***

"The Lord says, 'Louisiana, I have not forgotten you. For I will make the I-12/I-10 corridor a golden corridor of my glory. I'm sneaking up on Slidell to release my power. I'm uncapping Covington that Covington may overflow with the power of my glory. ***I'm lending my hand to Hammond, and Hammond will see the mighty power of my right hand and authority released in it.*** For I am coming upon Lafayette, and I am releasing upon Lafayette the layover of my glory will rest upon Lafayette, and yes, Lake Charles will be flooded with the glory of my presence. For I am coming in this season now to complete my good Word to you, for Louisiana, you have not missed your day of visitation, for this is the time and the season that I am choosing to bring my glory. I am coming to you, Louisiana. I'm causing a golden corridor to begin to emerge with the resonance of my glory, for yes, signs, wonders, and miracles, supernatural ways of my Kingdom will be released out of this region; it will begin to flood the state, and I will bring the redemption of my plan, for yes, even now, in these days and in these seasons, I am bringing new identity to you. You will arise with a new look. People will see you in a

new way, but what comes out of you will be the resonance of my glory; so that this nation will know that I am your God, and I love you, for I have redeemed you, and now, I am bringing you into a place of redemption in my Kingdom,' says the Lord."

## **Prophetic Word to Michael Bush from Johnny Foote on May 11, 2016**

When Karin and I came together, it was like Isaac and Rebekah. It has been. It is and I have cherished every moment. The Lord says, "I have brought support. Son, you are like a man that is going to the dry well and I told you that I am going to awaken the well. Where the well has been dry, Son," He said, "it was capped and it was even underground. But what I shall do," He said, "I'll tell you." He said, "You've drove out," and I saw you drove a ways away and you went to a place undisclosed where you could get out and walk. And the Lord said, "Come walk with Me." And as you began to walk, the Lord said, "Son, I opened the ground and I have consumed the enemies around you. Don't be afraid. Don't be afraid to testify. For I am going to cause you to even testify before many and the justice of My name shall go before you. And I am going to give you the word and I am going to impress upon you the word and what to say; how to say it."

And I saw you coming to the ones that were fractured. It was like they couldn't stand up. I heard the wording that they were like fractured knee caps that didn't stand up for Jesus and the Lord called you to go in and stand up. It wasn't popular. As a matter of fact, you were like a man going alone. The time was similar with Jesus before he went to the trial and the Lord took Him to the place where He was crying out to the Father and the Father spoke to Him and it is the word that carries Him through the cross.

I saw you in a time and to where, "God. I'm walking. In the time of decision of life God, what will I do? What should I do even for now?" And the Lord said, "I've called you out Mike. I said, Come out. Come out. Come out. Come out from underneath the thumb of those that said, 'We will press you and we will make you like us.' And I didn't call you to wear a robe like any other man. I anointed your eyes. I anointed your faith and I called you as a man that would even help. Son," He said, "I have helped you in your steps. Son, you are not jumping along the same lines they will. You are not going to move in camps the way they do. Son, I called you new. There are things that others were prejudiced about and you became prejudiced in your own heart about the things of God." And the Lord said, "Son, you did not socialize with others that were not following God, but you kept relationship." And the Lord said, "Son, it's like the target. You kept your eyes on Me. You kept your eyes on Me and I called you as a marksman. Now, you shall go and mark the days. You shall mark the days that I set, even on the calendar. As I set the date, you will stand up for Me and you shall be bold for Me and My Spirit shall be upon you. And you shall speak as a man that will even have a poetic prophetic words that will come. And My utterance shall be with you. I will send counsel around you."

And I saw like strangers that you couldn't see, but I saw two men standing beside you. And the Spirit of God said, "Stand up. For as Peter was even taken from the prison gate, he was awakened and brought forth and a trial was not even in place. It was uncontested and the Lord delivered." The Lord said, "Son, you are going to awaken people out of prison gates. I am going to cause this to become a trial of overturning. I am going to raise up a generation that will pray and they shall believe Me.

Son, you're going to go into the Goliaths and you are going to go into the territory that's My throne room. I didn't call you bashful but I called you before Me.

Plant your feet. Plant your feet. For this is going to be taking back ground. Ground that was given. Ground that was given. As Isaac was given the promise of the wells, he took back the wells. And I've called you to take back the wells. I called you as a deliverer. I called you as a man that I set up. I did not set you to fall but I called you amongst the traps and I called you even through the prison gates. Son, I have brought you through every gate that was even imaginable to a man that you might see every door that I would call. I called you to admonish and you went to my servants even in your own community and you began to admonish. I said son, go again. And you went a second and a third time." The Lord said, "It was like an oven baking in you, 'But God, they don't see what I see. They don't hear what I'm hearing. What should I do?'" And the Lord said, "Son, you can't clap your hands or make people follow you, but you can lift your hands up. And I'm going to cause people to begin and worship the living God. You don't raise your hands for another man, but you raise them to Me. And I'm going to lift the burden and I'm going to cause the burden of My love to rest on them. For the burden of My love to minister to Me shall be upon many for I shall set their eyes upon Me."

The Lord said, "The plans are coming. The plans are coming. And you're puzzled at the plans. 'How can we see these plans?' And the Lord said, "By the Spirit of God." And I saw the ovens beginning to burn. And the Lord said, "Remember Shadrach, Meshach and Abednego. As plain as it was from your childhood, you saw it then you taught it. You said, 'There's one more. There's one more. There's one more.'" And so says the Lord to you. "There is one more and it is I. I'm with you in the midst of the fire and I say it shall be contagious. And they shall know that God is the deliverer and He shall deliver the captives and He shall set them free."

"As you pray, call the people to prayer. This is a house of prayer and it shall be My house. And My house shall be good. And My house shall have grace. And you shall have favor before I the living God. And you shall know that where I sit, you shall come and walk before Me, before the throne room of God and you shall see My justice and My justice is with great mercy and even upon the land. Son, there are many who said, 'We pray for our own house.' But you shall pray for the house and even for the government and you shall be a man that shall be ignited. Son, you shall be likened unto a warrior, that you shall know what to say. For I will speak to you as I spoke to Moses, as My friend. And I will tell you details. For I said you are washed in the blood and I didn't just give you a job of washing cars, but I called you to be a man that sets captives free. Son," He said, "Minister, minister, minister. And there shall be a different exchange of words."

I saw the cars. I know naturally, years ago, you guys used to refresh cars, taking care of cars. I saw cars lined up, Mike, and as I saw cars come up, I saw the gospel being preached. I saw transportation, people in their cars coming out, and I saw them receiving Jesus Christ. And the Lord says, "I'm going to bring them. I am going to call

them.” And I saw people that are going through the refiner’s fire. And the Lord said, “You said, ‘More.’ You said, ‘God, I don’t want numbers.’ You said, ‘I don’t want numbers. I want You.’” And the Lord said, “Because you have asked Me for My heart,” He said, “Surely, I shall give you My heart and you shall begin to call them in.” Brother, I saw again, when Jesus began to break bread, there was miraculous, and the Lord said, “Teach them the Word and tell them the promise that it is My gift of life.”

You are going to commune with the Lord and you are going to send those out. The Lord says, “Send them. They are going to be firebrands. They are going to be witnesses for Me and they shall tell them of Jesus Christ.” And there shall be a boldness that will rest on you. And, brother, you are going to see visions like the ladder that was given to Jacob when the spirit of God is on you. And the Lord said, “Protect the vision. Protect the vision. For what I told you in the vision you shall write down and you shall now begin to walk in the vision.” It seemed foolish, but the Lord said, “Come see the vision. Come see the vision, for I awaken you.” Man of God, it is a bridge from heaven to earth. And this Bethesda is what God is doing. The Bethel, the Bethel, the Bethel. The Bethel that God is doing is in your region. And what God did like at Beth-El, He said, “Surely it was not theirs, but it was Mine to give to you, to walk with Me. You are planted on ground that is more than man’s hand. It is the ground that God gave you and Salvation is going to come in the gate. It is going to be an exercise, by the power of God’s cross. And now the power of healing. There shall be deliverance and there shall be great salvation.

Man of God, there shall be many that shall begin to come and they were even upon their floors. There is going to be deliverance. Some that are even bound by devils are going to be loosed. Many shall say, “How can this be?” But the Spirit of God says, “You shall walk in the area that it is all practical by the Spirit of God. For the practicality of the Spirit shall lead you in the manners of His revelation.” He said, “I revealed a plan and it was not stolen, but it shall now be identified. These are the appointments that shall be now identified. This is the identification.” He said, “Be of a merry heart and rejoice. And even as your bride walks in the Lord,” the Lord said, “Isaac. Rebekah.” He said, “I’ve carried you even into the mystery from the beginning of your life to see the goodness of thy God. Mercy and strength shall follow you all the days of your life.” Amen.

## **Duane Hicks Prophecy to Calvary Christian Center 9/11/2016**

God said you are living with and tolerating some things I told you to take out. Powers and principalities that you have learned to live with. In the Old Testament God would tell them to destroy ALL things.

Things being tolerated in this region are:

1. Religious Spirit
2. Spirit of Poverty
3. Jezebel Spirit
4. Spirit of Fear
5. Witchcraft

These need to be destroyed and taken out. Only then can the Holy Spirit invade our church.

Isaiah 54 - There is a spiritual attack going on in every region and church; and, we are overwhelmed by it. But, we are part of a bigger thing God is getting ready to do. We need to get BOLD enough to do what God tells us to do – even if we don't understand it.

Our faith is in God and we need to act on what God says. Be overwhelmed by His glory. Again in Isaiah 54, God said, "I want you to sing-RIGHT NOW!"

What are your faith goals? Those things you are believing God for. Look beyond our mess and sing over our faith goals RIGHT NOW.

God is about to do something that we have NEVER seen before. Be careful, do not judge it. We are about to receive instructions from God ---we are called to lead this city. The music will come forth that will lead this community. This is like the lady who was barren, who sang over her yet unborn, unconceived child. Sing now, before your children are yet born, while you are yet barren.

Every time God speaks in the Bible, it doesn't make sense. Get ready! Expand our tent. We will look stupid, and we won't understand it. But, if God says to build for 15,000, it won't make sense, but do it. God has called us for something bigger than this city has ever seen. Think BIGGER. Dream BIGGER! The later glory that is coming to this house is bigger than you can dream. We need to be glory day preppers, not end-days preppers.

Speak to where we want to be. Be the voice that refuses to speak against the leadership in this place and in your job. Our mouth needs to speak prophetically. I bless my job – simply because as a child of God, I am there.

Use the personality that God gave you. And, your descendants will populate the cities that are uninhabited.

The Lord endorses One Night in Bethlehem. This year will be a benchmark year. Give up your Saturdays; sew your time into it.

Fear is simply having faith in destruction.

Mark 11: Speaks of mountain moving faith.

Hebrews 11: Speaks of multiple types of faith.

We need each other. Surround yourself with people who are stronger in faith where you are weak. It takes enormous faith to obey leadership, especially when you don't understand it.

To the leadership of this church, God is going to require you to make decisions that the people won't understand. People of this church, do not murmur against the leadership.

## **2017 - The Year of Forward Momentum**

Calvary Christian Center. January 8, 2017

Ron Teal speaking

### **2017 - The Year of Forward Momentum**

#### **Philippians 3:12-16. NIV**

“Not that I have already obtained all this, or have already arrived at my goal, but I press on to take hold of that for which Christ Jesus took hold of me. Brothers and sisters, I do not consider myself yet to have taken hold of it. But one thing I do: Forgetting what is behind and straining toward what is ahead, I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus. All of us, then, who are mature should take such a view of things. And if on some point you think differently, that too God will make clear to you. Only let us live up to what we have already attained.”

The Lord has got a hold of us, now we need to get a hold of Him.

Momentum allows something to increase and grow as it goes forward.

### **On the Hebrew Calendar it is the year 5777 - THE YEAR OF THE SWORD**

**It is not about cutting away but opening up.**

#### **Three things God is opening up.**

##### **1. God is opening up portals of vision.**

We need to position ourselves for this.

This helps us align with what God is doing.

## 2. God is opening up new wells of revival and awakening.

- This is not opening up old wells. It is something new.
- We do not need to re dig the old wells. We need to open up new wells.
  - The past move of God can become the enemy of the current move of God.

We cannot live in the past moves of God. We must stay in step with the Lord.

Celebrate what God has done but embrace what God is doing.

We must embrace what God is doing.

- We have to stay in stride.

Stride is that place where your run becomes effortless.

You can continue to go forward without the strain and effort when we are aligned with and running with God.

- Your assignment is greater than your ministry.
  - Do not let yourself get distracted from your assignment.

Assignment is imperative in reaching your destiny in the Lord.

Ex. John 4 Even though ministry was great where He was in Judea, He left there because He had an assignment in Sichar. He did not let the need for ministry in the areas He was in distract Him from missing the assignment God had for Him.

### **At Calvary, what is our assignment?**

- Don't let people bat you from one thing to another and get you so busy that you too miss your assignment.
- **It's time to dream again!** We must not let ourselves live in deferred hope.

- **First quarter of 2017 - Revisit all of the prophetic words that have been spoken over your lives. Listen to them again and ask the Lord to empower these prophetic words to operate in you.**

In places where the prophetic word flows frequently, people can become apathetic to these words. **We must be careful not to become callous to God's words to us.**

### **3. God is opening up places of provision**

- Provision will begin to pick up movement in our lives.
- Angelic encounters will increase.

### ***GOD IS MOVING US FORWARD!***

**In 2017, people will begin to experience deliverance more.**

Acts 10:38

“how God anointed Jesus of Nazareth with the Holy Spirit and power, and how he went around doing good and healing all who were under the power of the devil, because God was with him.”

- **We can't get away from the name of Jesus.**
  - We have to use this name from a place of relationship.

# 12 THINGS COMING IN 2017

By RON TEAL

School of the Spirit 01-08-2017

1. **Reframe your life** - Get back to God's original intent for your life.

2. **Recalibrate your time** - spend it wisely. What do you value?

3. **Move into your assignment .**

Your assignment is greater than your ministry.

Jesus and others passed by the man at the Gate called Beautiful and did not heal him. Healing was His ministry, but this person was not His assignment. This man was Peter and John's assignment. You have to really be in tune with the Holy Spirit to walk in this.

4. **A season to live by the prophetic word in your life.**

5. **Fruit is more important than firewood.**

Mt. 7:19. Trees that don't produce fruit become firewood.

6. **A year to clear out the clutter in your life.**

Get the outside baggage out of your life. When you have clutter and excess baggage in your life, you have a mixture of what is holy and what is unholy.

7. **Discover how to unlock prosperity in your life this year.**

Learn how to align yourself with what will cause you to prosper so you can give and be blessed.

8. **It's time to develop character and integrity.**
9. **Learn how to walk in a new level of authority.**
10. **The foundation of the Word of God returns to its place of stability.**
11. **A resurgence of prayer in the church.**

Prayer becomes the platform of power in your life. Prayer is the power plant for the prophetic. Prophets need to learn how to live in solitude, not in isolation. Isolation is just being alone. Solitude is pulling aside to spend time with the LORD.

“That evening after sunset the people brought to Jesus all the sick and demon-possessed. The whole town gathered at the door, and Jesus healed many who had various diseases. He also drove out many demons, but he would not let the demons speak because they knew who he was. Very early in the morning, while it was still dark, Jesus got up, left the house and went off to a solitary place, where he prayed. Simon and his companions went to look for him, and when they found him, they exclaimed: “Everyone is looking for you!” Jesus replied, “Let us go somewhere else—to the nearby villages—so I can preach there also. That is why I have come.”” Mark 1:32-38 NIV

After ministry, everyone went to bed. He got up early and went to get His assignment. When the disciples woke up and saw He was not there, they went looking for Him. They pursued Him!

Mark 14:32

“They went to a place called Gethsemane, and Jesus said to his disciples, “Sit here while I pray.” He took Peter, James and John along with him, and he began to be deeply distressed and troubled. “My soul is overwhelmed with sorrow to the point of death,” he said to them. “Stay here and keep watch.” Going a little farther, he fell to the ground and prayed that if possible the hour might pass from him. “Abba, Father,” he said, “everything is possible for you. Take this cup from me. Yet not what I will, but what you will.” Then he returned to his disciples and found them sleeping. “Simon,” he said to Peter, “are you asleep? Couldn’t you keep

watch for one hour? Watch and pray so that you will not fall into temptation. The spirit is willing, but the flesh is weak.” Once more he went away and prayed the same thing. When he came back, he again found them sleeping, because their eyes were heavy. They did not know what to say to him. Returning the third time, he said to them, “Are you still sleeping and resting? Enough! The hour has come. Look, the Son of Man is delivered into the hands of sinners. Rise! Let us go! Here comes my betrayer!”

Mark 14:32-42 NIV

Between Mark 1 and Mark 13. In Mk 1 is the place where they pursued Him when they couldn't find Him. In Mark 1 they were chasing Him. In Mk 13, while he was pleading for their souls, they could not stay awake. In Mark 13, they were falling asleep and couldn't stay on track with Him. We have to go to Gethsemane with the same fervor we pursued him before.

## **12. What you dwell on is where you live.**

We change the way we live by changing what we dwell on.

If you want to change where you are living, change what you dwell on.
